Nebraskan, Captain Knight, is scheduled to sail tonight for Salina Cruz via San Francisco. On her way to sea she will pick up a shipment of 350 tons of salmon at Astoria. Of the cargo from here 800 tons is grain for San Francis-

co, while the remainder goes to New cellaneous freight for New York 35 tons of tallow and 17 tons of cascara for Europe and 100 tons of flour for Central America. The salmon shipment from Astoria goes to Europe.

GOES ON PANAMA RUN

Freighter Seward Is Chartered From

for five months. The Seward is discharging 4500 tons of copper ore from Prince Williams sound and as soon as this is done, she will proceed to San Francisco to be turned over to the charterers, who will operate her between the Golden Gate and Panama. Heretofore a majority of the Alaska fleet has been idle during the winter, but from present prospects nearly all will find employment this season. The Seward was built in Scattle and carried to Cordova most of the material used in building the Copper River and Northwestern.

ALONG THE WATERFRONT

The Peruvian bark G. Mazzini, Cap tain Novo, has been listed to come here from Callao, presumbably for a lumber cargo. She is a vessel of 1297 tons net. She will be the second of that nationality to come here this year, the bark Cavour now being at Westport.

Laden with about 685,000 feet of lumber, the schooner William Olson, Captain McDonald, will clear at the custom house this afternoon for Antofagasta. She will leave down for the sea tomorrow morning in tow of the steamer Ocklahama. The steamer Bear, Captain Nopander which arrived at 3 o'clock yesterday afternoon, encountered the stehmer Yo-semite off Coos Bay in tow of the steameer Bee for Sau Francisco. The Yosemite struck on the Grays Harbor bar on October 1 and lost her rudder. She had a jury rudder rigged when en-"OUR ENEMIES AND OUE ARMOR." countered by the Bear.
