

GERMAN OFFICER HELD FOR SELLING SECRETS

Stettin, Germany, Aug. 12.—Military circles here today believe the arrest of Captain Stein of the Third regiment of field artillery on a charge of espionage is likely to turn out as disastrous for Germany as did the case of Colonel Alfred Redl of Austria.

was summoned before the colonel of his regiment. He departed on the first train but was arrested and returned here.

Colonel Redl was charged with selling such important information to foreign nations that the Austrian government was forced to change completely its mobilization plans.

Redl was arrested but committed suicide on May 25, last.

Senate Currency Caucus Tuesday.

Washington, Aug. 12.—The fact that Chairman Owens of the senate banking committee conferred yesterday afternoon with the senate Democratic steering committee caused reports that the Democratic majority is considering a proposition to rush the Underwood
