MARION COUNTY WILL HAVE BIG COMMITTEE

Business Men and Farmers Vote Unanimously in Favor of Bond Issue.

Salem, Or., Jan. 8 .- About 100 business men and farmers of Marion county, at a meeting at the Commercial club last night, unanimously voted in favor of launching a campaign to bond the county for \$800,000 for the building of permanent roads. They were eager to take hold of a movement that will lift this county out of the mud, and while this is being done, greatly enhance the value of all property.

It was decided to appoint a campaign committee of 100, representing all interests in the county, and leave it to this committee to choose an executive committee of five to direct the work. The county court will be petitioned at once to call a special election to vote on the bond issue. In a speech urging every citizen to

get behind the movement, George Rodgers called the meeting to order. J. L. Valvert of Hubbard was elected chairman and Fred Bynon, secretary of the Commercial club, was elected secretary. Among the speakers were: J. H. Albert, president of the Capital National bank; Circuit Judge Cleeton, Portland; F. W. Peterson, St. Paul; Mayor Allen of Jefferson; Harley Moores, Woodburn: George Weeks who lives near Salem; L. H. McMahon, Salem; Gideon Stolz, Salem; Luther J. Chapin, Salem; George W. Knight, Hubbard; Seymour Jones, Salem, and Dr. Keene, Silverton.

It was decided to leave it to the be improved.

EXPOSITION COMPANY WINS FROM SPRECKELS

San Francisco, Jan. 8.—By an oral decision handed down here today by Superior Judge Seawell, the Panama Pacific Exposition company is victor in its suit against Rudolph Spreckels, multi-millionaire, for \$17,500 as part of a subscription to the fair, subscribed by Spreckels in 1910.

Spreakels made one payment of \$5000 and another of \$25000 on a \$25,000 subscription. He refused to pay the remaining \$17,500, claiming that his contract was abrogated because it was made with the explicit provision that it would become void unless the federal government extended aid. Judge Seawell ruled that Spreckels

waived the original contract in a letter in March, 1911a and in which he enclosed a check for \$2500. This payment was made after the Kahn bill asking for federal aid had been defeated.

According to reports of the irrigationists, the suit that will be brought in the state court will be based on their claims of former appropriation. That which will be instituted in the federal court will raise a question of

federal jurisdiction. Irrigationists expect to carry the case to the United States supreme court for final determination.
