BAKER FAIR MADE LIVELY BY RACES; 160 FAST HORSES

Street Carnival Diverts Uptown Crowds; Rest of Week Will See Daily Racing Program at Track. (Special to The Journal.) Baker, Or., Sept. 18.—Under perfect weather conditions, the Baker county fair is on this week, officially beginning Monday, but with the chief interest of the week centered in the last four days, during which the annual meeting of the Baker Speed association is held in connection. The exhibit display is larger than ever, the efforts of the reorganized association, taken over by the Baker Commercial club, having resulted in more publicity and the stimulation of more interest throughout the county than has been manifested in several years. The community exhibit feature has met with great favor and every agricultural, horticultural and farm product in the county is shown in abundance. The racing end of the fair, the first meet of which was held yesterday, has all the events filled and more horses than anticipated, so race patrons are being given a treat not equalled in some years. About 160 head of horses are quartered at the fair grounds stables, it being necessary at almost the last moment to erect new stables to accommodate all. In connection with the fair, a street carnival up town will furnish entertainment for the visitors during the evening. The business section of the city is in gala dress for the occasion, and the crowds from outside the largest the city has entertained in recent years. The interstate trap shooting tourna-

ment is being held in connection with the fair under the auspices of the Baker Rod and Gun club. The fair and races marking the second week of the Oregon-Idaho circuit will come to a close Saturday night. The reorganization of the circuit with a five town, short-slip opportunity for five weeks of racing for the best purses yet offered in this part of the state has been responsible for the presence of the unusually large number of horses. SULPHURRO ENDS FIFTEEN YEARS OF STOMACH TROUBLE

Read This Convincing Letter Written by Man Who Is Grateful to New Sulphur Remedy.

Kenmore, Wash., Aug. 10, 1912. C. M. C. Stewart Sulphur Co., 71 Columbia St., Seattle. Dear Sir:— I thought I would write you a letter and let you know what Stewart's Sulphurro has done for me. I had been troubled with stomach trouble for the last 15 years. In that time I must have spent at least \$1500 on different kinds of medicines trying to get a cure. Every time any one would try it and see if I could get relief from my trouble, but nothing seemed to help me, and finally I got so bad that I would faint and get such pains in my stomach and intestines for days at a time that I couldn't eat or sleep, and had to give up my work, thinking the only thing left for me to do was to undergo an operation. I went to town with that condition, but when I got there I heard so much about Stewart's Sulphurro I thought I would give it a trial. To my surprise, in a few weeks I was completely cured, and gained 15 pounds. Before taking Stewart's Sulphurro I never could hold my weight over 145 pounds, but since I have been cured I hold my weight at 165 pounds, can eat anything and sleep good. It has also cured me of what I thought was catarrh of the throat and head. I would be safe to say that I have one of the worst cases of Stomach trouble that anybody ever had. I highly recommend Stewart's Sulphurro to any one that is troubled with stomach trouble. You can use this letter in any way you wish. Yours truly, HOP CLARKE. (Signed) Sulphurro on sale at all drug stores in 50-cent and \$1.00 bottles; free booklet on application to the C. M. C. Stewart Sulphur Co., 71 Columbia St., Seattle.

Miscellaneous.
