

COLUMBIA BEATS JEFFERSON TEAM

Philbin Plays Great Game and Defensive Work Shatters Opponents.

Columbia university students are training here. Philbin, their 225 pound center, today was praised by his teammates for several seasons ago. Philbin is a hero today, for it was his work that enabled Columbia university to score both its touchdowns and beat Jefferson, 12 to 2, yesterday on Multnomah field.

Besides playing his best offensive game of the season, the big center did better work on the defensive than in previous games. He is without a doubt one of the best centers that ever played in the interscholastic league.

Captain Malarky was another Columbia player whose work was splendid. Malarky played his best game of the season, and was fighting harder at the finish than at the start. Eight End Lake played a wonderful game, receiving two forward passes for 30 yards for his team. Gorecky and St. Marie both played good ball.

They Have New Team.

The Jefferson team was a changed one and lined up very strong, but lacked team work on account of not having enough practice. The new backfield, Williams, R. Lister, Stiemler and Irvine, was stronger than any Jefferson played this season. The line was not so strong as it might have been, on account of injuries.

Columbia's first touchdown was scored about three minutes after the start of the second half. Jefferson took possession of the ball on its 23 yard line, after Gorecky had falled at a place kick. On the first down, Jefferson was penalized 15 yards and Williams was forced to punt. His kick was blocked by Philbin, who broke through the line with ease. Lake recovered the ball and scored a touchdown. Gorecky falled at goal.

The second touchdown was scored just before the close of the half. Columbia put the ball in scrimmage on Jefferson's 10 yard line after an exchange of punts. Three downs netted Columbia the second score. St. Marie carrying the ball over the line. Philbin's work in making a hole was responsible for this score. Gorecky again falled at goal.

Safety Is Scored.

Jefferson's points were scored when Kennedy downed St. Marie behind the line, after an attempted place kick by Williams.

One of the features of the game was the tackling of R. Lister and Hendrickson. In the second half Coach Smith gave all his subs a chance to show their worth, and made many shifts in his lineup, which follows:

- Jefferson High, Columbia Univer.
- McMurray, R. L. R. Williams, O'Brien
- Earl, L. G. R. Bernard
- Knapp, R. T. R. Kelly
- Russell, R. T. R. Carroll
- Ma... R. E. R. Nixon
- Irvine, R. O. R. St. Marie
- R. Lister, R. H. L. Malarky
- Stiemler, R. F. B. Larsen
- Official Referee, Carl Wolff, head linesman.

As a result of the games played in the Multnomah-Columbia Club Bowling league last night the three leading teams are not one game from each other. The M. A. A. "D" team won another series of games, this time from the league leaders, and they are all primed to beat the "A" squad from the Columbia club next Monday night.

J. B. Edgar, the "D" lead-off man, broke the league record for high game with a 245 score, beating Bates' 228 game by 17 pins. Edgar had the fine average of 209 for the night, while Al Arens, on the Columbia club alleys, averaged 202, with 201 and 225 games.

The "D" team won their first game from the "C" bowlers by 28 pins, but lost the second by only two pins, principally by the good work of McCabe and Scharpf of the league leaders. Edgar made his big score in the last game, and won for the "D's."

At the Columbia club alleys the "A" quarter outlasted the "B" five in the first two games, but lost on last game, when Wolfelt finished with three strikes. Wolfelt made an excellent average for the cellar champions, 186, and is right up near the top in the league averages.

O'CONNELL DISPOSES OF ANOTHER GRAPPLER

(Special to The Journal.)

Pendleton, Or., Nov. 28.—Eddie O'Connell of Portland last night disposed of another claimant to the title of welterweight wrestling champion when he put the shoulders of Ernest Pincus of Carlisle, Pa., to the mat twice within an hour. The Portland grappler had the advantage of five pounds of weight, but showed himself much superior despite the fact that his opponent was tricky and aggressive.

The first fall was secured in 21 minutes and the second in 25, with double bar holds. After the battle Pincus, who has defeated nearly all of the best eastern welterweights, confessed to the audience that the ability of O'Connell was a surprise to him, but he offered to meet him again within a week if he would make 145. Ed Warner, 165, of La Grande, challenged the winner, posting \$250 that he could throw him twice within an hour.

LARGE CROWD TO WATCH AGGIES IN SOUTHLAND

(United Press Leased Wire.)

Los Angeles, Cal., Nov. 28.—Early ticket sales today forecasted the largest crowd of the season for the game between Occidental college and the Oregon Agricultural college this afternoon for the American football championship of the Pacific coast.

Occidental college was in excellent shape for the game, only one regular player, Fullback Dill, being out of the game. The Oregonians were handicapped by injuries to Fullback Evenden, Halfback Blackwell, Right Tackle May and the suspension by Coach Dolan of Quarterback Dewey.

Both teams averaged about 165 pounds, with Oregon slightly heavier on the lines. Occidental was a slight favorite with the bettors.

BENDER CONFIDENT OF STOPPING DOBIE'S MEN

(United Press Leased Wire.)

Seattle, Wash., Nov. 28.—By 10 o'clock this morning the crowd began to gather at Denny field, to be on hand when the Washington varsity and the Washington State college teams are sent away on the final and crucial game of the season at 1 o'clock.

If the University of Washington team either wins or ties today's game it will mean the championship of the northwest. In the event that the Pullman men are victorious, it will mean that Washington has lost the championship, for the first time in five successive years.

The two squads are evenly matched as to weight, and while a comparison of this season's past performances puts the varsity on the long end of the betting, Coach Bender is confident that his men, by use of their vulnerable point in the game with the Oregon varsity, will be able to put a crimp in Coach Dobie's winning streak.

Olympia Athlete Dies.

(United Press Leased Wire.)

Olympia, Wash., Nov. 28.—Lloyd O'Brien, 26, is dead here today, after a year's illness, which followed over-exertion in athletic events at the University of Washington. He entered the university in 1907, and throughout his stay took active part in athletics, playing on the varsity ball team, earning credits in track events and putting an arm in the varsity eight.

RIVERS' LOST CHANCE TO "COME BACK" TODAY

Los Angeles, Nov. 28.—Face to face with his final chance to rehabilitate himself as a lightweight championship contender, Mexican Joe Rivers was billed to battle 20 rounds with Joe Mandot in McCarey's Vernon arena this afternoon.

If Rivers wins there will remain the hope of a brighter pugilistic future, but another defeat at the hands of the French boy from Memphis will send him to the bottom of the heap as surely as his countryman, Aurelio Herrera, dropper from sight following his defeat by Battling Nelson.

Rivers claims to be trained to the best condition of his career. He has been carefully watched by his trainers, who feared a repetition of the alleged indiscretions that cut Joe's effectiveness squarely in two when he met Mandot here last Labor day. Joe paraded the downtown streets last night again, but his handlers declare that he merely was taking the air, and that he started homeward at 9 o'clock.

Mandot will not offer condition as an excuse if he loses. He was a sick boy when he met Rivers two months ago, but he declares he is "right" now.

TEN THOUSAND DOLLARS SAID TO BE LOCAL BETS

It is estimated that at least \$10,000 has been bet around the local sporting haunts on the Wolgast-Ritchie fight, with Ritchie backers a bit chary about taking any of the big bets.

One bettor had \$1000 to bet against \$500 that Ritchie wouldn't beat the champion this afternoon at Daly City, but none of the Ritchie adherents would take it in a lump. Several put up \$50 to \$100, and one man took \$100 of the bet, laying at the 2 to 1 rate.

Down south the odds have tightened from 2 to 1 to 10 to 5 and 10 to 6, according to the bets made yesterday by Tom Jones, manager of Wolgast.

Locally, the bettors believe that Ritchie has a better chance of staying 15 rounds with the champion and are laying their coin on that proposition, more money, it is said being bet at 10 to 7 and 8 on this than on the decision.

C. B. C. Team Wins.

The Christian Brothers college basketball quintet last night downed the Multnomah Intermediates by the score of 34 to 12. Captain Powers of the C. B. C. team was the star of the game.

In a preliminary game, the C. B. C. C. second team defeated the Gregory Athletic club team, 26 to 19.

The line-up of the first game was:
C. B. C. C. Powers, M. A. A. C. Gaynor, Powers, P. Clibben, Spamer O'Shea, G. Clibben, Towey, Berning, Sieberts, G. Verrick

CHICAGO TEAM MAY PLAY CHAMPIONS HERE

The Washington High School football team, champions of the interscholastic league for the season of 1912, may be seen in action again this season against the Wendell Phillips High school team of Chicago. If plans are carried through the game will be played the Saturday before or the Saturday following Christmas.

BOTH FIGHTERS IN CONFIDENT MOOD

Flood of Ritchie Money Makes Slight Change in Odds for Bout.

(United Press Leased Wire.)

San Francisco, Nov. 28.—Before the battle:
I will knock out Ritchie. It may take 12 rounds or longer, but he won't last the entire distance. Ritchie is fast and clever, but that's all—Ad Wolgast.
Wolgast is due for the surprise of his life. I will be lightweight champion of the world before night. Wolgast is a rugged fellow, but I can hit hard enough to stop him. My condition is perfect.—Willie Ritchie.

These were the statements forthcoming this morning from Ad Wolgast, lightweight champion, and Willie Ritchie, challenger, who meet at Daly City this afternoon in a 20 round battle. A flood of Ritchie money today caused a slight change in the odds. Wolgast now being 10 to 5 1/2 favorite.

With ideal weather, a record crowd was predicted when Referee Jim Griffin sends the two fighters on their way. The main event was scheduled to start promptly at 2 o'clock, preceded by a four round contest between Joe Lanum and Willie Hasen, and a six round bout between Ray Campbell and Louis Rees.

Ritchie in Perfect Shape.

After a hearty breakfast, Ritchie came to San Francisco from his training camp at San Rafael. He was smiling and confident, and if he felt any nervousness he didn't show it. Experts here said the San Francisco boy was in perfect condition.

They were not so sure about the champion. He indulged in only four days of real training, but his supporters said Ritchie was not strong enough to hurt Wolgast, and that the champion would wear him down with body blows, and then put over a sleep producer.

Ritchie said he put Mandot down several times and had him all but out when the gong sounded. He figured that he could put Wolgast to the floor just as easily.

Wolgast remained at his quarters at the Seal/Rock house until late in the morning.

CLEVELAND MAY GET TWO FOR PORTLAND

Manager Walter McCredie of the Portland Coastiers received a telegram from Cleveland last night stating that the Naps had just about procured waivers on a first baseman and pitcher for the 1913 Beavers. Manager Mac stated that the names of the two would probably be ready for publication in a day or so.

OLD COASTERS HIT WELL IN EASTERN

Fournier Hit Over .300, While Ole Johnson Clouted Only .262.

The Toronto team, winners of the International league pennant, captured the team batting honors for the season with the average of .393. The Baltimore team finished in second place with the average of .289.

Outfielder Murphy of the Baltimore team captured the individual batting honors with the average of .361. Murphy played in 122 games and made 184 hits in 510 times at bat.

Among the old Pacific Coast league players, Fred Beck, the former San Franciscan with Buffalo, batted .315. Schirm, also of the Buffalo club, and who will be an Oaklander next year, batted .313 in 194 games.

Jack Fournier, the ex-Portlander, batted .309 in 60 games for Montreal. Cy Seymour, another player, who is coming to the Los Angeles, hit .306 in 124 games for Newark. A fair average for the former veteran slugger of the National league.

From Madden Hit .296.

Tommy Madden, the 1908 Portland catcher, batted .296 in 27 games for Montreal. Arthur Eues, of the Seattle club, leading hitter of the Northwestern league in 1911, with an average around

.250, found the going harder with Buffalo, batting .283 in 154 games. Trueday, who used to play with Oakland, batted .271 for Buffalo in 153 games. He was the leading run getter of the league, crossing the plate 129 times in 152 games.

Ole Johnson, the home run hitter of the Portland 1909 team, only batted .264 for Rochester in 153 games. Dick Breen, another Portlander, batted .262 in 145 games for Jersey City. In 62 games Larry Schaffly, an old time Portlander, batted .263 for the same club. Jakey Aiz, now of Providence, but a few years ago a Portland star, batted .261 in 155 games. Hank Perry, a former Sacramento player, batted .256 in 66 games for Providence.

Rube Vickers, of Baltimore, an old Northwestern league star, batted .236 in 43 games. Charley Street, who went from Washington to New York and then to the minors, in a few weeks batted .227 in 23 games for Providence. Munsell, who closed the season with Sacramento, batted .190 in 14 games with Buffalo.

FOGEL EXPELLED BY NATIONAL LEAGUE

New York, Nov. 28.—Horace Fogel, president of the Philadelphia club, was expelled from the National league yesterday by the other magnates, for unsustained charges that the league championship race was crooked. This action was embodied in a resolution, which said:

"Horace Fogel is hereby forever excluded from further participation in the councils of this league either as the representative of the Philadelphia team or any other club."

Fogel threatens to take the matter into the courts.

CARLISLE INDIANS SWAMP BROWN ELEVEN

Providence, R. I., Nov. 28.—Carlisle, 35, Brown, 6, was the final score here today.

Thorpe and Goesbach of Carlisle each scored a touchdown in the second period, but failed to kick goals. In the third period Thorpe gained another touchdown and followed it with a goal. In the last period Wheelock made two touchdowns but missed one goal.
