is now two years since the introduction in NEW GERMAN REMEDY for BLOOD POISON, and during that time I have administered this preparation in several hundred cases, often giving as many as five doses in a single day. I know my experience with it is far greater than any other physician in Portland. I have given this remedy a severetest, having met in my experience some extremely bad cases, and I can say without fear of contradiction that it is the greatest discovery of the age and the nearest absolute and permanent cure for Blood Poison, regardless of the stage of the disease or the symptoms present Every sympton of the disease, from the smallest eruption to the worst kind of running some are checked in their process. from the smallest eruption to the worst kind of running sore, are checked in their progress at once and completely healed within 10 days, There is no longer any doubt about the wonderful curative power of this remedy, and when given by an expert there is absolutely no danger of any kind from its use. I introduce it DIRECTLY INTO THE BLOOD by the NOW PROPER AND A VENOUS METHOD, the only proper INTRAVENOUS METHOD, the only proper method of administering it, and the one rec-ommended by Prof. Ehrlich himself.

In the hands of an expert specialist there is absolutely no danger of my kind from its use. I keep you in my office from one to two hours—no onger. You will be thankful to me us long as you live, as it will give you a new lease on life.
