Ability and Skill Should be Considered When You Select a Physician

C. K. HOLSMAN, M. D. I am just now completing my sixteenth year as a specialist in man's diseases. During these years of close application to a single class of all-ments I have originated and perfected scientific and certain methods by which these diseases are cured. If I accept your case for treatment, a cure is but a matter of a reasonable

My practice is limited to the disorders of the male, and is further confined to these special and chronic affections of the pelvic tract. These include Lost Vitality, Varicose Veins, Hydroceie, Blood Disorders, Coninclude Lost Vitality, Varicose Veins, Hydrocele, Blood Disorders, Contracted Ailments and Bladder and Kidney Diseases.
