Cold Storage for Furs 1857

We are just completing the only refrigerating system for Fur in the City of Portland. And it behooves you to arrange for the storage of your Furs here at once.

The cold storage of Furs is the only correct and satisfactory system. We are using the famous Brine Refrigerating System, which will keep furs in a dry, cold atmosphere of correct temperature at all times. Bring your Furs to us; we insure them against theft, moth and fire; and they'll retain their richness and beauty when kept in our cold storage. Our Storage Prices are Very Reasonable.
