

NINETY-FOUR ENTER FOR P. N. A. TITLES AT SEATTLE'S MEET

Large List of Boxers and Wrestlers Make It Necessary to Compete in P. M.

(United Press Leased Wire.) Seattle, Wash., May 16.—Ninety-four amateur boxers and wrestlers, including 59 local boys, have assembled here today for the Pacific Northwest association championships, which began this afternoon at the Seattle Athletic club. This is the first year the championships have been held in Seattle.

The Multnomah A. C. is represented by the greatest number of title holders, Vancouver, Victoria, Spokane and Tacoma have sent down strong delegations. It was originally planned to stage the boxing and wrestling contests Friday and Saturday evenings, but the large entry list necessitates afternoon bouts also. The Seattle Athletic club, with its 50 entrants, promises to make a strong bid for the titles. The fight for the 115 pound boxing title should be a pretty one. The S. A. C. has three good boys at this weight in Plinkham, Gleason and Marshall.

The 108 pound boxing championship should go to Dave of the James. George A. C. Archie Wyard; S. A. C. will make a strong bid for the 125 pound boxing honors. While the 135 pound boxing contest is conceded to an outsider, the local club has a good chance in the 145 pound class with Duvall. The S. A. C. has no entry in either the 158 pound or heavyweight boxing division. Neither does Seattle look forward to a cleanup in the wrestling.

Multnomah Team Badly Weakened.
The Multnomah Amateur Athletic club left a better wrestling team at Seattle than the one which went to the Seattle meet. Owing to the inability of several of the wrestlers to get away from their employment for two days, the winged "M" team is no badly weakened, according to instructor O'Connell, that it will be only a great stroke of luck that will give the club's athletes even one of the titles.

Here are the men who couldn't get away when the team left last night, three of them P. N. A. champions: Davisson, heavyweight champion; Conville, heavyweight; McCarthy, middleweight champion; Franske, light-weight champion, and Kick Montague, Edgar Frank went along with the team, but will not enter on account of lack of condition. The club will have nobody in the heavyweight class and a green representative among the lightweights. It is the most discouraging prospect the club has yet had to face in its wrestling department.

The professional motorcycle races that were to have been held at Vancouver, Wash., last Saturday and Sunday, and that were postponed on account of the weather, will be held tomorrow and Sunday. CHRIS MAHONEY GETS RELEASE FROM COLTS

Outfielder Experienced Slump in Addition to Being Too Costly for Payroll.

Owing to the fact that he has been in a batting slump and the further fact that he is too high priced a man for the Northwestern league in view of his inability to deliver with the willow, Judge McCredie yesterday released Chris Mahoney, the Colt center gardener outright, as announced in last night's Journal sporting extra.

Along with the information of the release of Chris comes the intelligence from Sacramento of his engagement to Miss Elizabeth Shinn of Sacramento, a sister of Outfielder Jimmy Shinn of the Senators, the wedding to take place in Sacramento, the wedding to take place in Sacramento.

Mahoney is a likeable chap as well as a good ball player when he is going right and will have little trouble catching on with some of the other clubs along the slope. He was let go because of the necessity of the Colts to cut down to the player-limit of 16 men.

They were joshing Cy Swain yesterday when he went out to second base to take the place of Bert Delmas, whose hand was split in covering second base Wednesday. Cy had a chance to give them all a laugh in reference to the box score, will show that he handled 19 chances, six putouts and four assists, perfectly. Cy had just hopped off the Shasta and only had time to get into a uniform. His batting eye was bad for he fanned four out of five trips to the plate, once with the bases full.

Ben Hunt has been sold by President Wattleto to the Chattanooga club of the Southern league, and departed for the south yesterday. His place will be taken by Pitcher Alberts, purchased from Sacramento. Alberts arrived yesterday with Swain.

Beals Becker, the former New York Giant outfielder, now with Cincinnati, had a great day with the bat against the Boston Nationals yesterday. He secured five hits in five trips to the plate off Pitchers Hess, Dickson, Gervais and Strand. The last two named are former Northwest league twirlers. Joe Tinker secured four hits in a like number of trips to the plate off the same twirlers.

Chief Johnson, the Indian twirler released by the White Sox, won his fifth straight game for the Reds yesterday.

Hans Wagner got three hits out of five trips to the plate off Pitchers Demaree and Whitely of the Giants. One of the hits was a four base smash. Eddie Mensor is leading off for the Pirates and got away yesterday with one single in three times up and scored two runs.

Philadelphia secured 13 hits off Overall of the Cubs, and put the Cubs at the head of the second division. Tom Seaton gets credit for the victory, although he pitched but one inning.

Fisher, the Brooklyn shortstop, got four safe ones in four times up off the St. Louis twirler. Huggins, the Cardinal manager, made four hits in five times up.

OARSMEN PREPARING FOR DUAL ROWING RACE

California Crew Arrives at Seattle to Meet Washington Champs Next Week.

(United Press Leased Wire.) Seattle, Wash., May 16.—Pulling a steady, smooth, powerful stroke over the full distance, the University of Washington crew yesterday afternoon rowed the old four mile course on Lake Washington in 21:25. There was no distress or exhaustion in the boat at the end of the pull.

The oarsmen were jubilant over the time made. The course, as measured by engineers, is less than 150 yards short of four miles, the real time made surely was well under 22 minutes. The time made at Poughkeepsie, where the eight row with the current, averaged between 19 and 20 minutes. Races have been won with times as slow as 29:30, and the only record below 19 minutes ever made on the course was by the wonderful old Cornell crew with 18:53. The California crew, accompanied by Graduate Manager Donald, arrived this morning from Berkeley by steamer, and will be quartered in the varsity boat-house on Lake Union until the day of the great race to be held here May 22 or 24 over a three mile course on Lake Washington. The California men will practice this afternoon.

"Our crew is pulling a longer stroke than a few weeks ago," said Donald, "and we hope to make a much better showing than at Berkeley."
