KANSAS CITY FEDERAL LEAGUERS SAID TO BE AFTER WALTER DOANE

JUMPING OF KRUEGER SHOWS OUTLAWS ARE AFTER COAST LEAGUE

Strong Rumor Stovall Making Overtures to Buddy Ryan Also.

Giving Artie Krueger a three years' contract with the Kansas City Federal league club, at a salary of $3000 a year, Manager George Stovall yesterday made the first raid on the Pacific Coast league, and rumor today has it that the Kansan will seek the services of Walter Doane of the Portland Beavers and Buddy Ryan, recently released by Cleveland to Toledo, offering them good contracts.

The Krueger deal was made late yesterday afternoon in Los Angeles and the contract will be signed today. The Dutchman and Stovall were teammates several years ago on the Cleveland club of the American league and were good friends then, which, taken with the fact that Artie knows he is slipping, induced the hurdle.

"Krueger did the wise thing in jumping to the Federals," said Manager Walter McCredie, who traded him to the Los Angeles club for Ty Lober, this morning. "The Dutchman knows he is about through and if he can get a contract for three years with Kansas City, it will prolong his baseball days in fast company."

Berry Might Have Said Go.

"Yes," put in Uncle William Wallace, "if the truth were known, Hen Berry probably tipped it off to him that the Los Angeles club would not make much of a kick if he did skip out to the Federals."

"Krueger saw the bench staring him in the face this season," continued Manager Walter, "and concluded he might just as well fix himself for the near future as a regular. With Maggart, Ellis and the new man from Montreal, Allen, to play the outfield, there did not seem much show for Krueger, who has slipped badly in a year.

"As long as the Federals take such fellows as Krueger, I don't think there will be much of a holler from the Coast league, but let them nab one of our young fellows and there will be a howl that will be a howl that will carry to high heaven."

George Stovall, who is popular with the ball players, seems to have had more success than any of the others in raiding the ranks of organized baseball. George was the first to throw off the yoke of organized baseball and he has started out with the intention of showing the powers that be that he means business.

Rumor Is Substantial One.

The rumor that he is after Walter Doane and Buddy Ryan is based upon pretty good authority. Ryan was asked for his terms by the Pittsburg club of the Federal league, as exclusively announced in The Journal several weeks ago, but stated yesterday that he had not answered the letter. His reason for this delay, he explained, was to find out where his contract for 1914 was coming from. If it comes from Portland, Buddy will remain within the fold; if it is postmarked Toledo he will be ready to accept offers from Federal league teams, he intimated.

That it was a mistage on the part of the Cleveland manager in sending Ryan to Toledo was suggested in the conversation of Judge W. W. McCredie over the Ryan situation yesterday. If it is impossible to send him to Portland, there seems every likelihood that another good man will be lost to organized baseball for Buddy is pretty well determined to jump.

Doane Says He Hasn't Heard.

While Walter Doane, the fleet rightfielder of the champion Beavers is not a holdout in the ordinary term of the word, Walter thinks he is entitled to a bit more of the lucre than was written into his 1914 contract. Stovall would hardly have had time to learn of any rumored dissatisfaction on the part of Doane over his contract for the reason that they were mailed out only a couple of days ago. Doane stated this morning that he had not received an offer from Stovall and was not prepared to say whether or not he could be enticed from organized baseball by a flattering offer from the outlaw league.

GOLF LAWMAKERS WILL GET TO WORK TOMORROW

New York, Jan. 8.—The men who make and interpret the laws governing the game of golf in this country are dropping into town in anticipation of the annual meeting of the United States Golf association, which is to be held tomorrow evening at the Waldorf-Astoria. The meeting will elect officers and transact a quantity of other important business. The choice of officers will be purely perfunctory, as all of the present officers are slated for reelection. The executive committee has formulated a list of courses which it considers suitable for holding the amateur, open and women's championships, and will present the list at the meeting. The selection of the courses will be determined by vote of the delegates.

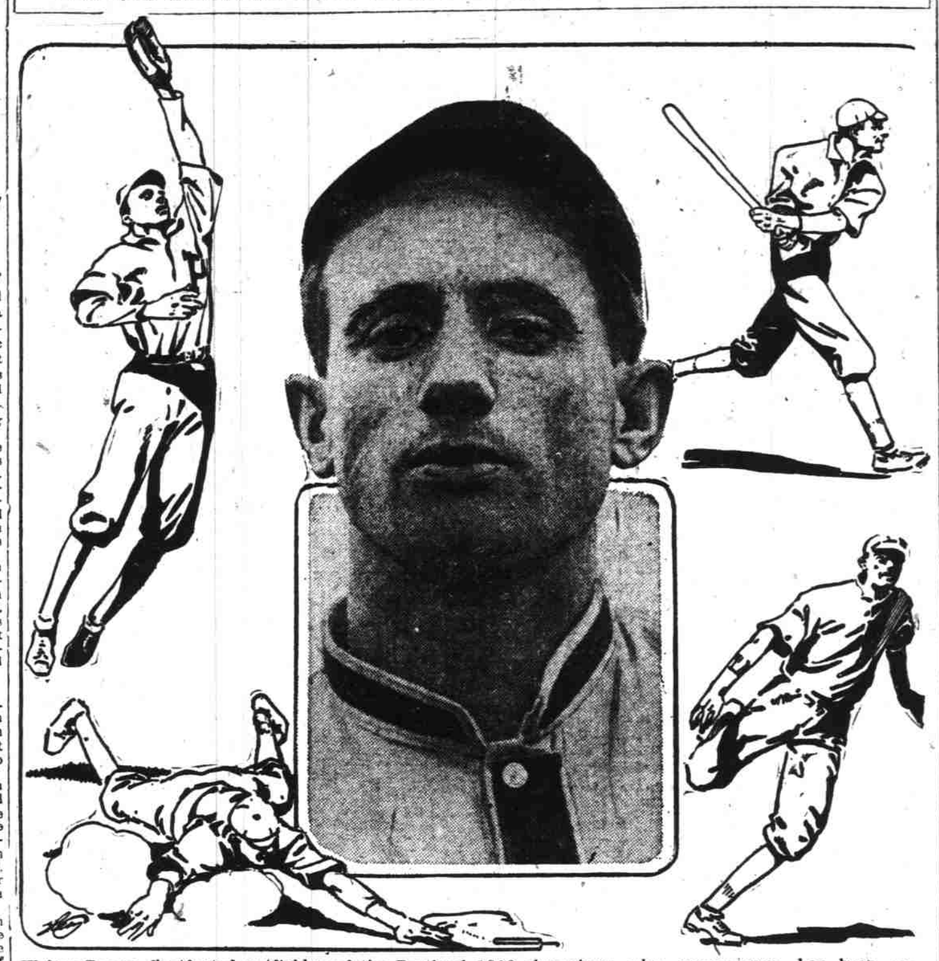
San Francisco, Jan. 8.—Advices received here today from Australia declare that Georges Carpentier will be sent against Eddie McGoorty for the light-heavyweight championship of the world, at Sydney on Easter Monday. It was declared that McGoorty finds it none too easy to make the middleweight limit and has announced that he stands ready to meet Carpentier at any time.

FEDERAL LEAGUERS HAVE THEIR EYES SET UPON THIS BEAVER TOSSER



Walter Doane, fleetfooted outfielder of the Portland 1913 champians, who, rumor says, has been approahced by George Stovall.

BASEBALL CHATTER

"Dode" Brinker, former University of Washington star, may coach his alma mater team during the 1914 season. Lou Nordyke is also mentioned as coach of the Washington team.

According to Del Howard the batting average of the San Francisco team for the 1914 season should be .288. This is how Del figures: O'Leary, 3b, .250; Corhan, ss, .260; Downs, 2b, .320; Hofman, 1b or o. f., .300; Charles, utility, .280; Schaller, o. f., .280; Mundorf, o. f., .275; Schmidt, c, .275; Clark, c, .275; Cartwright, 3b, .280; Howard, 1b, .325. No mention is made of the pitchers, but Del gives the general average as .288.

Happy Hogan has signed Pitcher Frank Decanniere, who was released by the Vancouver Northwestern and San Francisco Coast league teams last season. Hogan thinks Lefty will be a valuable twirler for the Tigers.

Bill Steen, former Portland pitcher, is considering an offer from the Pittsburg Federal league club. The Feds were after O'Neill and Liebold, but both preferred the American league.

Joe Tinker, manager of the Chicago Feds, has secured Pitchers Brennan from the Philadelphia Nationals and Packard from the Cincinnati team. Ned Pettigrew, former Portland Colt outfielder, and Shortstop Farrell are the only members of last season's Chicago team who will be retained by Tinker for the coming season.

Joe Berger will not have much of a chance of getting out of the major leagues. His splendid field work for the Sox during the city series attracted the attention of many big league club owners. Hen Berry is not counting very strongly on Berger, as he is looking around for another second sacker.

As yet no Federal league club has offered Richard Maxmeyer a three year contract.

HARLEM TOMMY THINKS HE'LL QUIT IF HE LOSES

San Francisco, Jan. 8.—Writing to a San Francisco sport writer from Los Angeles, Harlem Tommy Murphy announced that he will quit the ring if he loses to Champion Willie Ritchie when they meet here January 23 in a 20-round bout.

"I have been in the game since 1900, which means just 14 years," wrote Murphy. "I sincerely believe that I can beat Ritchie, but if I lose I intend to quit the game."

REVOLVER RECORD IS SET AT SPRINGFIELD

According to a dispatch from Springfield, Mass., the Smith and Wesson team of the United States Indoor Revolver league broke the world's team record by making the score of 1154 out of a possible 1250. The former record was made by the Portland team in 1912, when the Rose City shooters made the score of 1147. This mark was tied by the Denver team last year.

BASKETBALL NOTES

In the roughest game played here this season, the McLaughlin quintet was downed in the opening game of the City Basketball league by the Archer-Wiggins Weonas, 26 to 11. Two players were knocked unconscious and two were removed from the game for slugging.

Two of Manager Dwyer's regular players were absent from the game. This put a crimp in the team work of the North Portland Club. The Amicus club floor where the game was played is just large enough for the playing space so there was no out of bounds line.

The line-up:

Weonas.		McLoughlin.

MAY REMATCH HILL AND HEWITT JAN. 16 AT INTERCLUB MEET

Preliminaries for Multnomah-Vancouver Smoker Will Almost Vie With Principals.

A return match between Ollie Hill and Dick Hewitt is sought by Edgar Frank, chairman of the "Winged M" boxing and wrestling committee, for one of the preliminary bouts of the Multnomah-Vancouver, B. C. interclub meet on January 16. Hewitt was given the decision over Hill at the armory smoker, after Hill had forced the fighting all the way.

Frank expects to secure the consent of both boxers today. If they are willing, three good preliminaries will be on the card, as Frank is considering a return go between Joe Weston and Abe Gordon.

The other preliminaries are Yost Schmeer vs. Cronquist and McNeill vs. Calhoun. Monpier, the Multnomah 125 pounder, will likely appear in the preliminaries if an opponent can be secured.

The Vancouver club has not announced the name of one of its boxing representatives, although it promised to do so yesterday.

Chairman Frank this morning announced that the Multnomah club would send Earl Miebus and Joe Bradt to Spokane for the dual boxing and wrestling meet with the Spokane Amateur Athletic club February 6. Both are middleweights. The Spokane club has not announced its weights as yet.

Basketball at Vancouver.

Vancouver, Wash., Jan. 8. — Two good basketball games are billed for tomorrow evening at the high school gymnasium, between teams representing the Lincoln High school of Portland and the Vancouver High school. Following the games a basket social will be held, the proceeds of which will go toward paying for the new football uniforms. The social is being held under the auspices of the high school football team. The first game will begin at 7:30 o'clock sharp.

Wagner and Camnitz.

Pittsburg, Pa., Jan. 8.—It was reported in baseball circles here today that the Pittsburg Federal league club is seeking the services of Shortstop Hans Wagner and Howard Camnitz, former Pirate pitcher, but now a member of the Philadelphia Nationals. It was not believed here either would jump to the outlaw club.

HOLLAND MAY FIGHT IN KANSAS CITY IF HE FINDS OPPONENT

Spokane Middle, Here With Feather Hughes, Strongly Boosts Heavy Kenneth.

Fritz Holland, the Spokane middleweight, and Bert Hughes, a former Vnacouver, B. C., featherweight, are in Portland on the way to to British Columbia, where Hughes will probably be matched to meet Paul Pederson in the near future.

Hollard received a wire today from Taft, Cal., stating that he and Kid Kenneth, the hard hitting Taft heavyweight, would probably be matched for some fights in Kansas City. Unless Holland hears definitely by tonight that he is expected to go east, he and his traveling companion will continue to Vancouver, B. C. In Kansas City his opponent may be "Wildcat" Ferns.

"I am now trying to get on against Jimmy Clabby in Los Angeles," said Holland. "I hear that there is some dispute between Clabby and Petroskey over the weight question, and that they have not yet posted forfeits. I would like to get on with Clabby, for I believe I can beat him.

"I may box Frank Barrieau in Vancouver, B. C., for I am making 145 pounds now and he will weigh pretty much the same.

"This Kid Kenneth is a coming heavyweight. He has been knocking them right and left lately. He isn't very clever, but he carries a wallop and that counts a lot in winning your matches.

"I look for him to be one of the best heavies in the country with a little more experience.

"There is a great deal of rivalry between Hughes and Peterson, and a fight between them at Vancouver ought to draw well."

MAN WANTS LIST OF PORTLAND WOMEN TO CHOOSE WIFE FROM

Here's a good chance for a woman between the age of 25 and 40 to secure a husband, especially if she wants to live the simple life.

O. E. Marshall of Ashwood, Or., has written a letter to City Auditor Barbur asking him to get the names of several women of from 25 to 40 years old who would make suitable wives. The women employes of his office all decline the offer and now Mr. Barbur wishes to get in communication with others who wish to get married. Marshall wants as his wife a woman who is a resident of Portland.

EXCURSIONISTS ARE WARMLY WELCOMED

More "hands across the border" reached out last night in friendly greeting in Portland when the second Canadian excursion, bound for the much touted balmy clime of southern California was entertained in trolley trips about the city and at dinner in the Commercial club.

This excursion was known as the western Canadian excursion, following the visit of the British Columbians Tuesday. More than 75 persons were in the second party, which was shown the same courtesy as the first.

E. B. Piper, president of the Portland Commercial club, was toastmaster at the dinner. John F. Carroll extended the formal welcome, to which M. V. Moore of Calgary responded. Wallace McCamant spoke on "The Pacific Coast," and Thomas Erskine, British consul, added the welcome of an Englishman to the welcome of the native sons.

Moving pictures of the Rose Festival, following stereopticon views of western Oregon, closed the entertainment just before train time. A third Canadian party will pass through Portland next Wednesday.

Sir Joseph Dubuc Dies.

Los Angeles, Jan. 8.—Sir Joseph Dubuc, 73, Canadian parliamentarian and former chief justice of the queen's bench in Manitoba, is dead here today of heart failure. He was seized late yesterday and died 40 minutes later, immediately after Bishop Conaty had administered extreme unction.

Sir Joseph, who was knighted two years ago by King George, twice was public administrator of the province of Manitoba and was vice chancellor of the University of Manitoba. His body will be shipped to Winnipeg.

Honors for Oscar B. Peterson.

ST. HELENS HALL HAS SUCCESSFUL SESSION

Expectation Is Largely Increased Attendance Be Present in Spring.

Saint Helen's hall is making active preparations to enter upon the second session of the school year, February 1, after one of the most successful first sessions in the history of the institution. With the first term drawing to a close the students are busily engaged in review and taking examinations.

It is expected that the coming session will see a largely increased attendance and the Sister Superior has requested parents who desire to enter their daughters in the hall for the second term to make application as soon as possible.

The hall will graduate 10 girls this spring in addition to two girls who are taking special work for admission to Wellesley and Smith colleges. The past few months at the hall have seen increased interest and enthusiasm in music, sketching and dancing. The music department will give a series of recitals next month.

Students in art are now doing outdoor and nature work in addition to the regular studio classes. Dancing, both aesthetic and social, has been one of the favorite pastimes of the girls in the gymnasium, vieing with basketball. Two evening dances have been given thus far this term, one complimentary to the new girls from the old ones, and one the regular All Saints' day function to which day scholars as well as boarders were invited.
