The Madame Irene Means the Ultra-Fashionable Figure for You!

NO NEED for women to pay the high price of French Corsets when the same degree of figure-building is attained in these superb Madame Irene models. And there's no greater authority on matters of style and fashionability of line than Madame Irene—the New York designer who's constantly in touch with fashion creators of that city and of Paris.

And the unequalled Wahnlon bones every pair of the high grade "Irenes." The model 1589, as illustrated, at \$6.50, is but one of the many new fall styles that promise for madame the fashionable, flexible lines in demand for present styles.

And for the special benefit of many of our patrons who invariably ask for The Irene and yet who have wished for a front-lace Corset—we introduce a new Madame Irene model—a beautiful Corset with the front lace feature. It's a superb model, designed for the average figure.

Prices, including all styles of Madame Irene Corsets, range from \$6.50 to \$25.
