The regular business meeting will be held this evening, tomorrow morning a meeting for worship, tomorrow afternoon a church-training conference, which will be of special interest. Tomorrow evening the Bible school department will be represented, Sunday morning will be a preaching service, and in the afternoon addresses will be given on the question of world peace.

and at night an evangelistic service will be conducted by one of the ministers in attendance. The public is invited.

Pelkey May Box Willard.
San Francisco, June 6.—A match between Arthur Pelkey and Jess Willard for his club at Reno, Nev., is sought here today by Dem Gay, a fight promoter. Tom Jones, Gay says, is willing to allow Willard to meet the man who beat Luther McCarty, the white heavy-weight champion, a death blow at Calgary. Gay was formerly associated with Tommy Burns in promoting matches at Calgary and Edmonton, and also has operated clubs in Seattle and Spokane.

THIRD OUTSIDE JUDGE IS COMING TO HELP
Another circuit judge will assist the local judges to clear their dockets, beginning next Monday. The services of Judge David R. Parker, of Condon, have been secured and he will remain in

Portland trying cases until June 25. All civil cases remaining on Circuit Judge Kavanaugh's docket will be transferred to Judge Parker, and Judge Kavanaugh will try the criminal cases which are ready for trial.

When Judge Hamilton and Calkins were called to assist it was planned that they take the criminal work first that the cases might be cleared up. Instead this three judges and Judge Cleason, who assumed his place on circuit bench last Tuesday, were assigned civil cases only and Judge Hamilton gave the first two weeks of the month to criminal matters. At least a month more will be necessary to get all criminal matters disposed of.
