

# Social and Personal

**T**ODAY is the last day of the winter season. Like children running from a bogie man the society people have flown south. To southern California, to New Orleans, to Panama and so on and on they go. There are but few left to keep the vigil of the 40 days of sack cloth and ashes.

**PARSONS NOW ON TRAIL OF SURETY COMPANIES**  
(Salem Bureau of The Journal.)  
Salem, Or., Feb. 4.—Representative Parsons introduced a bill in the house yesterday which provides that all surety companies must deposit with the state insurance department \$50,000 in interest paying bonds or first mortgages on Oregon real estate, or, in lieu of this, they must invest \$100,000 in Oregon real estate upon the approval of the state treasurer, before they will be entitled to a license to transact business in this state.

A provision similar to this was in the original draft of the proposed insurance code introduced in the senate by Hollis, but because of strong opposition of the surety companies it was stricken out.

**DISTRICT ATTORNEY FOR EACH COUNTY SUGGESTED**  
(Salem Bureau of The Journal.)  
Salem, Or., Feb. 4.—District attorneys will be replaced by county attorneys if the bill introduced yesterday by Representative Hill becomes a law. The bill provides that county attorneys shall be elected at the general election in 1914 for all counties where the term of the present district attorney expires, and thereafter in every county every two years.

## Music Lovers Await Nordica's Coming

The enthusiasm with which Mrs. Lillian Nordica will be welcomed tomorrow night at the Helig theatre, bids fair to eclipse anything in local musical annals. Nordica is without question the most versatile singer on the stage today. Admittedly the greatest Wagnerian singer in the world, she is a shining example that one can sing Wagner without impairing the voice, for Nordica is now considered to be doing the finest work of her whole career.

The program for tomorrow night is a most generous one and all the numbers have been carefully selected to display the glory of the singer's marvelous voice and her consummate art. Ellen Nordica's aria from "Tannhauser," as sung by Nordica, is something to look forward to. The program will also include German, French, Italian and many English songs, and of course, the "Erlking" of which Nordica's rendition is said to be as near dramatic truth as human genius can make it.

Upton's bill authorizing special grand juries, and the bill introduced in the senate today by Senator Caminetti, it is provided that \$50,000 be appropriated to place statues of John C. Fremont and George Hearst, both former United States senators, in the Hall of Fame at Washington.

**Shepard and Bride Sail.**  
New York, Feb. 4.—Springing a surprise on their friends and the public at large, Finley J. Shepard and his bride, who was Miss Helen Gould, sailed today for Europe on the Kronprinzessin Cecilie.

**WANTS NICHE IN HALL OF FAME FOR HEARST**

**Lungs Were Affected Now in Good Health**  
It is beyond human power to perform miracles. The makers of Eckman's Alternative, a remedy for Consumption, do not claim that it will restore every one to perfect health, but so many have voluntarily testified it saved their lives, that all who have this dread disease should investigate and try it. It should stand the night ordeal, reduce fever, promote appetite and in very many cases prolong life. Read what it accomplished in this case:

Catherine Ave. and Annot Place.  
Queen's Court, L. T.  
"Gentlemen: In the year 1906 I was taken with a heavy cold and a nasty cough and went to several doctors, including a specialist. Their medicines failed, then went to the Catholic hospital, but the cough still kept up. I stayed there a year and then went on a farm near Jersey City, a very sick man. My brother-in-law recommended Eckman's Alternative to me very highly. At first I would not consent to use it, owing to the fact that I had taken so many medicines without benefit. I decided in any way, but finally I consented. It is now nearly two years since I first took it. I am now cured and I dare say that I would have been buried long ago if it had not been for Eckman's Alternative. I wish to thank you for the Godsend to me. Whenever I go I highly recommend the Alternative, as I owe my life to it."  
(Sworn Affidavit.)  
JOS. J. TROESCHER.  
Eckman's Alternative is effective in Bronchitis, Asthma, Hay Fever, Throat and Lung Troubles and in upbuilding the system. Does not contain opiates or habit forming drugs. For sale by The Owl Drug Co., and other leading druggists. Ask for booklet telling of recoveries and write to Eckman Laboratory, Philadelphia, Pa., for additional evidence.
