WICKERSHAM DESERVES SECOND PLACE IN LIST

Mrs. Northup Shows More Impressive Record Than Any Other Woman.

- Unofficial City Tennis Rankings. 1-L. K. Richardson. 2-Brandt H. Wickersham. 3-Walter A. Goss. 4-F. H. Gill. 5-F. H. V. Andrews. 6-Catlin Wolfard. 7-S. B. Cooke. 8-L. Cowing. 9-Walter D. Brewer.

L. K. Richardson, holder of the men's singles championship of the city and also holder of the Irvington club title, is player No. 1 of the local unofficial rankings.

Although he has played in but three tournaments, Wickersham is given second place in the rankings. He won the Irvington club handicap tournament and was runner up in the state singles event.

The veteran player, Walter A. Goss, is given third position. Goss, although not as fast as several years ago, still plays the same steady game, always showing that never beaten spirit until the end of the match.

F. H. Gill and F. H. V. Andrews rank fourth and fifth. Gill played great tennis during the season and when the official rankings are issued he may be given a higher place.

Catlin Wolfard, holder of the Inter-scholastic championship and one of the rising stars in the northwest tennis world, is ranked in sixth position.

There is no doubt as to who is the ranking lady player of the city. She is Mrs. W. I. Northup, runner-up in the Oregon State tournament and winner of the city championship.

LOBER HEADS LIST OF LEAGUE'S BATTERS

Chadbourne's Recent Rise Is One of Features of Past Two Weeks.

Although the Portland Beavers slumped badly in their batting in the series against the San Francisco Seals, McCredie's team is still at the top of the league in the batting department.

Tyrus Lober leads the batters of the league with the mark of .320. Bayless of the Venice Tigers holds second position and Bill Spears of Portland is third with .313.

Other Beavers in the selected class and their averages are: Doune, .167; Fisher, .307; Lindsay, .304 and Rodgers, .303. Johnston and Maggart are the only other .300 hitters.

One of the features in the batting department of the Coast league's game during the past couple of weeks is the rapid rise made by Chester Chadbourne in batting.

The individual averages including games of September 14 are:

Table with columns for Club, Batting Average, and Games Played. Includes teams like San Francisco, Sacramento, and Venice.

Harry Fischer, chairman of the basketball committee, has already started to get things in shape for the annual interclub league.

Six players have signed the entry list of the handicap three cushion billiard tournament, which is scheduled to start October 1.

It is expected that at least 15 players will be on hand with the second club football squad this afternoon.

Frank Vance, instructor of the Seattle Athletic club and his athletes, who took part in the Pendleton Round-up meet, spent last Sunday at the club.

The Albina baseball nine will play the Oregon State Penitentiary this afternoon on the prison field.

A Convincing Story

So many young men in this country are convinced by experience that the surest way to be well dressed, to look and feel stylish without being conspicuous, is to wear

Hart Schaffner & Marx

Clothes—we're sometimes surprised that all the young men don't feel the same way about it. Young men are harder to please in matters of style than older men, and the fact that Hart Schaffner & Marx are designers and creators, not imitators, appeals to the snappy young fellows who want to have the right thing and know that it's the right thing.

We invite the young men, as well as the older men, to inspect these clothes—they're the surest satisfaction clothes you can have.

See our suits at \$25 as an example of better style and fine quality. We have fine goods at \$20 and up to \$40.
