Hartman Gibraltarized Trunks The Strongest Trunk in the World

—These trunks are absolutely the strongest trunks made, because the method of construction is based upon the modern steel and concrete idea of building construction.

—The Hartmann Gibraltarized reinforced constructed trunk is a veritable safe, and scientific tests prove it to be six times stronger than any ordinary constructed trunk.

—Two years of actual service testing proves them to be all that their name implies. No store of standing has ever relinquished the agency of the Hartmann trunk voluntarily.

—These trunks are positively guaranteed satisfactory to consumer, regardless of time used.

Trunks at \$29.50

—Gibraltarized safe reinforced all around construction; vulcanized, fiber covered—two center bands all around trunk, cold-rolled steel trimmings, covered corners, heavy catches and hinges. Two trays, cloth lined. Size 36 inches.

Trunks at \$32.00

—Gibraltarized steamer trunks, size 36 inches, reinforced all around construction. Same build as the above trunk.

Trunks at \$60.00

—Wardrobe trunks, size 40 inches. Gibraltarized, 3-ply veneer box, reinforced corners, covered with green carotol, vulcanized fiber binding, cold-rolled steel corners and clamps. Has hat box and secret drawers. Holding capacity 15 suits, double trolley raised top.

Trunks at \$17.00

—A 36-inch trunk, round top, reinforced construction; three-ply veneer, canvas covered vulcanized fiber under angle top and front rolled steel corners and trimmings. Two heavy straps and two trays, cloth lined.

Trunks at \$25.00

—Extra large box three-ply veneer Gibraltarized round corner, reinforced construction, bound and covered with vulcanized fiber with two center bands. All trimmings on this trunk are Hartmann's special design and cold-rolled steel and Gine's everlasting safe fastener, ball-riveted. Size 36 inches.
