

### KLAWITTER PUTS SERAPHS TO ROUT IN OPENING GAME

#### Fitzgerald and Krueger Hit in Pinches and Sensational Fielding Heads Off Dangerous Rally by Angel Crew.

Dutch Klawitter was complete master of the situation yesterday afternoon, and aided by some sensational fielding, which culminated with Hancock's one-handed stop of Howard's liner over short and his doubling out of Halla off short, Portland beat Los Angeles in the opening game of the closing engagement in the north, 5 to 2. Fitzgerald's two doubles to right and to left field gave Portland three runs and placed the game in the cooler. The Beavers played like a new organization under the influence of the warm sun and the Angels had no chance to win, one of their runs being counted on Howard's homer which cleared the right field fences in the seventh inning by 20 feet. They bunched two hits in the third inning along with a sacrifice and scored a run.

Three double plays were put up by Portland and two by Los Angeles. Sensational fielding by Krueger, Fitzgerald and Hancock featured the game. **Angels Put Over One.** Los Angeles put over their first run in the third inning. Boles started off with a smash between Bancroft and Butcher and advanced on Halla's sacrifice. Fitzgerald made a shoelace catch of Howard's hard fly to right field, but this was followed by Berger's biff to left that scored the runner. He lined to Rodgers and the inning was over. Bancroft started the third inning with a pretty smash to left, but was forced by Klawitter, who took second on Chadbourne's infield out and went to third on a passed ball. He came home, when Fitzgerald doubled to right, the first of his three hits. Krueger scratched a hit to Berger, beating Joe's throw to Dillon. The ball took a short hop to the air and Fitzgerald tried to beat it home, but was thrown out, at the plate by Pop, the ball having descended conveniently in his paw.

**Take Short Layoff.** The Beavers laid off until the fifth when they tolled the gong three. With two out Klawitter lazily shoved his bat into the pitch and started for first. Halla and Dillon were taken so completely by surprise that neither was able to handle the ball and it went for a hit. Chadbourne followed with a walk and here Fitzgerald again got in his good work. Lober was playing in close but the kid outgassed him and smashed the ball far over his head for two cushions, clearing the bases. Krueger was there in the pinch and laced the ball to left, scoring "Flash." Butcher forced Krueger at second for the third out.

In the sixth inning Los had Heimteller, Dillon and Page on base from singles with two out, but Klawitter gamely fanned Lober, Fisher dropped the third strike but stepped on the plate to force Heimteller. With two out in the seventh Howard gathered in his homer. After this Berger walked and Daley cracked a beauty to left, but Butcher tossed Heimteller out at first.

**Speed Boys Fall Steal.** Portland put over the last run in the seventh with two gone. Chadbourne beat-out a bunt to third and stole second. Then Fitzgerald ended up a perfect afternoon at the bat by hitting one too hard for Page to handle. That put Chad on third and then the two speedy outfielders pulled off a double steal. Boles tried to pull something foxy and threw to Howard on the steal but Chadbourne was already near home when Evan dropped the ball. Krueger's infield out closed the inning. Portland had two on and none out in the eighth when Rapps hit into a double play, Halla to Howard to Dillon and Halla fanned Fisher.

Dillon sent Core up to bat for Boles in the ninth but Klawitter had his puzzling quick delivery ball working and

### BASEBALL PLAYER WILL HIKE 303 MILES TO CITY

(Special to The Journal.) La Grande, Or., Sept. 18.—By walking 303 miles in 10 days, W. H. Duncom will try to make a new record from La Grande, Or., to Portland, Or. Duncom will leave Monday morning, September 23, at 6 o'clock, and expects to arrive in Portland about the last of the month. He wears no hat, and in spite of the sun's rays seems to suffer no ill effects from the trip. Duncom is said to be from Portland and was the fastest catcher in the Eastern Oregon league, also the leading base stealer. He played with the Haines team and not once during the entire season has he been known to wear a hat or headgear of any kind.

### MAHONEY'S HOMER COLTS' ONLY TALLY

#### Bill James Pitches Good Ball and Gets All Breaks Besides.

Seattle, Sept. 18.—Chris Mahoney's home run was the only score that Portland got off Bill James yesterday, but all the luck went Bill's way, for he was hit hard enough to net more tallies. On the other hand all the breaks in luck went to Seattle, and the Bugs were making runs when they had no right to them.

Seattle started off on Eastley in the first inning. With two out, Nil singled and was chased home immediately afterwards by Wilson's hit over the short right field fence. Three hits, passed ball and an error let over four runs in the first inning. Mahoney rapped out his circuit swat in the fifth inning, and unfortunately there were no Colts on base. One third of the total number of Seattle pouters were made by the outfield, showing the Colts were hitting the ball on the nose.

#### Al Baum Shows Thoughtfulness.

That President Al Baum of the Pacific Coast league is one of the most considerate persons in the world, is apparent to the Portland fans. Pearl Casey lives in Portland and for the last three engagements in the north Baum has sent Casey to this city, where he could be with his family for a portion of the season. There are not many league executives who are so thoughtful. Casey supervised on the bases yesterday and had several close decisions but the fans knew that he has a keen eye and didn't make a holler. Jack McCarthy, who spent five weeks in a Los Angeles hospital, is the other umpire.

#### Sox May Get Glavichin.

Jim Wiggs, who, while playing in the bushes is also scouting for the Chicago White Sox, says he has picked up a cunning major league twirler in Luke Glavichin, the husky St. Mary's college right hander. This Glavichin is the younger whom Nick Williams came near signing while at Sacramento this spring. Glavichin not only wanted a major league salary, but he wanted Williams to sign the whole St. Mary's college team to keep him company while in the north. Nick wanted him but not his escort.

#### Two Star Backstops Gone.

When the all-star American league team was gathered for the purpose of playing the Naps on the Joss day, July 25, 1911, the catchers of the great team were Paddy Livingston and Gabby Street. By a peculiar coincidence those two players are the only members of that grand organization who are not in the big leagues today, Street having been banished to the International, while Paddy is catching for Toledo.

#### Baker Looks Promising.

Walter McCredie thinks he has picked up a comer in Howard Baker, the young third baseman sent out to the Beavers by Cleveland last season. Baker is a nicely around third and has a good arm. He is a husky young fellow and all that he needs is experience.

#### Played With Hildebrand.

Matty McIntyre, the new outfielder to join the San Francisco club from the Chicago White Sox, used to play with Newark in the eastern league, when George Hildebrand was with Providence.

#### Wagner to Washington.

Honus Wagner will be a great attraction in Washington if the Senators and the Pirates play their post-season series. Honus has not played in the Capital City since 1939.

#### Hallinan Coming Back.

Eddie Hallinan, recalled by the St. Louis Americans from Memphis, has been offered to the San Francisco club and may be sent there.

#### Schulte Is Reinstated.

Chicago, Sept. 18.—Frank Schulte, who was suspended two weeks ago by Manager Frank Chance for getting out of condition, was reinstated yesterday, according to President Murphy.

#### McDonald Won't Come.

Boston, Sept. 18.—Ed. McDonald, turned over to Sacramento to play third base, refused to go to the Pacific coast, although notified of his release to the Coast league club.

#### Kid Pitchers in Battle.

San Francisco, Sept. 18.—Two kid pitchers, Arlett and Hardin, had a regular pitchers' battle on the diamond yesterday and the Sacramento lad won because the men behind him could cross the plate. Score: R. H. E. San Francisco, 9 5 1 Sacramento, 2 4 1

### DICK GRANT GOES TO HILL ACADEMY

#### Washington High Sprinting Star Wants to Round Out Prep Work.

The sensation in interscholastic athletics coincident with the opening of the school year, came when Dick Grant, the great 100 yard sprinter of the Washington high school enrolled at Hill Military academy Monday.

The change of Grant not only deprives Washington of one of its mainstays, but it will not do Hill any good in the interscholastic track meet. Under the rules an athlete changing from one school to another may not compete in his first season at the new institution in the interscholastic games. However, Grant will be able to take part in the Oregon Agricultural college and University of Oregon track meet, the annual Columbia indoor open event and the Multnomah club meets.

Grant stated that the reason he changed from Washington to Hill was for the purpose of rounding out his preparatory school work, so that he could enter Stanford university next year. He had a number of credits in some departments and figures on taking them up this year at Hill. He is doubtful about taking part in any athletics at all, on account of the heavy class work that he will have before him.

The Hill football team also drew Jack Day, who played last year with the Jefferson high. Day may not be permitted to play in the interscholastic league games. Coach Carl Wolff will have the cadet squad out this afternoon for the first lecture on football.

#### NORTHWEST SWIMMING MEET SCHEDULED OCT. 15

The Pacific northwest indoor swimming championships will be held October 15 in the Multnomah club tank, this being decided upon last night by the board of directors.

October 8 has been set aside for the first of a series of swims, which will be held monthly now instead of semi-monthly.

At Detroit—New York-Detroit game postponed; rain.

#### Gordon Wins Own Game.

Spokane, Wash., Sept. 18.—Gordon's Texas leaguer dropped safe in short center yesterday in the twelfth inning because LaLonge, shifted to the outfield, and Jansen, collided, and Altman came home for the winning run. Score: R. H. E. Tacoma, 4 12 2 Spokane, 5 11 2 Batteries—Belford and Crittenden; Cadreau, Gordon and Ostidek.

#### Vernon Wins First.

Los Angeles, Sept. 18.—Vernon won yesterday from Oakland because Roy Brushner poked out two home runs with men ahead of him. He made four of Vernon's six runs. Brackenridge pitched great ball, while Malarkey couldn't fool the Haps. Score: R. H. E. Oakland, 3 10 2 Vernon, 5 11 1 Batteries—Malarkey and Mitze; Brackenridge and Agnew.

#### Vitt and Weaver.

Oscar Vitt of the Tigers, who has been suspended, together with Manager Jennings, for a run-in with an umpire, has had a harder job landing a regular berth than Buck Weaver of the White Sox. The two men are old pals, and played together last season on the coast. Vitt has been tried out both at third and in the field. But that's not saying he won't get there some day.

#### Thorpe Has Carlisle Out.

Carlisle, Pa., Sept. 18.—Preliminary football practice under the coaching of James Thorpe, all around world's athletic champion, indicates here today that the Carlisle Indian school will have one of the best college teams in the east this season. Thorpe is captain of the team and his speed and punting were never better.

#### LUMBER KING'S ESTATE IN LOS ANGELES' COURTS

(United Press Leased Wire.) Los Angeles, Sept. 18.—Two petitions by Minneapolis persons interested in the disposition of the millions of the late lumber king, H. C. Akley, are on file in the superior court here as a result of the transfer to Long Beach from Minneapolis by the young widow of the millionaire of a package containing \$250,000 worth of securities.

The first petition is interposed by C. O. Krause of Minneapolis, creditor of the Akley estate, who demands the revocation of special letters pending in the probate court which were granted the widow, L. W. Collins, one of two administrators of the estate, petitions that the securities taken from Minneapolis be returned in custody of the court.

### THREE BOXERS FOR SEATTLE SMOKER

#### Multnomah Sends Williams, Knowlton and Miebus to Special Event.

The amateur wrestling and boxing sport for the winter in the northwest will be ushered in tomorrow night at an informal smoker at the Seattle Athletic club, in which the Multnomah club will send three boxers at the request of the northwesterners.

Instructor Tommy Tracey will leave with the trio of boxers tonight, who are in pretty fair shape considering the early season bouts. They are Walter Williams, a 115-pound boxer; Walter Knowlton, the "fighting fireman," who will enter the 135-pound class, and Earl Miebus, the great 135-pound boxer.

Edgar Frank, chairman of indoor athletics, to whom the request was made for three or four boxers when he was in Seattle last Sunday, stated that the outcome of the events would have no bearing on the P. N. A. dual meets, and was only to accommodate the Seattle Athletic club in its special smoker plans that the men will be sent north.

Wrestling instructor O'Connell, who had planned visiting several small towns through Idaho and Oregon early in September, arriving here in time for the opening of classes Monday, has not been heard from for more than a week, but is expected to return from his two months eastern vacation trip any day.
