

### COUNTY PAY ROLL GIVEN AN INCREASE

Commissioners Add \$650 a Month in Salaries and New Deputies.

Through orders authorizing the appointment of additional county employees and salary elevations, the county commissioners added \$650 per month to the county payroll at their meeting yesterday.

District Attorney Evans was given authority to appoint a special agent at a salary of \$125 per month; two additional stenographers at \$75 monthly, and one record clerk at \$60. Sheriff Tom Word was given authority to add two extra deputy sheriffs at a salary of \$100 per month each, their appointments to expire in 90 days.

H. P. Hunter was appointed temporarily as deputy constable on the request of Constable Andy Weinberger, who said there was too much work in the office for the present force. Mr. Hunter's salary was placed at \$90 per month.

Harry Bulger, special deputy attached to the county judge's office, had his salary raised from \$100 to \$115, and the salary of Mrs. D. D. Jackson, matron at the Multnomah county farm, was raised from \$40 to \$50 monthly.

All of these orders become effective from February 1.

In addition, Leo H. Truesdale was appointed the county's motorcycle policeman, at a salary of \$75 per month, the order taking effect January 1.

A letter was received from the secretary of the Multnomah County Fair association at Gresham, asking the commissioners to name a time when it would be convenient for them to meet with the association officials for the purpose of deciding upon what appropriation can be made for this year's fair.

Judge Robert G. Morrow made a written request for a room in the courthouse to be given over to the use of the court reporter of department No. 2, over which Morrow presides.

The commissioners have addressed a letter to District Attorney Evans advising him that there is \$17,911.76 due the county from former County Clerk Fields. The commissioners informed the district attorney that the county court desired him to take whatever action he believes best to protect the county's interest.

The commissioners likewise addressed a letter to Mr. Fields requesting him to pay over the sum due the county immediately. The money in question was

### OLD ASHLAND NORMAL RAISES ITS HEAD AGAIN

Salem, Or., Feb. 4.—Senator Von der Hellen introduced the Ashland Normal bill in the senate this morning.

(Salem Bureau of The Journal.)

Salem, Or., Feb. 4.—The ghost of the old Normal school fight bobbed up in the house of representatives yesterday when the Jackson county delegation introduced a bill providing for a tax levy of one-fourth of a mill on the taxable property of the state for the support and maintenance of the old Southern Oregon State Normal at Ashland. The bill carries the referendum clause.

For four years now, since the memorable session when the legislature failed to make any appropriations for the support of the three normal schools of the state, the Ashland Normal buildings have stood as specters of bygone days.

The third Normal, located at Weston, has given up the ghost for good. Representative Hinkie of the Umatilla county delegation has introduced a bill providing for conveyance of the old buildings and grounds to the Weston school district.

Representative Mann of that delegation said today he did not want to make any effort to reestablish the Weston Normal as the old fight remained too fresh in the memories of his constituents.

### COUNTY OF SIUSLAW IS GENTLY LAID AWAY

Salem, Or., Feb. 4.—The star of hope of the would-be county of Siuslaw set yesterday afternoon when H. B. 182 was indefinitely postponed. This bill, introduced by Parsons by request, proposed to create a new county out of the western portion of Lane and Douglas counties.

H. B. 176, by Hall, to prevent the storing of dynamite and nitro-glycerine near unincorporated towns, was also indefinitely postponed.

### GET FIRST HAND AT INSTITUTION NEEDS

(Staff Correspondence.)

Salem, Or., Feb. 4.—Members of the ways and means committee of the senate have decided to make a tour of the state institutions at Salem and try to determine for themselves the extent of their money needs. Chairman T. L. Perkins and most of the members of the committee left the state house at noon for their first trip, the first place on

their visiting list being the state asylum for the insane.

The house committee on ways and means is gradually working its appropriation bills into shape. These bills will be introduced in the house, and the senate committee wishes to be ready to act promptly when the measures come over to the senate.

The superintendents of the various institutions will be asked to explain why each sum is asked, while the members are on the ground and able to take a look for themselves at the condition of buildings and equipment.

A sentence of six months' imprisonment was imposed at Madrid on a Spanish Protestant soldier for refusing to kneel at mass.
