Give *Him* a Gillette for Christmas

HERE are ten styles of Gillette Safety Razors. Ask your dealer to show them to you—see his *Holiday display*.

Your Gillette gift can be just as important as you choose to make it. You can get Gillette Safety Razors silver-plated, gold-plated, gun metal finish, sterling silver and solid 22K gold: in cases of leather and metal: with and without toilet articles—at prices from \$5 to \$50.

The Gillette is just the kind of thing a man will understand and like to use. Our experience teaches that however he shaves now he will eventually come to the Gillette.

If he already has a Gillette, he will welcome one of these—a different pattern: a Combination or Travelers' set, or Pocket edition.

We believe that every man will use the Gillette

when he knows what it will do for him—how much easier he can shave with it.

He can shave at home in three minutes instead of wasting time at the barber shop. He will save many dollars in the cost of shaves and tips.

Look for the Holiday assortments of Gillettes displayed in the stores.

For small gifts—a Packet of Gillette Blades, at 50c. or \$1. is very acceptable.
