A Linen Bargain Feast Tablecloths—Half Price

—These table cloths are made from the highest grade of
Irish double damask, all grass bleached. These half
prices are made possible through the fact that they are
odd cloths in odd sizes and without napkins to match.
—As every housekeeper knows, real bargains in abso-
lutely pure linens are, perhaps, the scarcest things to find
when shopping. The prices of linens have been going con-
stantly upwards, and an opportunity such as this should
attract all housekeepers; but, of course, the offerings in
this sale are limited in quantity.

—While the quantity is limited, the variety of artistic
patterns is varied, and each cloth is bordered on four sides
to match the center pattern.

Remarkable Sale of Manufacturers' Sample Blankets Slightly Imperfect—Hence the Deep Reductions

—You'll appreciate what a rare opportunity this is when you see the excellent quality of
these wool blankets, as the slight imperfection in the weaving or a spot from handling is so
slight as to be barely noticeable. On many there is a rough selvedge, or a slight miss-weave,
and a few have oil spots, but they do not in any way detract from their quality.

—There are just 300 pairs in the lot, all of pure white wool.

\$3.50 Wool Blankets, Special \$1.98

\$4.50 and \$5.00 Wool Blankets, Special \$2.95 Pair

Some Slightly Soiled Blankets Also Greatly Reduced

Special \$4.95, \$5.85, \$6.75, \$7.45 and \$8.95 Pair

—These blankets have been taken from our regular stock and are slightly soiled from han-
dling and displaying. They are of excellent quality white wool, and in no way imperfect,
excepting from a slight soil spot or muddled up.
