

PRICES PAID FOR EGGS ADVANCED QUOTATION ARE SHOWN FOR EGGS

Local Market Up Another Half Cent
A Dozen Today With Very Good
Demand From the Outside; Case
Count at 19 1/2 Cents.

Today's Produce Trade.
Egg market firm.
Cheese holds firm.
Butter market strong.
Veals are lower.
Strawberries rule steady.
First local raspberries.
Chicken market down.
Peaches quoted lower.
Local cherries are poor.

The egg market is showing strength and prices are showing a further advance of half cent today. Receipts are only fair and with the growing demand from shipping interests, arrivals are clearing up very well. Sales of case count stock are reported by dealers at 19 1/2 cents generally, but there are reports that 20c has been paid. For candied stock the market is firmer at 21c, generally with some talking of advancing their asking price to 22c a dozen.

The great strength of the egg market both in the north and south, has left the Portland trade for some time the lowest of any of the markets on the coast. That there was really no reason for this aside from the desire of some of the big interests to purchase liberal supplies at low prices, is now the general opinion of the trade.

Quality of eggs, which was quite poor a short time ago, is now showing improvement and few complaints are now being received. The condition was so poor a short time ago that some of the buyers bought to purchase except on a loss-off basis.

STRAWBERRIES HOLD STEADY

Market for strawberries was fairly steady along front street today with sales at practically the same figures quoted yesterday. On the public market farmers sold them generally at 80c to 85c this morning. Few berries were received. These sold at \$1.20 to \$1.25 along the street.

DUCKS DO NOT MOVE

With receipts heavy and with lack of demand, supplies of ducks are piling up along front street. The Chinese have a large stock on hand and are not moving these and as most of them are now out of the city, the call is extremely limited.

FIRST LOCAL RASPBERRIES

First local raspberries of the season were reported in from Moody by Dryer, Bollen & Co. The shipment consisted of half a crate and sold at the rate of 25c a pound. The shipment was made, of course, by T. J. Miller, who is always first.

ANOTHER CAR OF TOMATOES

Another carload of Texas tomatoes has been unloaded along the street. This is the second shipment from there this week. The stock is in good condition and is quoted at \$1.75 per crate of four baskets.

CAR CANTALOUPE ARRIVES

First carload of cantaloupes arrived for the season from the south today. Half of it was unloaded here, the remainder going to the fruit and vegetable market. Priced at \$3.50 to \$5.00 per crate.

BRIEF NOTES OF THE TRADE

California peaches are in better supply and the price has dropped to \$1.75 a box.
California blackberries are being offered here at \$1.50 per crate of 15 pounds.
Green corn is in somewhat better supply with sales at 50c a dozen.
Chicken market is weaker and generally lower today.
Veal market is showing sign of weakness with a loss of 1/2c in the price. Receipts better.
