SEVENTEEN HITS AND FIVE ERRORS ALLOW BEAVERS 9-1 GAME

Rip Hagerman Too Much for Champs and O'Brien Proves Easy for Mackmen.

San Francisco, Sept. 4. Sevention hits were made by the Bravers off Buck O'Brien, late of the Boston world's champions, who performel in a couple of games against the New York Glants last October, and Bill Malarkey, who pitched the last inning against the Mackmen Buck must have left all of his cunning in those two games, for he did not fool the Beavers.

At the same time it can not be denied that he was given punk support and so was Malarkey. The score was 9 to 1, Portland having made four runs the ninth off Malarkey, who relieved O'Brien when Clemens pinched for Buck

in the eighth.

On the other hand Rip Hagerman pitched five-hit baseball, the Oaks gathering their lonesome tally in the first inning on Leard's long triple and Hetling's single.

Strange enough triples figured for both lead-off men. Chadbourne cracked one out off O'Brien to start the game, and Derrick, who got three for the afternoon, rapped out a single that registered Portland took the lead in the second

when Fisher scored on Hetling's error Lober's out at the plate on an at-tempted double steal with Gus and Hagerman's double. Derrick and Rodgers singled to start the third, but Lindsay forced Derrick,

O'Brien to Hetling, and Doane forced Rodgers unassisted, but the other two runners advanced when Gus made a wild peg to first. Lober singled and cleaned the bases. Another run was the toll in the sev-

enth. Chadbourne singled and reached third on two outs, scoring on Doane's Briefly here is the last inning: Derrick out, Leard to Gardner; Rodgers singled; Lindsay singled, Rogers on third; Doane flied to Zacher, scoring Rodgers, Lindsay taking second; Lober

singled, scoring Lindsay; Lober took second on the throw-in; Kores singled and Lober scored on Kreitz's error, Kores on third; Fisher safe on Cook's error. Kores scoring; Fisher out, trying to reach second, Kreitz to Cook. PORTLAND

BRILLIANT YOUTH WHO MAY BE CHAMPION

W. M. Johnston, the California wonder at tennis, 18 years old, is the coming man, according to the experts in the game. He is in some respects much like McLoughlin, the American champion, who helped lift the Davis cup in

hard fought contests in England, Johnston, who has red hair like McLoughlin has great speed and daring. He has a fast, straight service. His kill is not as deadly as that of the champion, but his back court game is perhaps the best in the country. He has a great forehand drive, with a remarkable control of the ball. He has lift and "top," and drives the ball faster and straighter than Mac.
