PITCHING STAFF SHOT FULL OF HOLES, SAYS MANAGER WILLIAMS

Blonde Leader Says He's Not Kicking Over Result of Jaunt Into Northern Regions.

Manager Nick Williams and his Colts breezed in on the bit this morning from Tacoma and will line up against the Spokane club this afternoon in a seven-game series.

"We had hard luck with our pitching staff, else we would have come home with the long end of the game, but I am not kicking," said Manager Nick this morning. "We won 10 and lost 12.

"My pitching staff is shot full of holes, and I hope that Hynes is in shape to fill in this week and next in order to let the others rest. This boy Mays is going to be a great pitcher. He worked in a third of the games up north and his arm is a little sore. I don't think that I shall call on him during the two weeks we are here.

"Agnew, upon whom I was depending, is in bad shape and I think that his arm is gone. He can't lift it at all. We'll have to place him on the suspended list with his consent so that we can keep him and he can let his arm come around at his leisure.

"Mahoney showed one of the nicest spitballs seen in this league against Vancouver last week, and I think he will round to.

"Taking Speas from us has crippled us badly and I'll have to use Peters. I may give Coulson and Shields a trial. I had my hand split and Murray has been catching all the games. By using Shields I can give Dan a rest.

"Fitzgerald is playing great ball and hitting nicely. He threw a ball from right field to the plate almost on a line the other day at Vancouver and would have had his man but for the fact that Murray dropped the throw."

Speas arrived from Vancouver yesterday afternoon and went south last night with the Beavers.

CONIBEAR THINKS HIS EIGHT HAS GOOD SHOW

(United Press Leased Wire.)

Poughkeepsie, N. Y., June 16.—All the crews who will row in the great intercollegiate regatta on the Hudson here next Saturday afternoon began today putting on the finishing touches in their training. Coach Hiram Conibear, of Washington university, is pleased with the work of his men, and thinks the crew has a good chance to win the blue ribbon of American rowing events.

The Cornell university eight probably will be the favorite. The hard luck of the Pennsylvania crew continues. Garvin is ill and it is not expected he will be able to take his place at No. 5 in the Pennsylvania shell.

ENGLISH POLOISTS TO LEAVE NEXT THURSDAY

(United Press Leased Wire.)

New York, June 16.—Plans for a third match between the defeated English polo team and the substitute American team are canceled today because the English players, defeated by a close margin for the national trophy last week, will sail for home Thursday, a week earlier than at first planned. The British team's ponies will follow on another vessel three days later.

President H. L. Herburt of the National Polo association said today that another challenge from Great Britain was expected within a year.

PORTLAND IS WINNER OVER SPOKANE BUNCH

The Portland Transportation Club baseball team defeated the Spokane Transportation club yesterday in Spokane by the score of 14 to 5. A home run by Petty and Taylor's batting were the features. Taylor made four hits in five times up. The batteries: Spokane—Brown and Stingley. Portland—Lecquer and Myers. The local boys were royally entertained by Inland Empire club men and will return the compliment in the near future.

Meet Resumed Today.

The championship P. N. A. track and field meet, which was postponed Saturday on account of rain, will be resumed this afternoon on Multnomah field, starting at 2 o'clock.

BURMA AND BLITZEN BENZ WILL RACE HERE

Famous Speed King Coming Friday; Auto Polo Will Be Feature of Auto Meet.

Definite assurance that "Bob" Burman, one of the world's most noted automobile racing drivers, will participate in the Portland Automobile club's meet at the Country club track next Friday and Saturday was received this morning. H. L. Keats, chairman of the race committee appointed by President Clements, received this news in a telegram from the club's representative in San Francisco.

Burman will bring his high speed Blitzen Benz, said to be the fastest automobile ever built. Three hundred horsepower is controlled under the bonnet of this giant time annihilator. This is without doubt the most powerful motor ever installed in a motor car.

Now that it has been decided that Burman and a string of other noted drivers will be here to furnish the speed thrills, it is almost certain that the Automobile club will stage a most successful meet.

Auto polo, an attraction yet to be introduced to Portland, is one of the main features of the two day meet. Ten of the most expert men in this line will be on hand to toy with death in this exciting game. From the spectacular viewpoint there is nothing that rivals auto polo. It is a hard, daring, nerve wracking game under the most favorable circumstances, but when played with automobiles instead of horses it assumes proportions that are certain to attract.

SEALS TAKE TWO AND ARE TIED WITH OAKS

San Francisco, Cal., June 16.—The Seals tied Oakland for second place in the Coast league pennant race yesterday afternoon by taking both games by the scores of 4 to 2 and 4 to 3. Thomas' twirling and heavy hitting behind him gave the Seals the morning game. Decanniere, recently released by Vancouver, pitched the afternoon game and held the Oaks to three hits.

Charley Ledoux Is Training.

(United Press Leased Wire.)

Los Angeles, June 16 — Charley Ledoux, the French bantam weight champion, who meets Eddie Campi, of San Francisco, 20 rounds on June 24, went into training today at Doyle's camp, Vernon. Campi has returned from Wheeler Springs and has taken up his training quarters at Venice.

KRAUSE STOPS RYAN BUT UMPIRE M'CARTHY STOPS BIG B. JAMES

Beavers on Way South for Two Weeks With Record of Half Games on Home Lot.

Harry Krause not only outpitched Jack Ryan yesterday but he won his own game in the ninth with a drive to third that scored Doane, and Bill James held the Angels runless and hitless for six innings in the second game only to have it called on account of a light rain against the protest of 6000 fans, climaxing three weeks of the poorest umpiring that the Portland fans have witnessed in years. The score of the first game was 2 to 1, while no tallies had been made when McCarthy called the second. President Baum of the Coast league should do well to give Mr. McCarthy a little hearing when he reaches San Francisco. The rain was little more than a heavy mist at the time the battle was stopped and a Boston terrier which chased balls playfully thrown from the Portland bench during the "deluge" kicked up enough dust on the diamond to leave no alibi for the umpire.

Krause held the Angels to three hits in the first game, one of them scratched through Kores. One of the others was Ivan Howard's homer over the right field fence in the seventh inning with two down that tied the score. Immediately afterwards Metzger slammed a double to the left center field fence and it looked as if the recall would have to be used on Harry, but he weathered the inning beautifully and was never thereafter in danger.

New tactics were used on Ryan. Instead of swinging wild at his slow ball, The Beavers waited him out and did considerable bunting. It proved too much for the veteran, although at that it took until the last session to get a verdict over him. In the fourth inning with two out, Lindsay beat out a bunt to Metzger and Kores scratched a hit to the same young man, who made a wild throw to first base. Howard recovered the ball and threw to Brooks, who made a backward whirl to touch Lindsay. Bush called him out, although it was apparent to everybody except the umpire that Lindsay was safe.

The Beavers put over their first run in the sixth when Derrick walked and stole second, scoring when Rodgers reached out and gently tapped one of Ryan's slow ones over short for two bases.

In the ninth Doane cracked a single between first and second and Lober sacrificed. Fisher's out put Doane on third. Krause then drove a torrid one across third, which Metzger, by a great effort, stopped but the impetus carried him to the ground, and he made a ludicrous effort to throw Krause out while almost prostrate.

Bill James was complete master of the league leaders in the abbreviated second game. Slagle was in the hole in every inning but the third and fourth. The chances were much more in favor of James winning than of Slagle had the game gone on. The Angels won three out of five games. In the three weeks at home the Beavers won just half of their 18 games.

CALLAHAN WILL ASK PRESIDENT WILSON TO AID BASEBALLERS

(United Press Leased Wire.)

Washington, June 16.—Manager Jimmy Callahan of the Chicago White Sox will today ask President Wilson to sanction the issuance of letters by the state department to American ambassadors abroad asking them to do what they can to help the Giants and White Sox on their world tour, which is planned for the end of the present season. The president, who is himself some "fan," is expected to accede.

Senator James Hamilton Lewis of Illinois is expected to introduce a resolution in the staid United States senate wishing the touring baseballers Godspeed.

BRIGHT LIGHTS STILL ATTRACT JOE RIVERS

Mexican Said to Like San Francisco Beach Resorts; Ritchie to San Rafael.

(United Press Leased Wire.)

San Francisco, June 16.—Joe Rivers of Los Angeles, who fights Willie Ritchie here July 4 for the lightweight title, today entered the real work of training at the beach. The Mexican started to limber up yesterday afternoon and a big crowd saw his first stunts.

It is reported that Rivers, whose fondness for the night life has made him trouble before, is seeking the bright lights of the beach resorts.

Willie Ritchie will reach here Thursday, and will at once get down to the grind at San Rafael. It is reported that the odds will be about 10 to 8, but there has been practically no wagering as yet.

FRENCH DERBY TAKEN BY A RANK OUTSIDER

(United Press Leased Wire.)

Paris, June 16.—A rank outsider, Edmond Blancq's Dagor, won the French derby here yesterday. Baldaquin was second and Bruleur third. Soon after the start, W. K. Vanderbilt's Priorpriol fell. H. B. Duryea's Blarney, August Belmont's Vulcain VI and J. E. Widener's Roi D'Lor also ran. The race this year was worth $37,000.

MAYS PITCHES WELL BUT OTHERWISE NOT THERE; COLTS LOSE

Fitzgerald Makes Way Around Sacks in First and That's All for Portlanders.

Tacoma, Wash., June 16.—Portland and Vancouver shifted to this city for Sunday's game owing to the anti-Sunday baseball law in British Columbia, and the Brownies won 4 to 1, owing to the inability of Pitcher Mays to field or run bases, although he put up a better brand of pitching than did Jimmy Clark.

Portland scored in the first inning, when Fitzgerald made the circuit on a walk, a wild pitch and two hits. Heilmann was thrown out at the plate by Brinker in this frame.

The Portland club went on to Portland last night to open up a two weeks' home engagement, meeting Spokane today, while Victoria and Vancouver will be at it on the Brownies' home lot.

Tacoma Takes Double Header.

Spokane, Wash., June 16.—Tacoma took both games from the Indians yesterday by the scores of 5 to 4 and 7 to 2. Spokane was leading 4 to 1 in the first game, when Toner went wild and the Tigers tallied four times. Poor playing lost the second game for the Indians. Miles Netzel joined the Tigers here yesterday and had two hits in five times up.
