NEW GERMAN FOR BLOOD POISON

It is now two years since the introduction the NEW GERMAN REMEDY for BLOOD POISON, and during that time I have adminis-tered this preparation in several hundred cases, often giving as many as five doses in a single day. I know my experience with it is far greater than any other physician in Portland. I have given this remedy a severe test, having met in my experience some ex-tremely bad cases, and I can say without fear of contradiction that it is the greatest discovery of the age and the nearest absolute and permanent cure for Blood Poison, regard-less of the stage of the disease or the symp-toms present, Every sympton of the disease, from the smallest eruption to the worst kind of running sore, are checked in their progress at once and completely healed within 10 days. There is no longer any doubt about the wonderful turative power of this remedy, and when given by an expert there is absolutely when given by an expert there is absolutely when given by an expert there is absolutely no danger of any kind from its use. I introduce it DIRECTLY ANTO THE BLOOD by the INTRAVENOUS METHOD, the only proper method of administering it, and the one recursively by Prof. Ehrlich himself.
