

SEALS BREAK TWO WINNING STREAKS

Defeat Beavers and Mac's Star Twirler; Rapps and Fitzgerald Injured.

Bill Reddy's Seals came to life today, after dropping three straight games to McCredie's men, and put a crimp into two winning streaks.

Up to his defeat today, Klawitter has won eight straight games and from the way he started the game it looked as if he were out to make it the ninth straight, but his hopes went glimmering in the sixth inning when the Seals scored all of their runs.

Two Beavers—Rapps and Fitzgerald—were injured and will be out of the game for several days. Rapps sprained his ankle in recovering a wide throw from Fisher in the third inning.

Blowup Unexpected. In the sixth, Klawitter took a balloon trip and it resulted in a victory for San Francisco.

McAvoy and McIntyre walked and Howard bunted, filling the bases. Baker's slowest in fielding the ball caused trouble.

Howard and Zimmerman singled and both advanced on Corhan's sacrifice. Wagner filed to Chadbourne in deep left and Zimmerman was doubled out at third.

Howard took Golvin's place in left field in the fifth inning and McCardie played first base.

COLTS DROP GAME TO VICTORIA BEES

Burch Pitches and Allows Ten Hits; Coltrin Too Short for First.

Victoria, B. C., Sept. 28.—The Colts presented a tony tussle yesterday afternoon and were defeated by the Bees by the score of 8 to 6.

Catcher Burch was on the mound for the Colts and Ecola was behind the bat. Bobby Coltrin played first base and Harris was stationed at third.

The game attracted very little attention, being attended by 100 fans. Burch pitched good ball and only in one inning was he hit hard.

SEALS DICKERING FOR LOCAL STAR

George Pembroke.

The San Francisco Seals are dickering with Pendleton for the services of catcher George Pembroke.

Pembroke was the property of Vancouver and was turned over to the Pendleton club for \$50,000.

Bill Reddy of the Seals said that his club was dickering for the services of the young catcher.

It was apparent there was a scramble on the part of four or five umpires to get the world's series, where the salary for a week's work amounts to 20 per cent of their regular salary for the whole season.

CHANCE THROUGH AS CUB MANAGER

Frank Chance.

Chicago, Sept. 28.—The flat statement that Frank Chance would not manage the Chicago Cubs of the National league next season was made here today by Charles W. Murphy, president of the club.

Chance, who is confined in a New York hospital recently where he underwent an operation for the removal of a blood clot on the brain, said that if Murphy had not decided to give the Cubs the pennant this season he was a liar.

It is the consensus of opinion here that Chance quit, feeling that he would not be reengaged as manager for the 1913 season.

2,173,150 TROUT PLANTED IN STATE. This Number Put in Various Streams During Past Year; Many Die.

Over 2,000,000 trout were distributed in the various streams of the state during the past year, according to the report of W. J. Finley, game warden.

The exact number of trout planted is 2,173,250. Of this number 13,652 died in being transported to the various streams.

The club adopted a bill and will endeavor to have it presented at the next session of the state legislature.
