

WOLGAST AND JONES MAKE IT UP-RAPPS TO PEKA

CHEROKEE TOM AND WILDCAT AD BROUGHT AROUND BY COFFROTH

Fight With Murphy Will Be at 133 Pounds Ringside and Griffin as Referee.

(United Press Leased Wire.) San Francisco, Cal., Feb. 15.—Ad Wolgast, former lightweight champion, and Harlem Tommy Murphy will meet here Wednesday night for 20 rounds at 133 pounds ringside. Jim Griffin will be the referee. This was agreed on here yesterday afternoon when, to the amazement of the fight fans here, Wolgast and Tom Jones became reconciled and Jones agreed to handle the championship for the Murphy fight. It is now expected that their business relations will continue indefinitely.

The Wolgast-Jones reconciliation was brought about by Jim Coffroth at a conference in the afternoon between the promoter, Jim Buckley, manager for Murphy, and Wolgast. The trio met to discuss the weight and referee questions. In the course of the conference Coffroth mentioned Jones' name.

Coffroth Compliments Jones. "I don't know what your troubles with Jones are," said Coffroth, addressing Wolgast, "but when I say that he is one of the hardest men in the game to do business with, I am paying him a compliment from your standpoint. By that I mean that a manager who makes it hard for a promoter to do business with is a good manager."

At Wolgast's suggestion Jones was called into the room and was informed by the ex-champion that he thought they could get along together as of old, and the conference was resumed. Jones taking an active part as though there had not been the slightest breach between him and the ex-champion.

When the quartet got down to the weight question, Wolgast immediately suggested 133 ringside. Buckley said he preferred to weigh in earlier and was backed by Coffroth. Wolgast insisted upon ringside weighing and Buckley finally acquiesced.

"Who is your choice for referee?" asked Coffroth, addressing Wolgast.

Wolgast Acquiesces. "Griffin will do for me," said Wolgast.

"Well, that is very graceful of you," said Coffroth, "after all that has been said of the weight decision in the Hittite fight."

"But I understand Griffin is sore at me," broke in Jones. "I heard in Chicago that he said he intended to punch me on the nose the first time he sees me."

"That's all both," said Coffroth. "I'll bet you a bottle of wine that when Griffin sees you he will shake 1. and with you."

"That seemed to satisfy Jones, and he accepted Griffin as referee, as did Buckley.

The conference then broke up and Wolgast motored at once to Seal Rock house, where he began training.

When Wolgast, who had been away from Portland yesterday, arrived between them apparently was beyond healing. Both went different ways after arriving at the ferry, and Jones announced that he intended to go to Los Angeles last night.

INDIAN ATHLETE TO WED UMATILLA BELLE

Emil H. Hauser.

(Special to The Journal.) Pendleton, Or., Feb. 15.—Commencing when both were students at Carlisle, an Indian romance in which Emil H. Hauser, prominent athlete, and Dollie Stone, principal, will have its culmination at the agency on the Umatilla reservation tomorrow when Rev. J. G. Dickson, pastor of the Tutuilla church and a former classmate of Hauser, will pronounce the words that make them husband and wife.

Hauser, whose Carlisle was one of the campus idols because of his prowess on the football field and among his many admirers was one of the prettiest of the dusky belles in the institution. When Dollie was graduated from the domestic science course she secured a position as cook at the local agency. That was two years ago and last year Hauser followed her west. Last fall he entered the Oregon Agricultural college and was the mainstay of the football team of that school until he was declared ineligible to play because of his participation in professional baseball.

He left school and secured a position on the government on the Siletz reservation. He has paid several visits to his sweetheart as a consequence of which he gains a cook while the agency loses one.

Both Hauser and his bride-to-be are only quarter-blood Indians.

YATES IS COMMODORE BY THREE VOTE MARGIN

Independent Ticket Elects Majority of Directors of Oregon Yacht Club.

By a margin of three votes, Dr. Jack M. Yates of the regular ticket was elected commodore of the Oregon Yacht club last evening over T. J. Mendonah. The balloting was the closest ever held.

Sholin, independent, fleet captain; J. J. McCarthy and F. P. Young, regulars, directors for two years; R. B. Bain, independent, director for one year, and Max Meyer, D. Irwin and H. Hartman, independents, race committee. Max Meyer will probably be elected chairman. T. J. Mendonah was elected chairman of the entertainment committee, but resigned. S. Hazellett was named measurer of the club boats.

RALPH ROSE FRACTURES 24 POUND SHOT RECORD

(United Press Leased Wire.) San Francisco, Feb. 15.—One world and three coast records were broken last night in the indoor athletic meet featuring the Olympic, Eastime and other athletic clubs. Ralph Rose, the Healdsburg, Cal., beamer, fractured the 24-pound shotput record, long up by Pat McDonald, of New York, with a throw of 39 feet, one-fourth inch. It is expected today that Rose will also break McDonald's record for the 18-pound shot the next time he appears. George Horne, Stanford university high jumper, cleared 33 feet 6 1/2 inches in the three standing jumps, and Bobby Wright, of St. Mary's college, Oakland, Cal., negotiated 1000 yards in 2:20. These showings shattered prevailing coast records.

RAPPS RELEASED TO TOPEKA AND LAST OF MCCREDIE LIST GONE

Manager Dale Gear Finally Lands First Baseman From Portland for Cash.

Something over a month ago, The Journal announced that Manager Dale Gear of the Topeka club of the Western league was the most likely man to land "Roaring Bill" Rapps, and yesterday afternoon the deal was consummated for a small cash consideration by the McCredies, as announced in last evening's edition.

The disposition of Rapps cleans up McCredie's long list of players set aside immediately after the season closed for sale or trade. Rapps was drafted by Portland in the fall of 1909 from the Oklahoma City club of the old Texas league. He and Gear are old friends, and Rapps has been pretty well placed. However, instead of being able to get in a full seven months' season, the Ozark brawler will work a "little less than five months a season, at considerably less salary.

It is quite a comedown for Rapps, who sneaked at a \$25 a month raise last year, and refused to give the Portland club his best services, which, at the highest rating, were only mediocre. Rapps, hitting .279, thought he was the greatest ball player in the world, and the county fair comedy he pulled around first base kidded a lot of the fans into believing the same thing.

Gear, who used to play with Washington, and McCredie are good friends, and that is one of the reasons why Rapps was sent to the class A club. "Rapps is not a puller," said Gear, "or he will be looking for a job somewhere else."

FERNLEY'S SHOOTING BEATS LINCOLN TEAM

Greatest High School Game of Recent Years Results in Victory for East Siders.

The sensational throwing and shooting of Forward Fernley enabled the Washington High School quintet to overcome Lincoln's four point lead and finally defeat Borleske's players in one of the hardest fought games ever played in the interscholastic league, 24 to 20. The contest was played on the Y. M. C. A. floor and the largest crowd that ever attended a basketball game there witnessed the struggle.

The Lincoln team, outweighed by several pounds, showed great teamwork in the first half, but was outwitted in the second period and allowed the east side boys to gain an upper hand in the race for the high school championship. The Cardinal players fouled 27 times during the contest, while the victors were charged with but 15 fouls.

The Lincoln team scored the first points, when Lewis threw two baskets after fouls. Washington, however, soon tied this and took the lead, when Foster scored a basket from the field. Lincoln tied when Cudlipp made a sensational basket from the side lines and soon passed into the lead not to be headed until after the start of the second half. Lincoln scored 3 field goals and but 3 out of 15 fouls.

In the second half, Washington scored two field goals, which tied the score and later passed into the lead. Lincoln, however, managed to tie when the score was 18, but Washington took another spurt and held the top until the end. In the second period, Fernley scored 10 points.

Knouff played a great game at guard and did not allow Lewis to score a single field basket. Cudlipp and Gare both played great ball for the Cardinals. Foster's experience gave him a little edge on Dudley of the Lincoln five.

The line-up: Washington Position Lincoln Fernley (13) forward Lewis (9) Jewell (2) forward Cudlipp (4) Foster (2) center Dudley (2) Martin (2) center Gage (4) Knouff (4) guard Clarin (4) Officials—A. M. Grille, referee; Chas. Mackie, umpire; P. W. Lee and H. T. Smith, timers and G. Bertz, scorer.

EVERS "CALLS" CHANCE AND TINKER FOR TALK

(United Press Leased Wire.) Chicago, Feb. 15.—A statement was issued here this afternoon by Manager Johnny Evers of the Chicago Cubs, in which he charges his predecessor, Frank Chance, now manager of the New York Americans, with "picking on him," and Joe Tinker, also a former Cub, now manager of the Cincinnati Nationals, with "lampiring with Cub players." Evers also objected to Chance saying that Tinker is a better ball player than Evers.

"I don't know whether Chance is jealous of my getting his job as leader of the Cubs," Evers said, "but from the remarks he is dropping, I am forced to think so."

M'FARLAND AND WHITE GO FAST 4 ROUND DRAW

House Wanted to Roughhouse Referee Foley for Raw Decision Against Flynn.

(United Press Leased Wire.) San Francisco, Feb. 15.—Although both boys worked for a quick knockout, the four round battle between Tommy McFarland, the San Francisco lightweight, and Herb White, of Stockton, Cal., went to a draw. There is talk of rematching the boys today, as they put up the best scrap yet seen at the pavilion.

The house wanted to manhandle Referee Harry Foley, when he called the contest between "Porky" Flynn, the Boston heavy, and Charley Horn of San Francisco, a draw. Flynn found Horn such a weakling in his hands that he mercifully withheld the knockout punch, and even encouraged Horn to hit him occasionally.

Jack Fitzgerald and K. Solomon slugged each other so hard that it looked as though they would both drop a minute before the final bell, and the bout was stopped and declared a draw. Tom Nickola and Jack Herrick drew. George Hall knocked out Young Meahan; Bubbles Robinson knocked out Kid Morray; Johnny Speer knocked out Kid Fraser; and Sallor Robinson knocked out Pete Hlake.

Briton Would Box in Los Angeles.

(United Press Leased Wire.) Los Angeles, Cal., Feb. 15.—Fistic Promoter T. J. McCarey received today a letter from Jim Maloney, manager of Bombardier Wells, the English heavy, asking for a Los Angeles date. Maloney says his charge is willing to meet anyone in the heavyweight class, regardless of color. McCarey intimated that he would be willing to match Wells for a July 4 bout with Luther Morris, or some other good heavyweight, and wrote Maloney to this effect.

Tom O'Rourke Awarded \$250.

(United Press Leased Wire.) London, Feb. 15.—Tom O'Rourke, New York fight promoter, was today awarded 50 pounds damages in a libel suit he brought against Boxing, a sporting journal, which alleged he had "framed" fights, notably one contest between Jim Corbett and Tom Sharkey.

Smith-Lester Fight Off.

(United Press Leased Wire.) San Francisco, Feb. 15.—Because Gunboat Smith has been matched to step 10 rounds with Bombardier Wells, the Madison Square club, March 17, the bout between Smith and Jack Lester, scheduled for February 23, in this city, has been called off.

Smith, with his manager, Jim Buckley, will leave in a few days for the metropolis. Jim Griffin, who was to handle the Smith-Lester affair, will probably match Lester with "Porky" Flynn, the Boston heavy, for a 10-round go. McCarty wanted \$10,000 and a privilege of 40 per cent of the gate receipts.

BUD ANDERSON MAY GET WOLGAST FOR GO

Promoter McCarey Will Not Spend Too Much Time Waiting for Mandot.

(United Press Leased Wire.) Los Angeles, Cal., Feb. 15.—Unless Joe Mandot replies quickly to Promoter McCarey's offer for a 30-round bout here March 8 with Bud Anderson, McCarey will seek another opponent for the Vancouver wonder.

One of two possibilities McCarey has under consideration as an opponent for Anderson is Ad Wolgast. It is certain that if the Cadillac Dutehman defeats Harlem Tommy Murphy at San Francisco February 23, he will be offered a match here, and unless Dumb Dan Morgan, manager for Knockout Brown, can win McCarey's favor, he probably will be offered Mandot's job.

Morgan, confident that Brown will be Joe Rivers here February 22, demands that Wolgast be saved for his boy.

THORPE MAKES LAST CALL AS AN AMATEUR TONIGHT

(United Press Leased Wire.) Boston, Mass., Feb. 15.—Jim Thorpe, deposed amateur Indian athlete, will make his last appearance as an all-around champion tonight. Thorpe will appear in the Mechanic's building in the 40-yard dash, 45-yard high hurdles, running high jump, 15-pound shotput and 440-yard run. He will be opposed by a number of professional athletes of prominence.

PUZZLED HOUSE HAS LONG WRANGLE ABOUT PRESENT LEGISLATURE

(Continued From Page One.) Olson of Multnomah replied with a warm defense of the legislature. "If there were a little less readiness to criticize the legislature and a greater disposition by the press and others to give it credit for what it really accomplishes, we would be better all around," he said. "You do not play fair with the legislature."

The Much Abused Solon.

"We get no credit but only reviling for coming up here at personal sacrifice and working, often until 2 o'clock into the night, to make what we honestly believe to be good laws. We are honest men. You must give us credit for that. Surely there should be a little charity for our good deeds. We should not be crucified and condemned just because we are legislators."

"If you go ask the people to raise your salaries, your whole amendment will be buried so deeply that it will never be resurrected from its grave," said Blanchard. "You don't deserve it."

"If we would do more working and less talking we could get through in 40 days," put in Belland. "I think if the people had their way, they would abolish us altogether."

"Apologia" of the Speaker.

"We are criticized for devoting too much time to unimportant measures," said McArthur, "but it must not be forgotten that this legislature is here to consider all measures, important and unimportant. It is a physical impossibility for us to handle these measures in 40 days. We must remember that counties have no law making bodies, and we are called to pass many apparently unimportant things that yet are of very great importance to some particular community."

The Vote on the Resolution Stood:

Ayes—Abbott, Anderson of Clatsop, Anderson of Wasco, Appleton, Barton, Carlin, Carpenter, Chapman, Child, Forbes, Forstrom, Gill, Graves, Hall, Heltine, Hinkle, Homan, Johnson, Hughes, Latourette, Laughlin, Lawrence, Leavelle, Lofgren, Massey, Mann, McDonald, Meek, Mitchell, Murray, Nolta, Olson, Parsons, Potter, Schmoerl, Schabel, Smith, Spencer, Stanfield, Stranahan, Thoms, Weeks, Westerlund, MacArthur.

Noes—Belland, Blanchard, Hagood, Hill, Hurd, Nichols, Peirce and Upton.

WILL PLANT ROSES ON FEBRUARY 22

By the planting of roses at Sunnyside and Rose City parks Washington's birthday will be celebrated February 22.

Dr. Emmett Drake, who has charge of preparations, made announcement of the program yesterday.

The automobiles bearing the functionaries of the day will leave the city hall at 1:20 o'clock. The first stop will be at Sunnyside park, where the Caroline Testout roses presented to the city by the Rose society will be planted with appropriate ceremonies.

Meanwhile, DeCaprio's band will have assembled at the Rose City Park club house, and will entertain the people with music until the speakers come.

Twelve diminutive boys and girls will here plant the roses. Dr. Drake will preside. Acting Mayor George L. Baker will respond for the city. Former Governor T. T. Gear will speak for the members of Rose City Park club, and the people of the district. Addresses will be made by J. A. Curry, president of the Rose society, and by E. T. Mische, president of the Floral society.

This will be the fifth annual rose planting day observed in Portland. Its effect is to demonstrate that, while other cities of identical latitude, Portland has such kindness of climate as permits the planting of flowers—and the holding of outdoor celebrations.

G. B. DATSON REPLIES TO STROWBRIDGE'S CHARGE

Strong exception is taken by G. B. Datson of the Sunnyside Improvement club to the statements made by J. A. Strowbridge, member of the executive committee of the Lone Fir Cemetery association, accusing the club of bad faith in its measure now before the house enabling city councils to do away with cemeteries whenever municipal governing bodies see fit. The statement attributed to Mr. Strowbridge that the bill contains a "hook" and that it is designed in favor of a private mausoleum builder, is absolutely denied by Datson, who is chairman of the committee that is now looking to the improvement of the Lone Fir and St. Mary's cemetery tracts into city park sites.

"We do not deny that we introduced this bill in order that the cemetery sites might be converted into parks," said Mr. Datson today. "We want it distinctly understood, however, that we make no recommendations regarding the disposal of the remains in the cemeteries."

"As a committee, and only to offer a suggestion as to what might be done with the remains when the cemeteries are converted into the parks, we interviewed a mausoleum builder, who told us what might be done in that line, but that is all. Our bill, which is merely an enabling act, has nothing in it that would give any private mausoleum builder any advantage."

Mr. Datson says many members of the Lone Fir association, who have members of their families interested in the burying ground, are in favor of the proposal to make the cemeteries into park spots.
