Coal Manager Gets \$2000 Fine and Year in Jail Despite Fine Speech,

(United Press Leased Wire.) Tacoma, Wash., Nov. 19.—"There is in Seattle tonight an honest woman, a loving woman, who has been upon her knees all day weeping and praying that the stigma of a prisoner-husband should not be placed upon her babes—a stigma they would carry all their lives. This nan is hoping with an aching heart that she, her two babes and myself are not disgraced forever.

"I never profited one penny from any rales to the government. I never autherized anyone to approach a juror; furthermore I warned against it. "I would not make this plea for myself. A man is supposed to stand anysay is not for myself but for those whom I love and are dear to me."

Fowerful Plea Avails Not. With the foregoing dramatic speech the first he ever made in his life, Charles E. Houston, manager of the Pacific Coast Coal company of Seattle, tue largest concern of its kind in the north-west, convicted of defrauding the government of about \$50,000 by conspiracy to obtain contracts on collusive bids, faced Judge Cushman in the federal court last night for sentence, every resource of expert counsel having been vainly exhausted to save him from The ploture he drew brought cars to the eyes of the little band of stators and friends who accompan-

"It is the sentence of the court that you pay a fine of \$2000 and be imprisoned in the King county jail for one year," said Judge Cushman.

Bullock Gets Same Sentence. John H. Bullock of Portland and San Francisco, who was formerly president of the John J. Sesnon company, also nvioted of being in the conspiracy, roceived a like sentence. Ex-Senator S. H. Piles, for Houston, and J. J. Mc-Cafferty, for Bullock, each made a

strong plea for his client.

Nothing further has been done in the natter of the alleged jury bribing in the B. D. Townsend, government counsel, returns to Portland today and until he comes back it is not known whather the statements of Juror Milleon that he was to be paid money by O. Bates, attorney for Houston, for making affidavits to try to get the latter off without prison sentence, will be

further probed or not. Both prisoners will furnish \$4000 bail and appeal to the circuit court of ap-

## WRESTLING PROMOTERS SEEM TO BE SHY \$250

Is there any promoter in town who wants to take a chance with \$250? That's the amount that Eddie O'Connell demands for his end of any wrestling match he engages in, win or loss or draw. Several promoters have angled after the O'Connell-Buzukos match, but none has been willing to meet O'Connell's demand for a guarantee and the proposed match for November 21 is therefore off.

"Anybody who wants to stage a match n which I am one of the principals will have to come through with \$250 before I don my wrestling togs," said O'Connell. "I don't care how big the house is. I know what I want and I am going to have it. I have been unjustly accused several times of tampering with the tickets by disgruntled opponents, and I am going to fortify myself in the future.

"I don't care whether I wrestle again or not, but when I do, they will know how much I want. In case of big matches I shall also demand a side

And so the matter stands.
