

Wiley—Before marriage you said I was your guiding star. Hubby—I was in a fog when I said it.

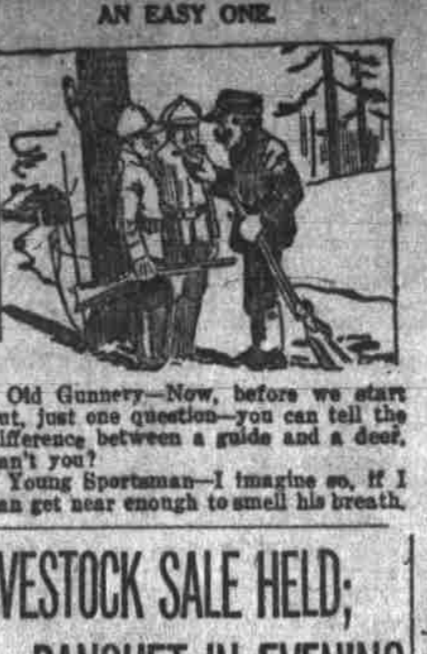

Manager—All these words are spelled wrong; why don't you look them up? Proud Stone—Who, me? Why, I wouldn't take even the dictionary's word for anything.

Autotest—How fast can I drive here? Village Wilsons—Twenty-five miles an hour if you give the constable a five and five miles faster for every additional smoke.

The Heavy—I would go out on a rafting tour this season if I only had a suitable vehicle. The Comedian—Don't let that stop you if you're sure of any old vehicle some back in.

Old Gunner—Now, before we start out, just one question—you can tell the difference between a guide and a doer, can't you? Young Sportsman—I imagine so, if I can get near enough to smell his breath.

The Lady Friend—What do you use that blue pencil for? The Editor—Well—to make a long story short.

Mrs. Stibles—Henry wouldn't you like to be worth a million? Stingy Hubb—Now! Think I'd want to pay taxes on a million dollars?

### PORTLAND HOLDS PLACE IN LEAD

Seattle Still Behind in Y. M. C. A. Membership Contest; End is Near.

With Portland still leading Seattle in the Y. M. C. A. membership contest and only one day left for canvassing, the situation in the local association is becoming very exciting. Never before has there been such interest in a membership contest, and tomorrow, with many of the workers having a half holiday, the campaign will be red hot.  
More enthusiasm than ever was manifested at the membership dinner last night and the various teams pledged themselves to make the last two days of the contest eventful.  
As the contest nears an end a great deal of attention is being attracted by the race for the gold watch that has been offered to the Portlander scoring the largest number of points.  
Cunningham in Lead.  
Just at present I. C. Cunningham, with 52,225 votes, is ahead, but his lead is not large enough to make victory certain. His nearest competitor is W. J. Phelan, who has 40,000 votes. R. Schmidt and W. A. Schmidt, both of whom stand a good chance of coming out near the top, throw their support to W. J. Clark yesterday.

As there are eight men, and two high boys, to go to Seattle in case Portland wins there is also interest in the standing of other men who have fallen behind W. J. Clark and Mr. Cunningham. Others near the top and whose chances of taking the Puget sound trip are good are: R. T. Kroese, 16,175; R. J. Clark, 15,800; J. Day, 13,000; J. Schmidt, 8,800, and W. H. Harris, 6,800.  
On the returns for yesterday Portland led Seattle 106,050 to 82,000. This was the nearest that Seattle had come to the local association any day during the contest.

**How They Stand.**  
Seattle gained 44 seniors to 41 for Portland yesterday, but the local enrolled 75 boys to 25 for Seattle. These additions gave the two associations the following results up to date: Portland—Boys, 155; seniors, 121; fees, \$219,75; points, 265,875. Seattle—Boys, 43; seniors, 35; fees, \$953,01; points, 183,800.  
E. J. Jaeger and the 99 men who compose his team increased their lead over W. L. Campbell's side yesterday. The present score in favor of the Jaeger faction is 159,100 to 143,707. The high teams of 10, designated by their captains, stand as follows: W. A. Schmidt, 67,800; Dr. J. L. McCool, 55,835; J. C. English, 50,100; Robert Rupke, 36,700.  
Great preparations are being made for a basketball game between business men of Portland and Salem, which will follow the membership dinner tonight. The game is free and open to the public, non-members of the association being especially invited. The players are made up of the best players in the stadium classes of the two associations. The game will be called at 8 o'clock.

The proposition has met with the hearty approval of the students in all parts of the county, and the list contains more than 2000 signatures. All were anxious to sign their names.

### FAVOR PASSAGE OF NEWSPAPER MEASURE

The license committee of the city council yesterday recommended for passage an ordinance regulating the sale of newspapers and periodicals on the streets. The subject of the measure is to prohibit young boys and girls from frequenting the streets at night, using the occupation of selling papers as an excuse.  
Various women's clubs and civic societies had interested themselves in the matter and three different ordinances, embodying as many variant ideas were introduced by City At-Large Grant. These ordinances were considered yesterday by the committee and harmonized into one ordinance.  
This ordinance, as recommended by the committee for passage, forbids the sale of newspapers or other periodicals on the streets by boys under 12 years of age and girls under 18; it forbids their sale after the hour of 8 p. m. and before 6 a. m. by boys under 16.  
Before any boy or girl can engage in the business of selling papers on the streets a license must be secured from the city auditor. The auditor is authorized to issue a license good for one year for 25 cents when the applicant's age is certified to by a parent, guardian or custodian. All licensees, under the provisions of the ordinance, must wear badges and no boy or girl without a badge will be permitted to sell papers. The ordinance prohibits licensees from vending their wares in houses of ill repute.  
The committee voted to eliminate the present license fee for chiropractors. Councilman Daly announced that he would submit a minority report.  
A. Duchamp's application to conduct private dances on Council Crest was placed on file, a large delegation of residents of the neighborhood having appeared before the committee to protest against the application being granted. A movement has been started by these residents to purchase the Crest for the city.

### IF CONSTIPATED OR BILIOUS—"CASCARETS."

No Biliousness, Headache, Sour Stomach, Coated Tongue or Constipation.  
Furred Tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, sour gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret to-night will give you constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—20 cent box from your druggist will keep you feeling good for months. Millions of men and women take a Cascaret now and then to keep their stomach, liver and bowels regular, and never know any more discomfort. Don't forget the children—their little insides need a good, gentle cleansing, too.

### KLAMATH MALCONTENTS FILE ANOTHER SUIT

(Special to The Journal.)  
Klamath Falls, Or., March 21.—It is evident that those who have undertaken the legal proceedings to stop the expenditure of money on the part of the county are determined to accomplish their purpose. The last suit filed has for its object the restraining of the county treasurer from segregating the moneys received from taxes and placing them to the credit of the several funds created by order of the county court. The plan, if successful, would in all probability result in a period of stagnation in county improvements.

### LIVESTOCK SALE HELD; BANQUET IN EVENING

After the livestock sale at the Union Stockyards yesterday the members of the Pure Bred Livestock association met at the Commercial club for dinner last night. Plans for the Pacific International Dairy show, which is to be held in Portland, were discussed. O. M. Plummer, who served as toastmaster, said the livestock men should insist that more animals be supplied the department of animal husbandry at the Oregon Agricultural college. Mr. Plummer explained how a \$10,000 appropriation for the purchase of livestock for the college has been put over until the next session of the legislature just at the time when it was thought it had been approved.

Speakers of the evening were Dr. James Withycombe, State Superintendent of Schools, L. R. Alderman, President of W. J. Kerr of the Oregon Agricultural college; Professor N. C. Maris, Senator C. L. Hawley, A. L. Stevenson and others. Warm indorsement of the state and city public health and education was given by the stockmen.  
Present at the dinner were: O. D. Gibson, North Yakima, Wash.; William Schmeier, Hillsboro, Or.; James Wiswonger, Central, W. Va.; Alderman, Salem; N. C. Maris, O. M. Plummer, Portland; C. L. Hawley, Moro; W. J. Kerr, Corvallis; Leslie Butler, Hood River; L. R. McGee, R. H. Brown, North Portland; Belmont T. Sudler, Hillsboro; J. C. B. Bates, Phil. A. Bates, Pacific Northwest; E. L. Potter, O. A. C.; R. W. Hoeg, Salem, Or.

### WHAT IS WRONG?

Many People Are Asking That Question of Late.  
Within the last few weeks, more people than usual have complained of frequent sneezing fits, itching in the throat, stoppage in the nose, spasms of coughing, raising of mucus, droppings in the throat and offensive breath, and have asked themselves what is the matter.  
The trouble is that they are affected with catarrh and unless immediate steps are taken to remedy their condition, the disease will increase and spread through the delicate mucous membranes that lines the air passages, and a chronic and serious stage of the disease will result.  
At the first symptoms of catarrh, such as sneezing, HYOMEI should be used. There is no other treatment like it or just as good; none that can take its place and relieve so surely, so quickly and at so little cost. It is a scientific medicated air treatment that does not drug and derange the stomach, but is breathed in through the HYOMEI inhaler, destroying all disease germs that may lurk in the nose, throat and lungs and soothing and healing the irritated mucous membrane.  
HYOMEI is offered to catarrhal sufferers with the agreement to refund the purchase price to any one who is not satisfied with results. You certainly can afford to test HYOMEI with an offer like this. Get it now and be cured of catarrh. HYOMEI does not contain cocaine, or any habit-forming drug. Complete outfit, \$1.00. Extra bottles 50c. If later needed, 25c. Druggists everywhere.

### FOR DANDRUFF, FALLING HAIR OR ITCHY SCALP—25 CENT "DANDERINE"

Save your hair! Danderine destroys dandruff and stops falling hair at once—Grows hair, we prove it.  
If you care for heavy hair, that glitters with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous you must use Danderine, because nothing else accomplishes so much for the hair.  
Just one application of Knowlton's Danderine will double the beauty of your hair, besides it immediately dissolves every particle of dandruff; you cannot have nice, heavy, healthy hair unless you have Danderine. This destructive scrub keeps the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots fall out, the hair loosens and dies; then the hair falls out fast.  
If your hair has been neglected and is thin, faded, dry, scraggy or too oily, don't hesitate, but get a 25 cent bottle of Knowlton's Danderine at any drug store or toilet counter; apply a little as directed and ten minutes after you will say this was the best investment you ever made.  
We sincerely believe, regardless of everything else advertised, that if you desire soft, lustrous, beautiful hair and lots of it—no dandruff—no itching scalp—and no more falling hair—you simply use Knowlton's Danderine. If eventually you produce a feverishness and itching of the scalp; the hair roots fall out, the hair loosens and dies; then the hair falls out fast.

### CLAMATH WANTS TO GET ON CASH BASIS

Klamath Falls, Or., March 21.—Steps have been taken by the city council to place Klamath Falls on a cash basis. There will be held an election to vote bonds to take up the warrant indebtedness of more than \$50,000. The council also took the necessary preliminary steps to pave sixth street to the city limits.

### MAKES RHEUMATISM PROMPTLY DISAPPEAR

Chronic, Crippled-up Sufferers Find Relief After Few Doses of New Remedy Are Taken.  
It is needless to suffer any longer with rheumatism, and be all crippled up, and bent out of shape with its heart-wrenching pains, when you can surely avoid it.  
Rheumatism comes from weak, inactive kidneys, that fail to filter from the blood the poisonous waste matter and uric acid; and it is useless to rub ointments or take ordinary remedies to relieve the pain. This only prolongs the misery and can't possibly cure you.  
The only way to cure rheumatism is to remove the cause. The new discovery, Croxone, does this because it neutralizes and dissolves all the poisonous substances and uric acid that lodge in the joints and muscles, to scratch and irritate and cause rheumatism, and cleans out and strengthens the stopped-up, inactive kidneys, so they can filter all the poison from the blood, and drive it out on the system.  
Croxone is the most wonderful medicine ever made for curing chronic rheumatism, kidney troubles, and bladder disorders. You will find it different from all other remedies. There is nothing else on earth like it. It matters not how old you are, or how long you have suffered, it is practically impossible to take it into the human system without results. You will find relief from the first few doses, and you will be surprised how quickly all your misery and suffering will end.  
An original package of Croxone costs but a trifle at any first-class drug store. All druggists are authorized to sell it on a positive money-back guarantee. Three doses a day for a few days is often all that is ever needed to cure the worst backache or overcome urinary disorders.

### IN TORTURE WITH RASH ALL THE TIME

Itched so Could Not Sleep, Burned Like Fire. Arms and Legs Raw as Beef. Cuticura Soap and Cuticura Ointment Cured.  
City Intermory, Hartwell, Ohio.—"Three years ago a rash broke out on both arms from the wrists to the elbows. The rash was not larger than pin-points and was very itchy. I tried so many remedies I could not sleep and I scratched my arms till they were raw. Then it broke out on my face and the calves of my legs. It itched so badly and I would scratch myself till I bled. I was in torture all the time. It made me sick and I began to lose flesh. My arms and legs were raw as beef."  
"I tried every remedy I heard of or read of but it was no use when I took or used till I commenced to use Cuticura Soap and Ointment. From the start I felt relief. I first washed with the Cuticura Soap and then applied the Cuticura Ointment, wrapping my arms and legs with bandages. ### MICROBES IN YOUR SCALP

Authorities say that a microbe causes baldness. If you are losing hair try our remedy at our risk.  
Professor Unna, of Germany, and Dr. Sabouraud, the great French dermatologist, discovered that the microbe causes baldness, and their theory has been verified by eminent scientists. This microbe destroys the hair follicles, and causes the scalp pores to close and the scalp to become shiny. Then, it is believed, nothing will revive the growth. If treated before it becomes incurable, baldness may be overcome.  
We know of nothing that has given such universal satisfaction as Rexall's Hair Tonic. It has been designed after long study to overcome the cause of falling hair as discovered by Prof. Unna, Dr. Sabouraud and other scalp and hair specialists, and we believe it will do more than anything else can to remove dandruff and stop falling hair; and if any human agency can promote a new growth of hair it will do that.  
We want you to make us prove it. We will pay for a month's treatment of Rexall's Hair Tonic used during a trial, if you will use it according to directions, and are not thoroughly satisfied. When we will have your money back, should you hesitate to at least try it.  
Start the treatment today. Your mere request will get your money back if you want it. Two sizes at 50c and \$1.00.
