**LET US BUY YOU A
SPOOL OF THREAD**

We want you to make a quality test of Bowstring Six Cord Spool Cotton and compare it with the thread you are now using. We know that if you will once use Bowstring thread, you will say that no other thread equals it in strength, smoothness and freedom from defects. The Sea Island cotton used in Bowstring thread has a fibre longer and finer than any other cotton in the world. Dressmakers say that Bowstring is so free from defects, that with it they can run their machines all day long without a skip or a break. The price is as usual—5c a spool.

This Coupon is Worth 5c

This coupon will buy at our store a 5c spool of Bowstring thread. But the coupon must be presented in order to get the spool as we must send to the manufacturer a coupon for every spool put out in this way. We want you to know by actual experience the high quality of Bowstring thread. This coupon is good for one week only beginning to-day.
