

INFILDER GUILMI SIGNS WITH COLTS

College Star Who Held Off Last Year Comes Into Paddock.

Manager Nick Williams of the Portland Colts, is making strenuous efforts to strengthen up his Colts for the 1913 pennant race of the Northwestern league and the first hole that he plugged was that left vacant by the sale of Ward McDowell to the Cleveland club.

Guilmi, who was the star college infielder in California last year, was offered the most flattering contract that the Portland club ever handed out, but at the last moment he refused to sign. Nick also tacked on a bonus if Guilmi would secure the signature of a big pitcher named Luke Glavenich, to a contract, and guaranteed to carry both of them four months.

Guilmi and Glavenich wanted Nick to take two or three other players along from St. Mary's, but the big fellow demurred and dropped the whole thing, playing Eddie Menor at second. Glavenich was signed the other day by the Chicago White Sox, after Nick again bid his scouts approach the big hurler.

Nick was bewailing his luck yesterday. The blondie one believes that there is a jinx tracking him. Two years ago he had Justin Fitzgerald, the Coast league sensation, just about signed up to a contract, when an emissary of Hal Chase, then manager of the New York Americans, showed a \$4000 a month contract under his nose and, of course, Nick lost out. Fitzgerald is now with the Beavers, young Cunningham, whose sensational hitting, speed and fielding marked the close of the Coast league race, was also on the verge of signing up with Nick, when something interfered.

Drubot Boosts Fortier. Bill Fortier, the outfielder drafted by McCredie from the Salt Lake club of the Union association, hit .354 last season. Fortier led the league in two base hits by cracking out 42 doubles, and was tied for the number of home runs. The Salt Lake wonder made 12 four base hits.

Myers Gets Purchase Money. The latest bulletin of the National association is to the effect that First Baseman Myers of the Spokane club, has been awarded his claim of half the purchase price of his sale to the Boston Nationals. Portland was also allowed \$300 from Battle for player Mathes, who went to the Philadelphia Americans.

Resigns From Irvington Tennis. Ralph H. Mitchell, chairman of the Irvington club tennis committee, resigned from his position last Sunday. Mitchell was appointed early in the year to fill the vacant position by the resignation of J. B. Edgar. President Woodward of the club will not appoint a new chairman until the annual meeting, which will be held some time after the first of the year.

Nationals Defeat Crickets. The National team of the Portland Football association defeated the Crickets yesterday afternoon on the Columbus club field by the score of 8 goals to 1 goal. The game was not very interesting from the spectator's standpoint. The Nationals played content ball throughout the entire contest and did all the pressing.

ONLY ONE GRIDIRON TITLE IS UNSETTLED

Yale and Harvard Will Fight for Football Championship Next Saturday.

With the final gridiron games of the big eastern and western teams scheduled for next Saturday, the football season of 1912 will soon pass into history.

Only one championship game—the Yale-Harvard contest—remains to be played. By downing the husky Minnesota warriors Saturday, the undefeated Wisconsin team won the western championship. Only the Iowa team remains to be played by the Badgers, and the Hawkeyes have been easy victims for both Chicago and Minnesota.

The dope on the big game of the year favors Harvard. The best Yale could do with the Princeton Tigers Saturday was a 6 to 5 tie, while Harvard downed Princeton several weeks ago.

With the season practically over, the "big four" teams of the east rank as follows: Harvard, Yale, Princeton and Pennsylvania. In the west, the teams of the "big eight" rank in the following order: Wisconsin, Minnesota, Chicago, Illinois, Iowa, Purdue, Indiana and Northwest.

Chicago and Minnesota will fight it out for second place Saturday, while Purdue and Indiana will battle for seventh position.

Pennsylvania now has the graduate system of coaching, but is considering it professional, and it is reported is willing to pay at least \$10,000 per annum for the right man.

Oregon Agricultural college's clear cut defeat of Whitman at Corvallis Saturday, 29 to 3, and the University of Washington's victory over Oregon at Seattle, 30 to 14, definitely establish Washington as the champion football team of the northwest for the fifth successive year.

Washington plays Washington State Thanksgiving day, but even though defeated, which is most unlikely, the title would not be clouded.

Minor Football Games

Although the F. E. Watkins eleven outplayed the Mohawk team yesterday afternoon on the Peninsula field, it was defeated by the score of 9 to 7. A fumble by Newman on the ten yard line and Roche's recovery gave the Mohawks the first touchdown. The safety was made when Huelat picked up a punt behind his own goal line. Derbyshire scored the touchdown for the F. E. W. team. Derbyshire, Flackinger, Erdner, and Berovich starred for the F. E. W. team, and Crowe, Schoeller and Berg for the Mohawk team.

The Albina team continued its winning streak by defeating the Stephens team yesterday by the score of 41 to 0, the feature of the game was the run of F. Nelson, who sprinted the entire length of the field for a touchdown. Clark starred in the line plugging. In four games that they have played, Stephens has not scored, while the opposing teams have scored 157 points.

The South Portland and Lents teams of the A. & W. league, played a tie game on the Lents' grounds yesterday, the final score being 5 to 5. Both teams threatened to score many times in the second half.

The McLaughlin and East Portland teams tied in the game yesterday afternoon on the East Portland field.

The Brooklyn Athletic club team defeated the Sellwood eleven on the Sellwood grounds yesterday by the score of 10 to 0. A tackle by Lipky saved the game for the Brooklyn team. Zip also featured in the defensive playing of the Brooklyn team.

The Columbia Park Juniors defeated the Albina Juniors Sunday by the score of 6 to 0. For games with the Juniors, telephone Woodlawn 432.

The Vernon football team would like to arrange games with teams averaging 140 pounds. Call Woodlawn 1183, or Woodlawn 1166.

Knob Hill Team, Victors. The Knob Hill football eleven defeated the crack Columbia Park Juniors Saturday by the score of 6 to 0.

JACK GRANEY IS HERO OF ONTARIO RUNAWAY

Cleveland Outfielder Performs Daring Stunt and Rescues an Aged Couple.

John Gladstone Graney, who in summer covers left field for the Cleveland American league team and in winter toasts his shins at the family fireside, was the hero of a vicious runaway accident here, says a St. Thomas, Ont., paper.

Strolling along Talbot street, the town's principal thoroughfare, "Glad," as he is known in his home town, was startled to see a horse attached to a buggy in which sat a badly frightened man and woman racing down the sidewalk. With the same skill and presence of mind he exercises in catching fly balls on the diamond when the opposing team has a man on third and the score is a tie, Graney rushed in and grappled with the horse just as the buggy collided with a taxiab standing at the curb.

For a distance of 100 feet or more, during which time a couple of stray bulldogs barking added to the horse's fright, there was a great struggle for supremacy, but Graney came out victorious, stopping the horse just as the occupants, who proved to be Isaac Welter, farmer of Middlemarch, and his wife, were thrown out on the sidewalk. They escaped with the wrecked buggy with but few bruises and were profuse in thanks to Graney for saving them from serious injury and perhaps death.

SOLDIERS DEFEAT COLUMBUS TEAM

Hard Fought Game Is Marred by Fumbling on Both Sides.

The Columbus club football eleven went down to defeat yesterday before the Vancouver soldiers in a hard fought game by the score of 10 to 7. Many fumbles marred the game from the spectators' standpoint.

The line plunging of Cummings of the Columbus team, the tackling of Aleck Donaldson and the playing of Soldier Jackson featured the game. Donaldson starred in breaking through the soldiers' line and bringing about losses of five and six yards for the soldiers. Cummings intercepted two forward passes during the game, and broke up several others.

There was no score in the first half of the game. The Columbus club team tried a place kick but it failed. In the third period, five minutes after play opened, the soldiers scored a touchdown. Febeber returned the kick off to the middle of the field and end runs and line plays by Jackson, Drake, Febeber and Noyer put the ball on the three yard line. Columbus club was penalized for being offside and on the next play Jackson carried the ball over the line. Febeber kicked goal.

Drake Kicks Field Goal. In the fourth period, a drop kick by Drake from the 15 yard line gave the soldiers a ten point lead. The Columbus club team scored its touchdown in this period. O'Neill, who had been playing a great game, broke through the soldiers' line blocked a punt, and recovered it behind the soldiers' goal line, giving the club a touchdown. Campton kicked goal.

The Columbus club team worked the forward pass for many gains, Campton and Flynn starring in these plays. Besides the stars already mentioned, Febeber and Bumholts did some good playing for the soldiers, and Sherry, Campton and Munson, for the Columbus team.

WILLIE HOPPE LEADS IN BILLIARD TOURNEY

(United Press Leased Wire.) New York, Nov. 18.—One game in the lead, Willie Hoppe was picked by billiard enthusiasts here today to win the 18.3 balltime tournament which ends tomorrow night. Hoppe, however, has not yet played George Sutton or Ora Morningstar.

A peculiar feature of the tournament is that Koki Yamada, the Japanese expert, pulled Hoppe down in his standing by defeating him, and then boosted Hoppe by winning from Morningstar. A perfect dynamo that weighs but a quarter of an ounce has been made by a French electrician.

ST. JAMES ELEVEN TOO MUCH FOR HOLLADAY

Two Crack Teams Put Up a Great Game on Vancouver Field.

Vancouver, Wash., Nov. 18.—In one of the hardest fought games of the season the Holladay Maroons of Portland went down to defeat before the St. James club football team at the Tri-City grounds yesterday afternoon by a score of 13 to 9. The game was a great deal closer than the score would indicate, and from the time the first kickoff was made until the end of the first half neither team had any decided advantages over their opponents.

So stubborn and effective was the defense of both teams that but little open play was in evidence. Toward the end of the first period the St. James team worked to within a few yards of the goal line, but lost the ball on downs. The Maroons immediately kicked to the center of the field, and at no time thereafter in that or the next quarter were they in danger of being scored upon.

The St. James club opened the third quarter with a rush and gradually worked their opponents down the field. With less than five minutes to play, Clark was called and went over for a touchdown. The opening of the fourth period found the Maroons putting a much more stubborn defense and for a while it seemed as though the touchdown of the previous quarter would be the only score of the game. Toward the end of the period, however, the St. James club again worked within scoring distance and Woods finally crossed the line. With two minutes to play,

St. James kicked to the Maroons, who put up one last effort to score and advanced about 20 yards on line plays and one short forward pass, the only completed pass of the game. Time was called with the ball in possession of the Maroons in the center of the field. Although both sides put up a hard fight the playing of Duff and Ervin of the defense for the Maroons and the work of Richardson, Woods, Bishop, Clark and F. Bowman for the St. James club featured.

The lineup of the teams was as follows: St. James. Position. Holladay. J. Bowman.....R. E. L. Duff Richardson.....R. T. L. Munson Thompson.....R. G. L. Barr McDonald.....R. C. Kelly Laippte.....L. G. R. Nash O'Donnel.....L. H. R. Flynn Britt-Perrell.....L. E. R. Duffly Sutherland.....Q. Humphries Woods.....R. L. A. Everett-D'Ining F. Bowman.....L. H. R. Steel Bishop-F. Bowm.....F. Ervin
