

POLITICIANS HAVE KNOTTY PROBLEM

Fight for Next Speaker of the House and President of Senate Looms.

Members of the legislature who are trying to figure out where they will land when the two houses are organized have found no answer to the question as to whether Dan J. Malarkey of Multnomah can become president of the senate and C. N. McArthur, also of Multnomah, at the same time seize the speaker's post.

While Malarkey and McArthur are supposed to have developed the most strength, there is a feeling that the country members will not permit both presiding officers to be chosen from Portland. The country members have the votes, but these votes are not well united, and the Portland candidates each have strong support from outside.

CLEARINGS GO TO HIGHEST MARK FOR MORE THAN YEAR

Bank clearings for the week ending at noon today reached the unusually high total of \$14,827,919.25, the highest figure reported for any like period in more than a year.

CANBY I. O. O. F. WILL ERECT \$15,000 TEMPLE

Aurora, Nov. 15.—The Canby Oddfellows lodge has issued \$15,000 in bonds to erect its new hall. The bonds are guaranteed to yield 6 per cent. They are backed by the entire earning capacity of the lodge as well as the building itself.

NEW CONTENDER FOR POTATO PRIZE APPEARS

While Asahel Smith of Canada, has brought 39 boxes of champion potatoes for ammunition in the international potato war of the Smiths that will occupy the center of the land products show stage next week, the Smiths of the United States—including C. L. Smith, the veteran agriculturist of the O. W. R. & N.—are to be reinforced by others of the northwest who have a genius for the growing of great tubers.

Samuel Griggs of Culver, has come to Portland with half a ton of potatoes, any one of which, he says, is a prize winner. Mr. Griggs is president of his community's non-irrigated products association and all its members have contributed toward the exhibit.

Heavy Weight On the Stomach

Stuart's Dyspepsia Tablets Remove It and All Other Forms of Indigestion Quickly.

That awful feeling as though there were a heavy weight on your stomach—as though you had swallowed an enormous lump of lead—is caused by the failure of your stomach to thoroughly digest your foods.

Stomach demands more pepsin, hydrochloric acid and other digestive agents which it is unable to secrete. Medicines are not only worthless in cases of this kind, but are actually injurious to the whole system.

CANBY I. O. O. F. WILL ERECT \$15,000 TEMPLE

Aurora, Nov. 15.—The Canby Oddfellows lodge has issued \$15,000 in bonds to erect its new hall. The bonds are guaranteed to yield 6 per cent. They are backed by the entire earning capacity of the lodge as well as the building itself.

Side Business Men's club will attend the dairy show at the Portland Union Stockyards, then go to the land show in a body that evening.

Tuesday evening the Transportation club and Realty Board will attend the show. The Ad club will go over Wednesday evening and on Thursday evening the Greater Portland Plans association, Progressive Business Men's and Rotary clubs. Several of the improvement clubs have voted to attend in a body.

Tilman Reuter, the Crook county dry farming expert, who won nearly all the prizes at the Lethbridge, Canada, exhibit, has arrived in Portland and is getting his exhibits of wonderful success in dry farming ready.

General Manager G. E. A. Bond of the land show, said this morning that entries in many classifications were coming in almost more rapidly than they could be taken care of, and workers are busily engaged in completing preparations of the building for the show.

Cottolene is 1/3 richer than butter

Cottolene is not for table use, but it is the best cooking fat for all shortening and frying. If you are using butter in your kitchen you are paying at least twice as much as necessary to secure the same results with Cottolene.

Another point of economy about Cottolene—use one-third less than you would of butter or lard.

Cottolene is a clean, pure product, and makes wholesome, healthful, digestible food, because it is a vegetable and not an animal fat.

Sparkling Burgundy

Cresta Blanca Sparkling Burgundy is a medal wine pronounced the choicest of its type. It adds zest to every repast. Made by hand of the choicest grapes of the famous Cresta Blanca vineyards in Livermore Valley, California, naturally fermented like the best foreign champagnes, smoothed and mellowed by age.

CRESTA BLANCA

Sparkling Burgundy is a wine that is without a peer in its appealing bouquet. Drink it at your home, at your club or in the restaurant. It is as superior in quality as the famous all-over-the-world medal winner Cresta Blanca Sauterne. It costs one-third the price of champagne.

What is my surprise to find preparations for and a certainty of one of the biggest and most important livestock exhibits ever held in the United States. And the provision for the care of the animals is as good as I ever saw.

Next Wednesday has been set aside for attendance at the dairy show by officials and club men. Governor Hay of Washington, and Governor West of Oregon, will be present. Louis W. Hill, chairman of the Great Northern board of directors, is expected to come from St. Paul.

Will Rewrite Bill. (United Press Special Wire.) London, Nov. 15.—At a cabinet meeting

after adjournment of the house, it is reported, it was decided by the administration to drop the motion for a reconsideration of the Banbury vote and to substitute a fresh clause in the home rule bill for the one then passed upon. This will take more time, but it is believed it will conform more closely to the speaker's idea of "president."
