### To See Lick Observatory.

Some will have opportunity to see Lick observatory and its mammoth telescope. Others will go to Paso Robles, or Santa Cruz, or Yosemite na tional park. There's no denying that the opportunity to view the terrible majesty of the grand canyon of Arisona will prove irresistible to a numbe of excursionists. Los Angeles, the city of the Flesta, with its ocean park and islands and boulevards, is strong among the attractions.

All this for Portland, the Rose Festival? Yes, and no. The Rosarians intend to leave everyone in California talking about the Rose Festival and the beauties of Oregon scenery. They intend to personally invite every one of the thousands of tourists they can meet to come this way and look up the unusual home opportunities. But they also intend to have a wonderfully good
