WALTER'S DRILLERS PUT DYNAMITE UNDER **BIG ROCK IN THE 5TH** 

Up She Goes and Two Runs Cross the Platter, Giving Second Game To Leaders.

Brown Stone's rockribbed pitching disintegrated in the fifth inning yesterday and the Beavers put over two runs on the former St. Louis American, which were enough to win without the extra tally made in the seventh frame. Bill James was in fine fettle and his speedballs had the Oaks guessing except for the second session, when they put over their lone ace due to the lethargy of Firstbaseman Derrick. The game was punctuated by a number of brilliant plays by the league leaders, notably Chadbourne, Davis and Rodgers.

Temporary Manager Gus Hetling was compelled to make a complete shift in the Oak scenery, due to injuries on the part of the pinyers. Doe Cook had to piny first, Leard go to short and Seltz to second, while Kaylor cavorted in right eld. They put up a pretty good game at that.

One was down in the fifth when Lo-ber waked and Fisher singled through second. Davis rode a safe one into left field and peopled the bags. James cracked a sizzler at Hetling that Gus managed to knock down but it rolled to ager, was selected from a long list of high grade material, and I believe he will be just the man to give Oakland a winning ball club again," said Presi-dent Frank Leavitt of the Oakland club. Devilin has wired Leavitt that he will foul ground and Lober crossed. Gus reach Portland today, but whether he will take immediate charge is not known. WHEN THE GIANTS THINK OF THE MELON

Arthur Shafer, the brilliant young infielder of the New York Giants, who has been one of the mainstays of the National League champions all season, both at bat and in the field, on the left, and Olaf Wilson, the classy young third string backstop of the Giants, who gets a full share of world's series dough although he may not take part in a single game of the series. Shafer and Wilson, as do their team-mates, fully believe that they will make a clean sweep of the series with the Athletics next month.

San Francisco, Oct. 2 .- "I wanted the public to know that I think I can whip Jimmy Clabby with any referee in the ring," was the explanation given today by Sallor Ed Petrockey, who yesterday threatened to call off his match with Jimmy Clabby of Indiana if Promoter Coffroth insisted upon Benny Belig offi-ciating, but later agreed to accept Selig.

Beat Clabby

"Everything is now settled," contin-ued Petroskey, "and the fight will be a hummer from the start. I shall try Los Angeles, Cal., Oct. 2. - Elmer Koestner was pounded for 11 bingles in eight innings yesterday. These proved enough for the Angels to defeat for a knockout from the opening of the first round."

Fisher walked in the seventh on the ender pitcher, but was forced by Davis. James hit to Hetling and in throwing to Selts, Gasoline Gus displayed poor marksmanship and Bobby reached third. He was out at home trying to score on Chadbourne's grounder to Seitz. Here Stone crumbled again and hit Derrick. filling the bases, following this by a walk to Kores that forced James across for the third run. Rodgers forced Der-rick out on a grounder to Hetling.

Columbus, Ohio, Oct. 2,-On account of the soggy condition of the track only one event of the Grand Circuit race program of yesterday was finished. The

National League Games, Philadelphia — Brooklyn-Phila game postponed; rain

end would cause a switch in prices. Among ring experts the match is considered to have a particularly even look, Clabby's cleverness and experience be ing offset by Petroskey's ruggedness and determined style of milling. Clabby today weighed about 150 pounds, which is eight pounds under the mark allowed by the articles.
