## Local Notes

**"Mexico" Will Be Subject**—"The most important and most talked of subject in America today," says the controversy with Mexico," reads the announcement of the Rotary club luncheon at the Commercial club tomorrow. C. V. Cooper, president of the club, is to discuss the situation in Mexico, which he is well able to do because the rubber company of which he is head has all its holdings in the turbulent republic. The Mexican consul, Frank A. Spencer, is to be a guest of honor, and the vice president, J. C. English, will be chairman of the day.

**Boy Accidentally Shot**—The charge of a shotgun accidentally discharged yesterday afternoon struck Roy Johnson, 13½ years old, in the face. He is at the St. Vincent hospital. Several shots lodged in the cheek. Johnson is 17 years old. He was hunting near the Vancouver ferry. The gun was discharged when he pulled it near the Vancouver ferry. The gun was discharged when he pulled it near the Vancouver ferry. The gun was discharged when he pulled it near the Vancouver ferry.

**Final Shoot Is Held**—Approximately fifteen of the Oregon National Guard attended the closing event of the record practice season for the national trophies at the Clackamas range yesterday. Colonel Martin was in command. Exact scores were not known for some time but it is stated that Multnomah county troops have qualified a large number of sharpshooters, riflemen and marksmen and that the report to the war department will give the Regiment and the Coast Artillery corps an unusually high standing.

**Pastor Surprises Congregation**—Instead of delivering the regular anticipated sermon last night, Rev. Walter Duff, the new pastor of the Calvary Baptist church, East Eighth and Grand avenues, surprised the congregation by giving an illustrated talk on "Scenes of England and the Reformation." The service was much different from the usual church meeting and Rev. Mr. Duff sought to tell by story and pictures of the reformation. Rev. Mr. Duff is a believer in advertising as a means of upbuilding the church.

**Compensation Act Discussed**—The subject of discussion by the Current Events club at the First Presbyterian church yesterday was the workmen's compensation act. John S. Bradley of Washington state said that in his two years' experience of a similar law in that state it had proved very satisfactory. The club is composed of members of the church and it discusses topics of practical interest every Sunday noon.

**Gaze at the Multnomah**—An enthusiastic audience listened to Harry Gaze yesterday afternoon at the Multnomah hotel. Tonight at 8 Mr. Gaze opens a series of six consecutive lectures at the Multnomah hotel committee room on mazzanine floor. Subjects: "Concentration," "Health," "Perpetual Youth," "Financial Success," "Genius and Heredity" and "Course, complete, \$5; single lecture, \$1.00." (Adv.)

**Special Meetings at Library**—Special meetings scheduled for this week in the service rooms at the Multnomah hotel library include the Audubon society tonight at 8 o'clock, Portland Grade Teachers' association Wednesday at 4 p. m., and Portland Educational association at 8 p. m. Oregon Civic League Thursday, November 6, at 8 p. m., and first lecture in Reed college extension series by Arthur E. Wood at 8 p. m.

**Man and Woman Fined Quilting**—B. C. Cople, a city fireman, living at 535 Couch street, Saturday evening came home and found A. J. Clark there with Mrs. Cople. A fight followed, and then arrest of the wife and Clark. Both pleaded guilty this morning in the municipal court to a statutory charge. Sentence was deferred until this afternoon at 2 o'clock.

**Mass Meeting at Richmond**—A mass meeting of the patrons of the Richmond school will be held at the school building Wednesday evening, November 5, at 8 o'clock. Matters of vital importance to every resident of the district will be discussed. A short program will be given by the pupils. Every one is urgently requested to be present.

**To Meet at Holmes School**—The Holmes School Parent-Teacher circle will meet in the auditorium of the school at 8 o'clock tomorrow afternoon. O. M. Plummer, member of the school board, will speak and entertainment will be furnished by the pupils. Refreshments will be served.

**Will Debate Single Tax**—W. S. U'Ren and J. V. Manning will oppose each other at the Arleta school tomorrow night in a debate on the single tax question. Mr. U'Ren will speak in favor of the tax while Mr. Manning will speak against it. A short musical program will precede the debate starting at 8 o'clock.

**Salvation Army Services**—Major and Mrs. John Galley of Chicago, assisted by Captain and Mrs. Douglas, will conduct the services at the Salvation Army hall, Second and Ankeny streets, tonight, Tuesday and Wednesday, at 8 p. m. Special music will be rendered. Admission will be free. All are invited.

**Estate of James Mackenzie**—The estate of James Mackenzie, who died August 21, was probated today. The estate is composed of Lincoln and Yamhill county lands, and is valued at \$6000. Two brothers and a sister are the heirs.

**One Third Your Life in Bed**—Make that third comfortable and restful by keeping your mattress and pillows re-ovated. Portland Curled Hair Mattress Factory, 15th and Loyal streets. Phones Main 224, A-1547. (Adv.)

# THIS IS A REPRODUCTION OF BALLOT THAT WILL BE VOTED ON TUESDAY, NOV. 4

Reproduced below is the official ballot as it will appear when handed to voters at the polls for the special election November 4.

In voting it is important to remember the advice of the secretary of state. Proceed exactly as you would at the regular election. If you want any measure to become a law, vote "Yes." If you want any measure to be defeated, vote "No."

This is not a vote for or against the referendum on the measure. If it is a vote direct on the measure themselves, the first five of the six measures on the ballot were passed by the legislature and later referred to the people for approval or disapproval. The sixth measure to issue bonds for the interstate bridge was submitted by initiative petition.

Keep in mind that a "Yes" vote is for the measure; a "No" vote is against the measure.

## Letters from the People

**On Sterilization Act** vote 305 No. (Ad)

(Communications sent to The Journal for publication in this department should be written on only one side of the paper and must be accompanied by the name and address of the sender. If the writer desires to have the name published, he should so state.)

"Discussion is the greatest of all reformers. It rationalizes everything it touches. It robs principles of all false sanctity and throws them back to their proper level. If they have no reasonableness it ruthlessly crushes them out of existence and sets up its own conclusions in their stead."—Woodrow Wilson

## Doctor Rebukes Doctor

Portland, Nov. 1.—To the Editor of the Journal: I notice in your issue yesterday what a doctor says about the sterilization law, to be voted upon next Tuesday. I desire to say in comment that in this day of Christian civilization no man, and especially no doctor, ought to prescribe a remedy for anything, that he is not willing to apply in his own case. Is there a doctor who would take his own medicine? Is he willing to have others do to him as he wants to do to others? No one is so much to be feared among men as the moral monster—one devoid of human sympathy, and wanting in respect for the work of God.

## Another Doctor

Portland, Nov. 1.—To the Editor of the Journal:—In last evening's issue of the Journal, Dr. Schultz writes in a very odd way of the sterilization act. Judging by the tenor of his letter he must be a healthy man with red blood in his veins, but little feeling in his heart. Perhaps he has a conscience fully as scientific as Dr. Schultz's, but that does not make me oblivious of the fact that the judgment of no man or body of men is infallible. I do not even except the body of men to whom authority is delegated. I have medical authority for the assertion that it is exceedingly difficult to pronounce any patient incurable and a professor in a western university once said that it is better to err on the side of mercy.

## Appeal to Lovers of Mercy

Merlin, Or., Oct. 30.—To the Editor of The Journal:—I am writing you through the columns of The Journal to address the voters of Oregon. I would say: In the name of common humanity, let each and all labor to abolish capital punishment. To punish men in eternity, guilty or otherwise, is a relic of barbarous ages. Many men have been wrongly executed, and should such be the case with any of those who may die in Oregon, if you have a conscience above the lower animals you will never experience peace of mind. Which of you would pass the same judgment upon one of your own children? Not one of you. Remember, your neighbor's child is as dear in the parent's sight as your own. All those who vote for capital punishment are only helping along the works of the devil. There is no compassion in their hearts—only revenge. Christ forgave sinners, and he taught us to follow in his footsteps. Did he command to put man to death? No. Neither should we.

## There are Seymour and Spanos, who must die tomorrow, sentenced on purely circumstantial evidence. Do give such as these a chance for life. These friends of boys and girls in Oregon, but were led astray by environ-

**County Attorney Act**—Referred by authority of J. E. Crab, No. 431 Worcester Building, Portland, Oregon.—Its purpose is to provide a District Attorney for each county in the State, and to fix their salaries in lieu of the present system of providing a District Attorney for several counties with the authority to appoint deputies for other counties.

Vote YES or NO.

**Workmen's Compensation Act**—Referred by authority of Wilfred H. Farrell, No. 623 Lumbermen Building, Portland, Oregon.—The purpose of this measure is to create a State Industrial Accident Commission, composed of three Commissioners, to provide a fund for the compensation of injured workmen employed in hazardous occupations, to be raised partly by the State, partly by employers and partly by employees; the Commission to determine the amount under the act to be paid any person or persons on account of any injury received in the course of his employment.

Vote YES or NO.

**PROPOSED BY INITIATIVE PETITION.**

**Bridge Bonds**—To authorize Multnomah County to issue bonds amounting to \$1,250,000 for the purpose of constructing an interstate bridge across the Columbia River between Portland, Oregon, and Vancouver, Washington, and the approaches thereto.

Vote For or Against.

**Sterilization Act**—Referred by authority of Mrs. Lora C. Littley, Vice-President, Anti-Sterilization League, No. 1110 Forty-third Avenue, Portland, Oregon.—Its purpose is to authorize the State Board of Health to order such surgical operations as the Board shall adjudge to be necessary upon habitual criminals, moral degenerates and sexual perverses, both male and female, and defining who shall be considered as such, the same being persons confined in some State institution.

Vote YES or NO.

**Action on University Referendum.**

Astoria, Or., Nov. 3.—To the Editor of The Journal:—Organized labor of Clatsop county, represented at the last session of the Astoria Central Labor Council, indorsed the measure favoring the referendum on the appropriations for the University of Oregon.

Kindly make this fact known through the columns of your paper.

HERMAN D. KRIBBS, Recording Secretary.

## \$250 IS FIRST AID LIMIT OF COMPENSATION ACT

In an article discussing the workmen's compensation act which was contributed by the Oregon Civic League, a paragraph, as published Sunday, reads: "The act makes the cost of 'first aid' as well as immediate and necessary hospital expenses a charge against the industrial accident fund, the amount being limited to \$100."

As a matter of fact the "first aid" is limited to \$250 and burial expense \$100. The paragraph should have read: "The act makes the cost of 'first aid,' as well as immediate and necessary hospital expenses, a charge against the industrial accident fund. Provision is also made for the payment of funeral expenses from the fund, the amount being limited to \$100."

## SNAKE CHARMER CASE REACHES POLICE COURT

Mabel Boucher, the little snake charmer, who defied the police Saturday morning with her reptiles, was in police court this morning to answer to a charge of defrauding an innkeeper. The management of the Hoyt hotel, claims she removed her snakes and baggage without paying \$4 room rent, and in addition thereto asks \$20 damages to the room on account of a fire.

The snake charmer contends that her baggage was held in the room, and that she would pay rent when she secured her baggage. Judge Stevenson asked Patrol Officer Inskip to investigate. The girl is allowing the snakes to remain at the Washington park zoo.

## POLICEMAN SHOTS HIS MEXICAN ASSAILANT

Los Angeles, Nov. 3.—Adolph Moreno, a Mexican, is dead, while the police are searching today for his four companions in an early morning attack on Patrolman Albert Waples, in the Mexican quarter.

Waples had been warned anonymously to leave the quarter under penalty of death. Early yesterday he was attacked by five armed Mexicans. He killed Moreno and put the others to flight after a gun battle lasting 15 minutes.

## Hart Buys Times

Williamina, Or., Nov. 3.—J. A. Hart, founder of the Times, has acquired the property again by purchase, and announces that he will take editorial management December 1.

## FLAXOSE

Science has recently given to the world a new food by discovering a means of deodorizing flax. This deodorized flax is called flaxose, and is a very agreeable, rich and nutty flavor. When combined with wheat and rye in the proper proportions, this nutty flavor is very pronounced, and the combination of cereals may be used in many ways. It makes excellent bread, graham, muffins, hot cakes, breakfast mush, brown bread, cookies, etc.

The medical properties of flax have been well known for years, but owing to its disagreeable flavor it has never before been available as a food. The healthful effects can now be secured in a new cereal called Roman Meal, a 3-lb. package of which may be secured at your grocer's for 25c.

Taken daily in the form of mush, graham, muffins, etc., it will cure constipation and many other ills of the digestive tract. Here, then, is an opportunity for people suffering from constipation, to secure the benefit of a scientifically balanced food. Ask your grocer for a package.

You can get Roman Meal Bread, baked by The Log Cabin Baking Co., at your grocer's for 5c a loaf.

## WELL-KNOWN AUTO MAN DIES SUDDENLY

Archie V. Davis.

Archie V. Davis, northwest representative of the Maxwell Motor company, who came here in April, died suddenly yesterday morning of heart disease. The death, which occurred about 3 o'clock, came as a complete shock to his many friends. Mr. Davis and his wife returned to their apartments in the Morton, King and Washington streets, late Saturday night, and at 10 o'clock Sunday morning Mr. Davis, complaining of a pain near his heart, aroused Mrs. Davis. Before coming here, he was sales manager of the Maxwell branch at Detroit, Mich., his home. He has figured in many automobile races and was one of the winners of the Golden Tour of 1912, with the Maxwell team. The tour was from Detroit to New Orleans, and was won by the Maxwell team of three cars. Mr. Davis has made several notable runs, among them being a trip from San Francisco to Seattle in the first small Maxwell car sent to the Pacific coast. He was also the first driver over the new Columbia river highway from Bridal Veil to a point one mile west of Multnomah falls, the end of the present construction work.

Mr. Davis, who was 31 years old, married Miss Tillie Schneider of Detroit, September 11, 1908. The body will be taken back to Detroit for interment, leaving Portland this evening at 7 o'clock.

## PORTLAND MEN JOIN NATIONAL CHAMBER

By the visit of Walter E. Dorland, field secretary of the Chamber of Commerce of the United States, Portland's representation in the national body will be increased by about 15 memberships. The body was organized to unify the varying business interests of the entire country and secure so far as possible a better working connection among the local chambers.

The organization was effected at the instance of the federal department of commerce and has been in existence only a year.

Letters were sent out recently by Secretary E. C. Giltner of the Portland Chamber asking cooperation with the national body. A. H. Averill, president of the chamber, and Joseph N. Teal, counsel for the transportation committee, have been members from the first.

The new members are: W. M. Ladd, A. L. Mills, Harry L. Corbett, S. M. Mears, Franklin T. Griffith, Guy W. Talbot, C. S. Jackson, W. G. McPherson, C. F. Adams, A. H. Devers, Edgar E. Piper, Theodore B. Wilcox, L. A. Lewis, Julius L. Meier and W. D. Wheelwright.

## UNIVERSITY MEASURES FAVORED BY SPEAKERS

Support of the university appropriations and the workmen's compensation act at the polls tomorrow was urged at a meeting of the Portland Y. M. C. A. yesterday by Eugene Brookings, one of the most active workers for the university, and Secretary Stone of the Y. M. C. A., who spoke for the compensation bill.

Mr. Stone declared it was the duty of the state to make provision for the support of its injured workers, and said the compensation act offers the most equitable method devised thus far.

Mr. Brookings stated that the defeat of the referendum evoked against the university appropriations simply means nothing more than the release for use of moneys already appropriated for the university, but held up by the referendum.

## ONLY ONE TICKET NOW IN FIELD IN OREGON

Orengo, Or., Nov. 3.—Friday night the following ticket was selected for the second election since the town was incorporated. For mayor, Malcolm McDonald; recorder, R. L. Wann; marshal, Grant Brown; treasurer, Edna Purdy; council, Robert Schneider, E. A. Minomoyer, H. V. Meade, John Halmsom, John A. McGee and Spencer Jones.

It is probable that another ticket will be put in the field. The election will be held in December.

# DEFENSE IS MADE OF COMPENSATION ACT

## Statement of Electrical Workers No. 125 Declared to Be Untrue.

In a published advertisement signed by "Electrical Workers No. 125" and headed "Working Men Vote—309X—No," the voters are urged to defeat the compensation act at tomorrow's election and the statement is made that under the act a man suffering total disability would receive only \$25 per month.

This statement is untrue.

Under the provisions of the bill, pensions for permanent disability range from \$10 to \$50 per month, and furthermore a pension goes to the widow or children in case of the disabled worker's death.

If a man sustains injuries that result in permanent disability, the law provides for his support as follows: If unmarried, \$30 a month; if the worker have a wife or invalid husband, but no child, \$35; and for each child under the age of 16 years, the monthly payment shall be increased \$6 until such child shall arrive at the age of 16, but the total monthly payment shall not exceed \$50.

## JEWELER'S WINDOW IS SMASHED, GEMS STOLEN

San Francisco, Nov. 3.—The plate glass window of Walter & Wolf, Fifth and Market streets, was smashed here early today and \$190 worth of jewelry stolen. The robbery is believed to have been the work of the same man who smashed the window of the Macey Jewelry company on Market street early Saturday, escaping with jewelry worth more than \$1000.

## Broken Glasses

Every day we receive many broken glasses for repairs. Much of this "repair" work comes by mail. If we fitted the glasses, we have a small piece of broken glass enables us to make an exact duplicate of the lenses. We are prepared to give this class of work prompt attention at a very reasonable price.
