

SUBSCRIPTIONS POUR INTO HANDS OF ROSE FESTIVAL COMMITTEE

Amounts Range Higher Than Last Year's; Historical Pageant Planned.

The Rose Festival is Portland's greatest advertising asset. This sentence taken from a letter received by the festival officials this week reflects the consensus of opinion of all the subscribers to the festival fund to date.

Answers have been received to over 20 per cent of the letters sent out asking subscriptions, and in every instance the amounts subscribed have been from 20 to 50 per cent higher than in previous years. These letters are acknowledged as such and the writers are requested to send to the festival board of governors any idea they may have as to the betterment of the festival.

The response has been most encouraging, said Jesse A. Curry, publicity manager, yesterday. "Without exception all who have replied to our requests for subscriptions thus far have been unanimous in praise of the Rose Festival as a great thing for Portland. Neustadter, Fred A. Jacobs, Judge William D. Fenton, J. P. Finley & Son, Selschner, Mayer & company are only a few of the large establishments that have written, praising the festival as a great advertising feature for the city of Portland.

The board of governors will present a preliminary budget relating to the expenses of their respective departments at the next meeting of the association.

Try to White-wash Pimples

People Who Attempt to Hide Unsightly Pimples Behind Paint and Powder, Clog Their Pores and Coarsen Their Skin.

Pimples are the source of the greatest chagrin and humiliation to the sensitive girl anxious for the admiration that beauty receives. And it is only natural that she tries to hide them behind paint and powder.

"That's No Use Trying, I can't Hide Pimples With Paint."

If she only knew how easily pimples can be cured with Stuart's Calcium Waters, she would never use cosmetics again. Just as soon as her blood has been cleaned by the purifying agents of this sovereign remedy, all the foul conditions of her skin—pimples, blackheads, blemishes and liver spots—would quickly disappear.

Stuart's Calcium Waters taken into the blood convert the impurities that have gathered in the pores into a gaseous form that readily escapes through the pores. At the same time, they stimulate the pores into throwing off the foul matter that accumulates about them. The result is that the blood and skin are quickly freed of all impurities and restored to a healthy, vigorous condition. With pure blood, a healthy, beautiful skin will follow as a matter of course.

This fast country. I have to move six times faster here than in my homeland. My money goes 12 times faster. If I don't move fast enough, I will have all the autos in the city on me, and the street cars will push me forward—or a yellow "honk" wagon will send me five blocks down in the wrong direction!
