New York—Bush appeared perfectly cool. Hersog out, Barry to Melanes. He waited for three and two before swinging on one of the Athletic's offerings. Bush gave Doyle two balls but split the plate with the third. Doyle bounced a hit off Bush's glove which the pitcher was barely able to knock down. Bush threw to first repeatedly to keep Doyle frozen to the bug. He was led into this by an attempted steal by Doyle which was balked by Fletcher fouling off one. Fletcher hit by pitcher and went to first. The crowd rossed in jubilation. Bush gave Burns two straight ones. They were far from cencenter of plate. Doyle was worrying Bush by dancing off second as though ready to steal. Burns popped to Collins, who tossed to Barry, doubling up Doyle. No runs. One hit. No errors.

Second Inning.

Philadelphia—Schang was called ou on strikes. Tesreau out-guessed Schang on the last one. Bush filed to Murray. Tesresu appeared to be working with less exertion than shown in his pitching to the head of the battin gorder. Murphy beat out a hit to Fietcher, Tereau worked him into swinging hard at two before he connected safely. Oldring singled to right, putting Murphy on third, Old-ring hit the first ball pitched. Old-ring stole second. McLean's throw

Two runs, three hits. Doyle made a remarkable one-handed stop of Baker's liner, running at full speed. He dashed onto second for the out.

New York—Shafer out, Collins to Mc-Innes. Murray filed to Collins, it was a high one which just cleared the infield, Collins backing up for it. Bush put the first one for McLean squarely over the plate. Larry swung at the second over the plate. Larry swung at the second and missed a foot. The next two were balls. McLean popped a high foul to Schang. No runs, no hits, no errors.

No runs, no hits, no errors. New York-Merkle flied to Strunk Bush was still taking it easy. Tesreau was given a hand when he came to bat. Tesreau struck out on three pitched balls. Hersog then popped to Collins, No runs, no hits, no errors.

New York—Doyle fouled out to Baker, after waiting for two balls and one strike. Fletcher singled over Bush's head. Bush threw three straight balls to Fietcher and when the crowd began pulling for a base on balls, he put over two called strikes. Fletcher nailed the following one. Bush was working very slowly, taking a lot of time on each ball. Burns struck out and on a quick throw to first Schang nearly caught Fletcher off the bag, Fletcher got back only by a quick slide. Fletcher stole second, Schang's throw being a little to the left of the bag and low, but Collins held the ball. Shafer out, Collins to McInnes. No

## EXPLAINS PURPOSE OF LOAN ASSOCIATION

As part of a two weeks' whirlwind stock selling campaign for the projected remedial loan association, Wilfrid P. ones, chairman of the finance committee, made an appeal for subscriptions to the members of the Progressive Business Men's club at its weekly luncheon at the Multnomah hotel this noon.

Subscription blanks were distributed among the members and collected at the close of the meeting. Although the amount is not known as yet, the number of blanks turned in indicates that the members of the organization subscribed enough to make a large addition to the \$7000 already pledged.

Among those having subscribed in

large amounts so far are: Ben Selling, William M. Ladd and H. W. Corbett estate, each \$1000; Labbe Brothers, Meler & Frank company, D. P. Thompson estate, Mrs. Solomon Hirsch, and Dr. N. W. Jones, each \$500; R. L. Glisan, W. G. McPherson, C. F. Adams, A. L. Mills, Edward Cookingham and William D. Wheelwright, each \$250.

Mr. Jones placed the proposition be-

fore the club on a business basis, stat-ing that 6 per cent interest will be paid on the stock and that not more than \$1000 worth will be sold to any one per-

## "BULL MOOSE" HAVE HIGHWAY OBSTACLES SURE-ENOUGH PARTY

20 Per Cent Presidential Vote Is Enough,

(Salem Bureau of The Journal.)
Salem, Ore., Oct. 2.—The Progressive party is a legal political party and subject to the primary laws in this state, in the opinion of Attorney General Crawford given today to Secretary of State Olcott. The Bull Moosers polled 20 per cent of the vote cast in the sate for presidential electors at the last general election, and this qualifies them as a political party even if the legislature in amending the election laws do overlook amending section 2362 of the code, which describes a political party as one that cast 25 per cent of the vote code, which describes a political party as one that cast 25 per cent of the vote polled for representative in congresss. While the Progressive party cast 20 per cent of the votes pelled for presidential electors it did not cast 25 per cent of the vote polled for representatives in congress, and it was to settle these conflicting provisions that the secretary of state requested an opinion from the attorney general. The attorney general holds that the 20 per cent provision fixes the status of the party. provision fixes the status of the party, and that nominating petitions must have two per cent of the vote cast by the party in the electorial district in which the nomination is sought.

Attorney J. At the station he was required to accept service of the bench warrant, and was re-leased, as Circuit Judge Gatens had leased, as Circuit Judge Gatens had issued an order staying proceedings until a petition for a writ of review, filed by Attorney John J. Judge Stevenson issued the beach warrant when he learned the appeal had

been dismissed, and Attorney Jeffrey nurriedly filed the petition for the writ of review. Circuit Judge Cleeton, before whom the appeal was to have been heard, was absent, and Circuit Judge Gatens was asked to grant the stay of proceedings. The petition alleged that Hitchings was acquitted of the same charge prior to his conviction.
