The trouble this morning started with the arrest of Mrs. Rice. Police Sergeant Robison had informed both sides that the word "scab" would not longer be permitted. Mrs. Rice had been informed not to use it again. Heard to apply it to a worker entering the plant, she was arrested. Belle Goldish was taken into custody for a similar offense. At the conference between the mayor and business men Tuesday afternoon, following the hearing by the mayor of the side of the strikers, it was declared that conditions near the plant had be-come unbearable through the demonstra-

accepted by the owners. Four of those arrested have been women and two men. One complaint is against a woman worker in the plant, while five are against strikers and sympathizers. All cases are to be heard at 2 o'clock Monday in the municipal court.
