

IDEAL WEATHER FOR VARSITY BOAT RACE AT SEATTLE TODAY

New Washington Crew That Meets California Said to Be Faster Than Other.

Seattle, Wash., May 22.—With ideal weather conditions prevailing this morning, there is every indication that the three mile race between the eights of the Washington and California universities will take place on Lake Washington this afternoon. The start will be made at 6 o'clock, a short distance south of Leschi Park. The crews will finish immediately off the Madison Park dock.

A match race between the varsity boat club and the Vancouver boat club will precede the big event. These eights will row a distance of 3 1/2 miles. Washington is heavier than their southern opponents, their average weight being 174 1/2 pounds and California 156. Captain Ed Taylor, varsity, is the lightest man in the race. He weighs 150 pounds.

Both crews worked out on the lake last night. Washington rowed against the second crew and after the two eights rowed over in several 15 second sprints, the regulars beat the substitutes by two lengths in half a mile race.

Comber, the Washington coach, who has been tutoring in aquatics at Washington for the past seven years, during which time Washington has won five championships, admits that the California men have shown improvement.

Five of the men who will appear in Washington's shell will participate in their first intercollegiate race when they pull oars against the Golden Bear shell this afternoon. Only three of the oarsmen who rowed against California, and Stanford will appear in today's lineup.

The new crew lowered the lake record for three miles to 16 minutes, 12 seconds. The previous time for the three miles on Lake Washington was made by the 1911 varsity crew which finished the distance in 18 minutes and 15 seconds.

Bees Clout Way to Third.
Victoria, B. C., May 22.—Heavy slouting by Mike Lynch's players yesterday gave the Victoria Bees a 10 to 1 victory over the Spokane Indians and landed them in third place in the pennant race.

Pitcher Alberts, playing right field, landed two balls out of the lot and Lynch and Swan repeated the trick. Pitcher Kantelner banged out a triple. Rawlings doubled once and Lamb lined out two similar hits. Kantelner was in fine form, allowing but five hits. Meek played first base in place of Brooks. The score: R. H. E. Victoria.....10 10 0 Spokane.....1 5 2 Batteries—Toner, Ribberg and Auer; Kantelner and Shea.

IRVINE'S DOUBLE IN SIXTH BEATS COLUMBIA

William Given Great Support by Jefferson—Each Team Gets Four Hits.

A double down the third base line in the sixth inning by Ward Irvine gave the Jefferson High school team a 2 to 0 victory over the Columbia university losers yesterday afternoon in the fastest game of the scholastic season. Yesterday's winners of Jefferson in direct line for the championship, which will be decided Tuesday afternoon when the blue and gold squad nine meets the Washington team.

Pitchers Williams and Bernhoffer were in great form yesterday, each allowing but four bingles. Williams was in danger but three times during the game, but was pulled out of the hole by the sensational fielding of his team mates. A double play in the sixth inning and one in the seventh cut Columbia's chances of a victory short. Irvine's catching of high flies was a distinct feature. He gathered in four difficult fouls.

Muirhead's error of Niles' assist allowed Watts to reach first in the sixth after Robinson was out. Wolfier angled to right and went to second on the throw to get Watts at third. Seeley fled to centerfield and Irvine put the game away by sending a double down the third base line, scoring two.

Bayley Is Favorite.
Vancouver, B. C., May 22.—Joe Bayley of Victoria, Canadian lightweight champion, is the ruling favorite in the betting on the 15 round championship battle at the new Brighouse arena on Saturday evening, May 24, with Ernie Barrieau, former amateur lightweight champion, as his opponent.

According to a dispatch from Victoria, the champion's home city, fans are prepared to meet the demands of Barrieau's supporters for odds and there was considerable speculation yesterday with odds of 10 to 8 favoring the title holder.

Diddy Bishop of Tacoma will referee the match.

SCHOLASTIC TRACK TEAMS HARD AT WORK FOR SATURDAY MEET

Fine Weather of This Week Causes Coaches to Charge Terrific Grilling.

All of the interscholastic track and field teams are taking advantage of the good weather during the last three days and are working their hardest to get in the best possible shape for the annual meet Saturday afternoon on Multnomah field. The Columbia university athletes practiced on Multnomah field yesterday and the entire squad looked to be in the best of shape. Walter Muirhead, one of Columbia's stars, has a bad ankle, but he expects it to be strong again by Saturday afternoon.

Coach Eastham of the Jefferson school put his boys through a long, hard workout yesterday afternoon. Jefferson's team this season is stronger than any of the track and field squads which have represented the blue and gold school.

The Lincoln athletes worked out for a short time. Martin Hawkins put the Hill academy boys through the hardest workout of the season on Multnomah field after the Columbia boys had quit for the day.

The Washington athletes enjoyed the best workout of the season on the field at East Twelfth and Davis streets. Coach Veitch is "prepping" his boys as much as possible in hopes of landing second place in the meet.

TOM JONES SPOUTING AT THE GUNBOAT AGAIN

San Francisco, Cal., May 22.—A flat offer to give Gunboat Smith the entire receipts of a second battle to entice him into another match with Jess Willard is hurled at Manager Jim Buckley here today by Tom Jones, Willard's manager. "I am not anxious to send the Gunner repeatedly against such heavy odds," was Buckley's comeback, "but if Jones will guarantee my fighter \$10,000, the match is on."

Jones was given until tonight to decide whether he will guarantee that amount. "I was in dead earnest," said Jones today. "When I made that proposition, I will bet Buckley \$1000 against \$1000 that Willard wins if he starts with Smith again. The match, if it takes place, must be within 60 days."

WICK'S BIG HANDICAP CAUSE OF HIS DEFEAT
