C. K. HOLSMAN, M. D.

I am just now completing my six teenth year as a specialist in men's diseases. During these years of close application to a single class of aliments I have originated and perfected scientific and certain methods by which these diseases are cured. If I accept your case for treatment, a ure is but a matter of a reasonabl

My practice is limited to the disor-ders of the male, and is further con-fined to these special and chronic affections of the pelvic tract. These include Lost Vitality, Varicose Veins, Hydrocele, Blood Disorders, Contracted Ailments and Bladder and Kidney Diseases. I have taken up these allments especially, because thou-sands of lives are ruined and thousands of lives are ruined and thou-sands of men are not what they should be because they are held down by chronic weakness, which the average practicing physician does not understand and usually tries to make light of by telling the patient that nature will soon repair

My methods are up to date, and are endorsed by the highest medical au-thorities of Europe and America, hence our success in the treatment CONSULTATION FREE.

If you cannot call, write for Symp-tom Blank. Many cases can be treat-ed at home. All correspondence corfidential. Hours—9 a. m. to 8 p. m. daily: 10 to 12 m. Sundays.
