Ringling Aerialist Screams When Bar Comes Loose, Falls and Is Killed,

Tacoma, Wash., Aug. 20:-Antone Alphonse, 34 years old, an aerialist with he Ringling Brothers' circus, died in St. Joseph's hospital early today of injuries received at last night's performance when he fell from the "big top" while preparing to do the dangerous "giant swing."

Hwinging high on a trapese, Alphonse, billed as "the man who keeps you guess-ing." was holding the breathless attention of the great throng. Time and again he swung upward. Each time spectators thought he would complete the swing, only to see him come down-ward again. On his last swing upward one of the bars on the trapeze wrenched loose. Realizing that he was about to plunge downward, the man screamed in terror. His feet slid from the bar and hurtled outward. Twice he turned com-plete somersaults before he crashed in a helpless heap in the sawdust ring.

The accident was witnessed by Alphonse's wife, who was seated ameng the spectators.
