I frequently suffered from headaches and dizzy spells. I heard so much comment about Plant Juice, I thought I would try it too. I have now used three bottles and it has been of great benefit to me, my stomach is much improved. I am now eating most anything I want and the food seems to agree with me, so I do not suffer afterward. In fact, my whole system is much improved. My mother has been taking Plant Juice, too. She suffered from bladder trouble and is very much better since she began taking it. She has only used one bottle and we are both very enthusiastic about Plant Juice and glad to recommend it to others."

"MANLY" MEN FIND BIBLE, SAYS OSTROM

They Will Read the Good Book on Only as Literature.

Walla Walla, Wash., Sept. 8.—"If the churches were locked, the Bibles burned and the preachers imprisoned, the manly men would start a hunt for a Bible, a church and a prayer meeting, and he would pry open the prison doors to let the preachers out," declared Dr. Henry Ostrom of Greencastle, Ind., before a mass meeting of men held in the White Temple Baptist church yesterday afternoon as a part of the fortieth annual meeting of the Columbia river conference of the Methodist church.

Speaking on "The Manly Man" Dr. Ostrom said: "An every day man is not a dude, he is a man. A man every day. Look at the copper plates of your sample, and not at the crooked lines and curves we've made of it. You cannot be manly by copying from an imperfect model."
