

LABOR DAY PROGRAM AT PENINSULA PARK HIGHLY INTERESTING

Contests Provided for Everybody From Babies to Grandmas; Girls Win at Baseball.

The Labor day program of athletic sports at Peninsula park yesterday was long, varied and interesting enough to satisfy the most enthusiastic exponents of the track and field. There were contests for all—from the little babies just learning to walk to the gray haired grandmas—and they all entered into the spirit of the occasion and seemed thoroughly to enjoy it.

The main event of the day was the ball game between the Peninsula girls, champions of the Playground league, and the Peninsula Boosters, composed of business men of the Peninsula district, for a beautiful silver challenge cup. The girls won easily, by the score of 20 to 20, despite the apparent attempt of Umpire O. M. Plummer to hand it to the boys. He was booed repeatedly for his attempt to discredit the ability of the suffragette big leaguers. The girls also won the cup last year.

The members of the winning team are: Helen Hald, captain; Mildred Terry, Helen Nichol, Martha Folen, Marjorie Campbell, Josephine Goldstaub, Dorothy McKee, Mary Campbell, Winnie Rankin and Edith Blue.

The Boosters' team is composed of A. L. Campbell, H. Kurth, J. H. Noffs, J. H. Emerette, H. S. Hald, D. Crooke, W. E. Schouweiler, Manner, Prosser and Ruble.

The members of the Girls' playground ball team presented Miss Maud M. Ryan, physical director of the park, with embroidered silk handkerchiefs in recognition of her splendid services to the girls during the present summer season.

H. S. Hald presented the park with an ornamental oak case in which to keep all trophies won by the Peninsula teams. It was placed in the park station.

The results of the races and athletic events follow:

Baby race—John Scott, first; Martha Peterson, second; Lillian Malloy, third. Summer suit race—Albert Etchels, first; R. Rohmeder, second; Roy Edwards, third. 50 yard girls' race—Christie Crane, first; Gladys Bateman, second; Dorothy Boggs, third. 50 yards boys—Lawrence Brania, first; Albert Etchels, second; Walter Houck, third. 75 yard race, boys—Linn Cooper, first; Albert Etchels, second; Harold Rauch, third. Married women's race—Mrs. Sarah Shortwell, first; Mrs. Ahlquist, second; Mrs. Louise Phipps, third. Wheelbarrow race for

The officials were: O. M. Plummer, W. H. Yelton, A. L. Campbell and D. Ross. The program was arranged and given under the supervision of Miss Maud M. Ryan and C. E. Peterson, instructors at Peninsula park.

ENGINEER EVANS HAS MADE HIS LAST RUN

Woodburn, Or., Sept. 2.—Robert W. Evans, one of the oldest and most trusted engineers in the employ of the Southern Pacific company, died at his home in this city Sunday, at the age of 53 years. He was born in England in 1860 and came to America with his parents. He located in Portland, where he married Hannah E. Shambrook on January 1, 1891. From that union, two

children, Louanna and Elwin, survive him.

Mr. Evans was in the employ of the Oregon & California Railroad company in 1876, when the road operated only as far south as Roseburg, and continued with the Southern Pacific when that company took the road over. He never had a wreck on any train of which he had charge. He was a favorite with his fellow employees. One brother, Richard Evans of Portland, survives him.

Funeral services, conducted by Rev. W. S. Gordon, will be held Wednesday morning at 10:30 at the Dunning undertaking parlors, East Seventh and Alder streets, Portland.

SUSPECTED BURGLARS IN CUSTODY AT KALAMA

Castlerock, Wash., Sept. 2.—Two men, suspected of being those who robbed the Alger hardware store Saturday morning, taking a number of guns, have been arrested, and are at Kalama to await trial. The capture was made by Marshal Clark Studebaker and Mr. Alger, who went to Kelso to work back this way in hope of getting some trace of the thieves. They met two strangers soon after passing Ostrander. Both men had guns, and investigation proved one of them was one of the stolen weapons. The two were placed under arrest, and given over to Sheriff Close and his deputies, who were also on the trail. The officers believe that the burglary was the work of amateurs.
