C. K. HOLSMAN, M. D. am just now completing my six teenth year as a specialist in men's application to a single class of aliments I have originated and perfected scientific and certain methods by which these diseases are cured. If accept your case for treatment, a cure is but a matter of a reasonable

My practice is limited to the disor-ders of the male, and is further con-fined to these special and chronic affections of the pelvic tract. These include Lost Vitality, Varicose Veins, Hydrocele, Blood Disorders, Con-tracted Allments and Bladder and Kidney Diseases. I have taken up these affirents especially, because thou-sands of lives are ruined and thousands of lives are fulled and thousands of men are not what they should be because they are held down by chronic weakness, which the average practicing physician does not understand and usually tries to make light of by telling the patient that nature will soon repair

My methods are up to date, and are endorsed by the highest medical authorities of Europe and Americs, hence our success in the treatment of men's diseases.

CONSULTATION FREEL If you cannot call, write for Symp tom Blank. Many cases can be treated at home. All correspondence confidential.
