Momentous---Thanksgiving Linen Sale!

MOST every woman knows that John S. Brown & Sons are makers of the finest Irish Linens that are to be found anywhere. Immediately recognized in any stock by the Shamrock ticket attached to each piece.

It has been the custom of John S. Brown & Sons at the end of each manufacturing season to discard certain patterns which they expect to replace with other designs the following year. We are the exclusive Portland agents for John S. Brown & Sons' entire line of finest Irish Linens. And are fortunate to receive at this time \$5000 worth of fine Linen Cloths and Napkins, in designs that they will not make next year.
