Beauty Doctor Tells Secret

Recipe to Darken Gray Hair and Promote Its Growth.

Miss Alice Whitney, a well-known eauty doctor of Detroit, Mich., recently gave out the following statement: 'Anyone can prepare a simple mixture at home, at very little cost, that will darken gray hair, promote its growth ness, and make it soft and glossy. To half gish kidneys.

The moment you feel a dull ache a pint of water add 1 or, of bay rum, a small box of Barbo Compound, and 1/4 oz. of glycerine. These ingredients can be bought at any drug store at very little cost. Apply to the hair twice a week until the desired shade is obperson look 20 years younger. It is also fine to promote the growth of the hair, relieve itching and scalp diseases, and is excellent for dandruff and falling hair.

THROW AWAY YOUR GLASSES

The statement is made that thousands wear eyeglasses who do not really need them. If you are one of these unfortunates, then these glasses may be ruining your eyes instead of helping them. Thousands who wear these "windows" may prove for themselves that they can dispense with glasses if they will get the following prescription filled at once. Go to any active drug store and get a bottle of Optona; fill a two-ounce bottle with water and drop in one Optona tablet. With this harmless liquid solution bathe the eyes two or four times daily and you are likely to be astonished at the results right from the start. Many who have been told that they have astigmatism, eyestrain, cataract, sore eyelids, weak eyes, conjunctivitis and other eye disorders report wonderful benefits from the use of this free prescription. Get this preacription filled and use it; you may so strengthen your eyes that glasses will not be necessary. Thousands who are blind or scarly so, or who wear glasses, would never have required them if they had cared for their ayes in time. Save your eyes before it is too late! Do not become one of these victims of neglect. Eye-glasses are only like crutches and every few years they must be changed in fit the ever-increasing weakened condition, so better see if you can, like many others, get clear, healthy, strong, magnetic oyes through the prescription here given. Flush the Kidneys at once when Back hurts or Bladder bothers—Meat forms urio soid.

No man or woman who eats meat reg-ularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which closs the kidney pores so they which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from slug-

Roseburg, Or., Oct. 15.—Judge Hamilton, in the circuit court, holding that the county court is merely administrative in such matters, has ruled that a writ of mandamus be issued the county court to order an election in the town of Sutherlin, on Tuesday, November 4, under the local option law. The writ was asked for by Mrs. M. E.
