Annual Home Furnishing Sale

—We start on Monday, November fourth, one of the most important sales of this stock, in all our experience. The entire stock is new—and has been on sale less than two months. The quantity of merchandise concerned is very large.
 —The variety is broad and the standard of quality high.
 —We shall be able to make prices extremely low; in some instances lower than ever before.

Lipman, Wolfe & Co.'s Bureau of Home Furnishing Salesmen

—Has been organized to assist you in attaining the type of home you desire. It is a public service bureau. It charges nothing for whatever accommodation it may be able to render. Expert decorators and designers are in charge. They are assisted by a corps of experienced salespersons, who are at your command.
 —These salespeople know our stocks. They are competent to advise in whatever matter you have under consideration relating to the home's fittings. They will go through our furnishing departments with you and assemble for your approval such fittings as you may desire for the bedroom, dining room, den, library or other apartments in which you are interested.

—The opportunity to buy home furnishings at very low prices as is possible to obtain in a sale as conducted by this store must not be measured lightly. In soliciting your patronage we resort to none of the hackneyed, catch-penny methods of fictitious price comparisons. We combat such sales with merchandise of merit. We safeguard our reputation, bring to us a great many new customers, and renew the confidence of our old friends with each succeeding sale. We shall also use our best efforts toward making our sales the standard by which all other stores shall be measured.
