The offers received thus far that are being considered are: Chester McIntyre. Mora: William Gibson, New York; Tom McCarey, Los Angeles, and Tom An-drews, Milwaukee. A dozen or more minor offers were received. McIntyre's offer is the best thus far received. He guarantees Ritchie \$15,000 and 50 per cent of the pictures for a 15 round bout with Freddie Welsh. The terms and the opponents named in the other offers were not met.

terms and the opponents named in the other offers were not made public. Unless Coffroth has experienced a change of heart since last week he will e' the Vancouver offer. He then stated emphatically that he could not afford to raise \$15,000, plus what Ritchie could get out of the pictures, for a 20 round contest here with Harlem Tommy Murphy. Ritchie, it is believed, looks for an offer of \$18,000 from Coffroth, but if he does he will be disappointed, the experience of Eddie Graney, who handled the Ritchie-Rivers contest,

baving acted as a warning. While the Vancouver offer looks good to the champion, he is said to look with more favor upon the New York offers for 10 round, no decision bouts. Howeven he has not made up his mind just what he will do in the event that Coffroth's offer does not come up to his expectations.
