SHAPE FOR MURPHY GO

Mauls With Ace Clement to Delectation of Fans in Police Gymnasium.

"My first workout convinces me that I am going to be in wonderful shape when I meet Tommy Murphy February 72, at San Francisco," sald Ad Wolgast this morning. "I had the best sleep of my life last night, and I'm cager to get down to hard work with some sparring partners. I am going to stop Murphy inside of 20 rounds just as surely as we ever crawl between the The little over

little ex-champion entertained about 300 fight fans at the Policemen's gym yesterday afternoon for three-quar-ters of an hour. Ad began with bag punching, limbered up his legs with a little shadow boxing and then took on Ace Clement, the former lightheavyweight of Tom Tracey's old boxing school who now wears the blue cloth and brass buttons of Chief Slover's The lightweight tore into Ace as if he had his old title in front of him, and they had a few rounds of as lively gymnasium mixing as the local fans have seen in some little time, Wol sast and Clement mauled each other like a couple of Bengals and they let cose quite a few punches that had sting written into them in capital letters. Wolgast was undecided this morning whether he would do any boxing this afternoon. He doesn't want to go at it he could go ten rounds at high speed by the end of the week. The little battler's wind is well nigh perfect. His road work with Trainer Jack King has seed work too hard right at the start, although he his lungs to their full capacity. King pronounces him in as fine condition at this early preliminary stage as he has ever seen a man, and the local handler en quite a few in his time.

Wolgast says he has received no fresh telegrams from Manager "Cherokee " Jones, who is scheduled to arrive tonight at 7:45 o'clock. After their conerence at the Imperial hotel it will be definitely known whether they are to assome their present relations of boxer and manager, or whether the boxer will go it alone in his effort to regain the rown removed from his dome by Willie Ritchia Thanksgiving day at Daly City. There is one thing pretty certain about Wolgast's stay in Portland and that is The town is pretty much daffy over the pugilist. It is pretty safe to predict that when he meets Murphy there will be a pretty fair sprinkling of Rose City mitt fans in the crowd in Coffroth's arens.
