SERAPHS MAKE BRACE IN SEVENTH CHAPTER

Northern Twirler in Hole Upon Numerous Occasions but Tightens in Pinch.

Los Angeles, May 17.—Another of "Hen" Berry's old war horses had his hide nailed to the boards today and the Beavers tied with one another in an attempt to see who could do the most damage in peppering it. "Bill" Tozer was the one elected this time and it was to the same old tune, 5 to 2.

Higginbotham, who stayed it out for Portland, had the cold perspiration driven from his noble brow on several occasions but each time the break was right and he pulled through. It seems that McCredie's boys can win a ball game occasionally, these occasions being when the opposing twirler's slants are not too elusive for them to find. Evidently Tozer's came under that heading.

The Angels bagged their two tallies in the seventh, the only strange feature of the inning being their inability to land a few more. Ivan Howard doubled to right but was caught in an attempt to go to third on a hit and run signal, which failed. Metzger's hard drive to Kores' moment later would have meant a tally for Ivan. Johnson then singled to left, Metzger advancing a base.

Brooks then advanced both runners on his out, and Wotell, hitting for Tozer was safe at first when Rodgers booted his drive for an error, Metzger scoring. Johnson followed a second out and counted when Fisher dropped the throw from first, which reached home several feet ahead of the runner.

Krueger singled to left in the second and advanced on an attempted sacrifice by Fisher upon which Tozer erred with a high pop to first. Higginbotham sacrificed. Chadbourne singled infield, scoring Krueger. Derrick flew out and Deans counted Fisher with a single.

Kores' single and stolen base, followed by a wild throw by Brooks, placed Kores on the third in the third and he counted on a single by Krueger. Three walks, a double steal and a single in the eighth counted for Kores and McCormick.

COMING CHAMPION AT PLAY IN HIS TRAINING CAMP

MEMORIAL DAY CARD OF YACHT CLUB WILL SURPRISE THE NATIVES

All Sorts of Aquatic Stunts to Be Provided for and Occasion Will Be Memorable.

The greatest Decoration day regatta ever held under the auspices of the Oregon Yacht club is being planned for the opening of the season on Decoration day. The program, which is composed of Art Stanchfield, Henry Hartman and D. Irvine, will consist of a handicap class B Yacht race, men's double canoe race, ladies' double canoe race, men's single canoe race, ladies' single canoe race, mixed double canoe race, canoe sailing race, canoe tilting, swimming race, donkey swimming race and greasy pole stunt. A tub race and other aquatic events will be on the program.

The regatta committee has surveyed a two lap course for the yachting events this season and the boats will be in sight from the start to the finish of the race. Last season the boats were only visible at the start and finish, but on the new course, which is from Ross Island to the Sellwood ferry, the spectators' view of the race will not be spoiled.

The yachts that will enter are the Virginia, Grayling, Sparrow, four times winner of the championship; Spindrift, Zephyr, Kameha, Spray, Swallow and Nighthly Girl. The Grayling is ex-Commodore Todd's new boat, which was built in the last last winter.

Vice Commodore Creasey has appointed the following committee to help out in the entertainment plans for the afternoon: Mrs. J. M. Yates, Mrs. F. W. Creasey, Mrs. Hester, Mrs. Sharp, Mrs. Newton, Mrs. Ramsey, Mrs. Brown, Mrs. Wilgo, Mrs. Ford and Mrs. Hartman. Mrs. Sharp is chairman of the decoration committee and it is expected that the floats will be adorned more prettily than ever.

Club pennants and special cups will be given to winners in various events.

Kennedy Wins Eleven Mile Race.
St. Louis, Mo., May 17.—W. J. Kennedy of the Illinois Athletic club, Chicago, this afternoon won the annual 11 mile modified Marathon race of the Missouri Athletic club. Time, 1:10. Joe Erskleben, M. A. C. second; Frank Johnson, M. A. C. third.

Freddie Welsh Shades Redmond.
Winnipeg, May 17.—Freddie Welsh, English lightweight champion, today has a clean cut victory by his credit over Jack Redmond of St. Paul. The pair fought 12 rounds here last night, Welsh forcing the fighting in every round and having Redmond groggy and all but out in the closing round.

Evers to Terre Haute.
Terre Haute, Ind., May 17.—The Terre Haute of the Central league tonight announced signing Joe Evers, infielder and brother of Manager Evers of the Chicago Cubs. Young Evers was released early in the week by Manager McGraw of the New York Giants.

BETTING TAKES FUNNY SHIFT FOR COMING GO

Both Lightweights Favorites and Some Cautious Bettors Want Even Coin.

(Special to The Journal.)
Los Angeles, Cal., May 17.—Tomorrow will mark the end of hard training for Bud Anderson and Joe Mandot, the lightweights, who meet in a scheduled 20 round contest at Vernon next Tuesday night.

The Sunday program of both boys has been arranged with the idea of giving the fans a line on the condition of the boxers.

Anderson looks better now than ever so near to fight day, and unless something crops out between now and Tuesday night, which is unlikely, he will enter the ring fit to fight fully as great a battle as he ever put up, if not better than any before. He is faster and is hitting better and moves about the ring in better style.

Mandot might whip him, but it will be simply because he is the better man and not because of any lack in condition of Anderson.

At Doyle's camp, Vernon, Anderson will box his brother, Fred Anderson, Monte Attell and Gus Anderson. It is probable that he will take on his sparring partners for three rounds each, although it is not unlikely that he will travel a longer route with Attell, as the little Hebrew will be winding up his work for his bout with Cal. Delaney and will want the exercise.

Mandot's Workout Heavy.
Mandot will do his work at Venice. He is in such fine shape that he will cut out a lot of the rough work, but he will do considerable boxing, Cal. Delaney, Hobo Dougherty and Dude Clark being on the receiving end of the southerner's offerings.

STANDS FALL UNDER HORDES WHO COME TO HONOR THEIR IDOL

Scenes at Time Two Chicago Teams Battled for World's Supremacy Eclipsed.

CROWD MAY BE BIGGEST IN HISTORY OF GAME

Pearless Leader Shows Himself in One Inning; His Team Loses.

(United Press Leased Wire.)
Chicago, May 17.—The greatest outpouring of fans that ever saw a baseball game in Chicago—perhaps the biggest crowd ever gathered in a ball park in America—did honor to Frank Chance, National League and world's pennant, this afternoon, cheered its applause of the "Peerless Leader" when he appeared on the field at the head of the New York Yankees and then cheered just as lustily when the White Sox humbled his team 6 to 2.

Sporting writers tonight estimated the throng that kept the turnstiles clicking from early morning at 42,000, but more conservative estimates made it several thousand less.

Six Stands Collapse.
President Coniskey tonight had not given out the official dope on the crowd. The biggest previous attendance was 38,281, recorded at the Polo grounds in New York at the opening game of the world's series in 1911.

After Chance arrived at the park at the head of a long automobile parade, Governor Dunne of Illinois and Mayor Harrison presented the Yankee captain and Manager Callahan of the White Sox with huge floral pieces. Northwestern university students sent Chance a big pillow down in college colors.

The ex-Cub leader exhibited himself for just one inning. He went in at first base and was loudly cheered when he came to bat. Chance hit a slow roller to Lord, who scooped the ball and threw Wolters out at the plate. After the first he retired in favor of Hal Chase.

Coming Stars Battle.

ROSE FESTIVAL MEET PROMISES TO BE BEST SINCE '05 FAIR GAMES

Pacific Northwest Championships Will Bring Athletes From All Parts of North.

MODIFIED MARATHON ATTRACTS ATTENTION

Secretary Dunne Invites All Independent Clubs and Unattached Athletes.

The Pacific Northwest association's championship track and field meet to be held on Multnomah field Saturday afternoon, June 14, will be the greatest athletic gathering witnessed in the northwest since the national championship meet in Seattle in 1902. Athletes representing every athletic and independent club and various Y. M. C. A.'s are being listed. Many unattached athletes will also be entered in the meet.

One feature of the meet, which is attracting attention from all parts of the northwest is the five mile cross country run. It was first planned to make this event a 10 mile one, but on reconsidering the matter it was changed to five miles. Besides getting a gold medal, the winner will receive a handsome silver trophy. Silver and bronze medals will be awarded the second and third runners. The next seven runners will get handsome badges.

Manager Bill Schmitt has begun to receive inquiries about this event already. Yesterday a letter was received from A. L. Upham, who is now living in Seattle, regarding the race. Upham was formerly a member of the First Regiment Athletic association of Chicago and finished second in the two mile run of the Central association meet last year.

The other events of the meet are: 100 yard run, 220 yard run, 440 yard run, 880 yard run, one mile run, 120 yard hurdle (10 hurdles 2 feet 6 inches in height) race, pole vault for height, running high jump, running broad jump, throwing 56 pound weight, throwing 14 pound hammer, putting 16 pound shot, throwing the discus, throwing the javelin, 250 yard hurdle (10 hurdles 2 feet 6 inches in height) race and one mile relay (4 runners, each to run 400 yards).

Clubs and Athletes Invited.
Secretary T. M. Dunne of the Pacific Northwest association and Manager Schmitt of the Multnomah track committee, are anxious to secure all the athletes possible. Any independent athletic clubs or unattached athletes desiring to enter the meet are invited to do so. It is necessary, however, that all those who enter be registered with the A. A. U. Registration cards can be secured from T. M. Dunne of the Multnomah Athletic club. It is expected

RITCHIE SIGNS FOR FIGHT WITH RVERS IN BAY CITY JULY 4

(United Press Leased Wire.)
Seattle, Wash., May 17.—Billy Nolan, manager for Willie Ritchie, the lightweight champion of the world, announced tonight that Ritchie had been matched to fight Joe Rivers of Los Angeles, July 4, in San Francisco in the Tuxedo club arena, which is owned by Eddie Graney. Nolan declined to state the amount of the guarantee, but stated that it will be for more than \$17,500 and "will be for the largest purse ever offered for a fight in California."

Penn Downs Cornell

(United Press Leased Wire.)
Franklin Field, Philadelphia, May 17.—Old Pennsylvania fittingly closed the celebration of the fortieth anniversary of the founding of its athletic association this afternoon by carrying off the honors of the annual dual games with her ancient rival, Cornell, by a score of 63 to 54.

Don Lippincott, Pennsylvania, was the individual star, taking first place in the 440 and 220 yard dashes and second place in the 100 yard dash.
