### PUBLIC UTILITIES BILL WINS BY GOOD VOTE

The Malarkey public utilities bill has carried by a good vote. The majority in Multnomah county for the measure probably will reach 7500, according to the count already made, and it is carrying all the other counties from which reports have been received. In 148 precincts of Multnomah county, in which the counts are complete, the vote stands: For 14,210, against 8646.

### JOHN B. COFFEY IS NEXT COUNTY CLERK

In the exciting contests over offices in which the result has been in doubt, the vote for other offices has been last night of a great extent.

Among the offices in which the result has been certain almost from the counting of the first ballot, is that of county clerk of Multnomah county. John B. Coffey, Republican, has been elected to this office by a vote that now stands more than 2 to 1 over James B. Carr, Democrat. Coffey's vote from 137 precincts, complete, is 12,587 to 6174 for Carr.

Walter H. Evans has been elected district attorney by a tremendous majority. His vote now stands 16,736 to 8553 for John A. Jeffery.

### HIGHWAY BILLS GO DOWN TO DEFEAT

The harmony highway measures were just a little less unpopular than the grange bill. The vote in 148 Multnomah precincts is as follows: Grange bill—For, 7279; against, 16,396. Harmony bills—For, 8907; against, 12,349. The measures also lost heavily outside Multnomah.

### FATE OF MILLAGE TAX IS IN DOUBT

The university millage tax has probably carried Multnomah, and perhaps Hood River and one or two other counties, but has lost the state wide vote by a heavy majority. ### How to Brown Hair Without Detection

Mrs. Potter's Walnut-Tint Hair Stain Can Be Applied in a Few Minutes Every Month.

There is a way of staining gray, faded or bleached hair any shade desired, from a beautiful rich brown to almost black, so that it is difficult, if not impossible, for even experts to detect that the hair has been treated in any way.

This preparation has the tremendous advantage over hair dyes of containing no silver, sulphur, lead or other poisons which invariably cause hair-falling. It has no odor, no oil, no sediment and no grease, and does not rub off on the clothing. It makes the hair grow out fluffy and luxuriant.

A liberal amount as a laboratory trial package of this Walnut-Tint Hair Stain, together with a booklet on hair, is sent by Mrs. Potter's Hygienic Supply Co., 1769 Grotton Bldg., Cincinnati, Ohio, in plain, sealed wrapper, if you will send twenty-five cents in stamps or coin, and if it is desired to continue the treatment, full sized packages may be obtained at drug or department stores for one dollar a package.

It is applied in a few moments with the comb, and it stains the hair evenly from tip to root. It produces any shade desired, from a beautiful rich brown to almost black. One bottle of this Walnut-Tint Hair Stain can last a year.

### U'REN'S MEASURE CAUGHT IN LANDSLIDE

The People's Power amendment, a U'Ren measure, contemplating the abolishment and other important constitutional changes, lost by a wide margin. The vote in Multnomah county, which is indicative of the sentiment in practically all parts of the state, is as follows: Out of 24,458 votes on the measure counted, 14,387 are against and 8071 are in favor.

### Judicial Candidate Stricken.

(Special to The Journal.) Spokane, Wash., Nov. 7.—J. D. Hinkle, whose defeat for reelection as superior judge on a non-partisan ticket is almost certain, suffered an attack of heart failure shortly before noon, and is now at his home in a serious condition. He had been to court and was compelled to leave. Just before reaching his home he fell prostrate in the street. Hinkle made a hard fight for reelection against the opposition of the Civic League. He has been a superior court judge two years. He was formerly police court judge.
