\$1.50 Crepe de Chine, Clearance \$1.33 Yd.

\$1.75 Crepe de Chine, Clearance \$1.59 Yd.

—Not in a decade has there been such a world-wide craze for a particular silk weave as this season's demand for crepe de chine. For underwear, for nightgowns, for boudoir robes, for evening and afternoon dresses, and for waists, crepe de chine has reigned supreme; in fact, the better dressed Parisian women have worn it for two or three seasons exclusively for underwear, as they fully appreciate its soft clingingness. And next season promises to see it more in use than ever before.

—This sale fully demonstrates the supremacy of our silk department over all other retail silk departments in the city, as we are fully supplied with crepe de chine in every shade, as well as black and white, to meet the mid-Summer demands, and from this seemingly endless stock we offer you the opportunity of purchasing your crepe de chine needs at mid-season clearance prices.
